Ethics in Accounting: A Decision-Making Approach Jun 05 2020 This book provides a comprehensive, authoritative, and thought-provoking examination of the ethical issues encountered by accountants working in the industry, public practice, nonprofit service, and government. Gordon Klein's, *Ethics in Accounting: A Decision-Making Approach*, helps students understand all topics commonly prescribed by state Boards of Accountancy regarding ethics literacy. *Ethics in Accounting* can be utilized in either a one-term or two-term course in Accounting Ethics. A contemporary focus immerses readers in real world ethical questions with recent trending topics such as celebrity privacy, basketball point-shaving, auditor inside trading, and online dating. Woven into chapters are tax-related issues that address fraud, cheating, confidentiality, contingent fees and auditor independence. Duties arising in more commonplace roles as internal auditors, external auditors, and tax practitioners are, of course, examined as well.

Cornerstones of Financial Accounting Jan 13 2021 Get where you need to be with CORNERSTONES OF FINANCIAL ACCOUNTING. Cornerstones delivers a truly unique learning system that is integrated through the entire introductory managerial accounting journey — ensuring students will leave the course with the knowledge they need to be future business leaders. Students are guided through: Building A Strong Foundation: Students need to build a strong foundation of the fundamentals before they can move forward in this course. The unique Cornerstones approach gets them through the fundamentals FASTER so that they can transition to analyzing and applying concepts. Understanding Relationships: Rather than focusing on concepts in isolation, students should understand accounting as a system and recognize how the end result changes based on how the numbers affect each other. CORNERSTONES aids students in this step as an important part in training them to be good decision makers. Making Decisions: Armed with the knowledge they have gained from working through the other aspects of the Cornerstones approach, students are now given the tools to bring their knowledge full-circle and practice making good business decisions. Students love this approach because it presents materials the way they learn. Instructors love it because it gets students to master the foundations more quickly and allows more time to learn and apply the analysis and decision making of accounting. Get There with Cornerstones! Available with InfoTrac Student Collections <http://gocengage.com/infotrac>. Managerial Accounting Jul 27 2019 Many corporate managers struggle to see the relevance of accounting in their everyday responsibilities. Weygandt shows them how managerial accounting information fits in the larger context of business so they are better able to understand the important concepts. The new Do It! feature reinforces the basics by providing quick-hitting examples of brief exercises. The chapters also incorporate the All About You (AAY) feature as well as the Accounting Across the Organization (AAO) boxes that highlight the impact of accounting concepts. With these features, readers will have numerous opportunities to think about what they have just read and then apply that knowledge to sample problems.

Financial Accounting Solutions Manual 2015 Edition Jul 19 2021 This Financial Accounting Solutions Manual provides answers to all Basic and Involved Problems found in the textbook. The Financial Accounting textbook covers the accounting and reporting cycle, current assets, long-term assets, debt, equity, and cash flows. Cost Accounting Feb 11 2021 The most practical, real-world presentation of cost accounting on the market, this book blends a traditional and proven method of teaching cost accounting with the integration of innovative topics. Cost topics are covered in the context of organizational strategy and operational tactics, as cost management decisions are sensitive to strategies driven by quality, cost, and innovation. Kinney, Prather-Kinsey, and Raiborn reinforce the material with real-world examples and visual illustrations that bring cost management techniques into the student's sphere of understanding. A flexible organization appropriate for either a one- or two- semester course--coupled with clear and abundant visual presentations--allows students to clearly understand difficult topics. The text's revised organizational structure streamlines chapter materials as well as reduces redundancy between cost accounting and other business courses.
