[Making Her Ours](#) Sep 20 2021 For the first time, you can own five of Mari Carr's hottest menage romances in one steamy anthology. Set includes Waiting for Her, Sweet Thursday, Reach You, Full Position, and Everything Nice. This anthology is a must-have for fans of menage and an amazing way to "test drive" five of Mari Carr's most popular series, including Wild Irish, Sparks in Texas, Second Chances and Big Easy. Waiting for Her - Jeannette's past has taught her one thing--trust no one. However, not only are lovers Luc and Diego a danger to her libido, but also her heart. The two firefighters have had a hunger for Jeannette, and they're willing to do whatever it takes to claim the shy, sexy cook. Sweet Thursday - Soldiers Justin and Killian are blown away when quiet Lily proposes a one-night (three bodies) fling too tempting, too hot to resist. But just one no-holds-barred, explosive evening with the stunning woman will never be enough. Reach You - Christian has been lusting after Shelly. There's something about her that makes him believe she's the one. Unfortunately, Lance—Christian's best friend—has set his sights on the sweet blonde as well. Instead of pistols at dawn, the two friends come up with a deliciously erotic answer to their shared dilemma—if the shy beauty will accept their racy proposal. Full Position - Though Bella has crushed on Justin and Ned since her first day on the job, she's smart enough to know a ménage with her hot bosses is probably number one on the list of workplace no-nos. But a genius wouldn't say no to their exceptionally tempting offer — a no-holds-barred night of wicked fantasies at a local sex club. Everything Nice - After Alex confesses that he wants both her and his best friend, Charlie, in his bed, Allie skips town like a thief in the night. Now, Allie is back in their lives, all grown up and more alluring than ever. What starts as a night of three friends catching up turns into intimate explorations in Charlie's truck...and Alex's shower...and his king-size bed... This anthology will be available for a limited time only, so act fast.

[50 ways to make her trust you](#) Oct 02 2022 This e-book helps men get the tactics of gaining trust from the ladies they adore in their lives. Tip number one. PUT YOURSELF IN HER SHOES You may have already heard of this. However, empathy is not an overrated thing at all. We are different, at least in some ways. So, if you're not ready to see a situation from another perspective too, how can you really understand what's going on? There is truly no doubt that men and women see relationships from varying angles, but a desire for trustful behavior isn't reserved for one gender. Indeed, you'll find that if you look at the situation from her perspective, there are similarities to what you're thinking yourself. Do you want her to be honest and trustworthy with you? Do you want to actively plan activities you'll do together? Do you want to know her circle of friends and see that she's letting you into her life? Do you want to know that she's showing trust? See, it all comes full circle! Your lady is in a similar situation. She wants you to show her that she's an essential component of your life, not that you want to keep her at arm's length. This involves restraining yourself without explaining why, not asking for "freedom" aggressively, not ghosting or gaslighting her (at all). After all, don't you want the same things? Tip number two. BE HONEST WITH HER Honesty is the foundation that keeps everything else together in your relationship. If you don't reinforce honesty daily, it'll slowly disappear. Note that being sincere doesn't imply being utterly frank. There's a big difference between "you look better in other skirts, sweetie" and "that skirt looks absolutely miserable on you." You don't desire to be ruthlessly transparent unless you and your lady agree that it's an essential part of your relationship. Otherwise, share your thoughts and opinions, although respectfully and neutrally. You want to formulate quality conversations without appearing like you're set on arguing. In other words, don't treat her like she's a fragile person who can't recognize the truth, but you shouldn't be downright mean with her

either. Translator: Celine Claire PUBLISHER: TEKTIME

The Woman They Could Not Silence Jan 31 2020 From the New York Times, USA Today, and Wall Street Journal bestselling author of The Radium Girls comes another dark and dramatic but ultimately uplifting tale of a forgotten woman whose inspirational journey sparked lasting change for women's rights and exposed injustices that still resonate today. 1860: As the clash between the states rolls slowly to a boil, Elizabeth Packard, housewife and mother of six, is facing her own battle. The enemy sits across the table and sleeps in the next room. Her husband of twenty-one years is plotting against her because he feels increasingly threatened--by Elizabeth's intellect, independence, and unwillingness to stifle her own thoughts. So Theophilus makes a plan to put his wife back in her place. One summer morning, he has her committed to an insane asylum. The horrific conditions inside the Illinois State Hospital in Jacksonville, Illinois, are overseen by Dr. Andrew McFarland, a man who will prove to be even more dangerous to Elizabeth than her traitorous husband. But most disturbing is that Elizabeth is not the only sane woman confined to the institution. There are many rational women on her ward who tell the same story: they've been committed not because they need medical treatment, but to keep them in line--conveniently labeled "crazy" so their voices are ignored. No one is willing to fight for their freedom and, disenfranchised both by gender and the stigma of their supposed madness, they cannot possibly fight for themselves. But Elizabeth is about to discover that the merit of losing everything is that you then have nothing to lose... Bestselling author Kate Moore brings her sparkling narrative voice to The Woman They Could Not Silence, an unputdownable story of the forgotten woman who courageously fought for her own freedom--and in so doing freed millions more. Elizabeth's refusal to be silenced and her ceaseless quest for justice not only challenged the medical science of the day, and led to a giant leap forward in human rights, it also showcased the most salutary lesson: sometimes, the greatest heroes we have are those inside ourselves. "The glowing ghosts of the radium girls haunt us still."--NPR Books for The Radium Girls

The Grey Woman Jan 13 2021 Anna, a German mill-owner's daughter, marries a French aristocrat and moves to France. She discovers that her husband killed his previous wife and that he is trying to kill her as well. Quick, intriguing, and with an extremely interesting plot, 'The Grey Woman' (1861) is a short story by Elizabeth Gaskell for anyone who enjoys a good gothic shudder. Incredibly progressive for its time, it is about the survival of the ill-treated woman who has decided that enough is enough. Elizabeth Cleghorn Gaskell (1810-1865) was an English novelist, short story writer, and biographer, best known for her novels 'North and South' and 'Wives and Daughters' as well as her biography of Charlotte Brontë. Gaskell was viewed as a minor author until the 1950s where it became evident that her depiction of industrial environments and social problems was brilliant and poignant.

Making Her His Feb 11 2021 From USA TODAY Bestselling author, Lexy Timms, comes a spin off from the Hades' Spawn MC series – Beating the Biker. Saks' Story Anthony Parks, AKA Saks, straddles two worlds and neither one is very reputable. By day, he's a motorcycle mechanic and Road Captain of the Hades' Spawn, a none-too-squeaky-clean motorcycle club. By night, he's the scion of an organized crime family who wants him to join the family business full time. Recent events with the Spawn MC have soured his community reputation, and while certain women like bad boys that's not the kind Saks is looking for. Add in pressure from his family to marry, and Saks is faced with an impossible situation. His wise-guy uncle proposes an arranged marriage between Saks and the daughter of a don from another crime family. When he meets a mysterious blonde who shows him love at first sight is possible, he knows he can never accept his uncle's proposal. Now he has to figure out a way to tell Uncle Vits without getting excommunicated from the family or putting the Spawn in the crosshairs of a powerful crime organization. Now if only he could find the woman who stole his heart. Christina's story Christina Marie Serafina decided a long time ago that her loving but paternalistic family wasn't going to determine the course of her life. She has no desire to get mixed up in any of the illegal businesses her family owns. She's earned a Masters in Business and Communications on her own dime, and just landed her dream job as Director of Marketing for an up and coming business. Marriage and a family aren't in her game plan right now. When her grandfather announces that he's arranged a marriage for her with a good Italian man, Christina goes ballistic. She's marrying a man of her own choosing, not some member from another crime family. Urged by her sister to at least check the guy out, she goes to his family's bar to confirm her suspicions. Except she meets a handsome biker that knows exactly how to send her body into overdrive. Realizing the hunky man is the one her grandfather wants her to marry sends her into flight mode, even though he haunts her dreams. Can Saks convince the woman of his dreams to look past his family connections and take a chance on a lowly motorcycle mechanic? And if he does, can he look past hers?

Making Her Journal Nov 30 2019 There comes a time when a girl starts to become independent, test boundaries of men, and even manipulate them. This can destroy a man and his relationship and even his life. There are countless documented occurrences where a man let his girl go wild, be demanding, be in control, only to find himself in jail or prison or worse. A natural relationship, as God intended it to be, is between a man and a girl. The man is to dominate, make decisions, and rule his household. The girl is to submit, obey, and make the man's life easier and appreciated. When you have tension in a relationship it is usually because the girl has been allowed to get out of hand, mouthy, bitchy-whatever you want to call it—and the male has taken a less dominant position and become a pussy. This book is about a way of correcting this imbalance. It is method that works effectively to training your girl to obey and submit to you. The key psychology behind this activity is regression. When you make her journal, you make her revisit the past-times when she obeyed, was happy, and delighted in making you happy. A girl is happiest when she's dominated and told what to do. A girl respects a man at a deep psychological level when he makes her obey and treats her like a young girl, not a grownup woman. Once you understand this dynamic, you can make your relationship near perfect as it can be. You ensure your girl is happy, that you're in control, and in exchange she feels safe and protected and happy to obey your instructions. Journaling is the same as writing down your feelings in a diary. When a girl journals her thoughts and feelings each day, and hands those feelings over to you to read, it gives you not only a couple's activity, but gives you insider access to her thinking and her mind. This is extremely important when it comes to training her and insisting that she believe what you want her to believe and adopts your household ideology. It is up to you to make this happen, and this book is hell bent on helping you do this in the best way possible. Keep reading... It gets good! I promise. Grab Your Copy Now!

It Ends with Us Aug 27 2019 In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for

Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

[Making Her Point Loud and Clear - The Story of a Warrior Mom on a Mission](#) Jun 17 2021 Imagine having a baby and having to ask yourself, "Will I ever hear her call me Mom?" When Jeanine Gleba found out her daughter Grace was born severely hard of hearing, she could not fathom her world of silence. Eventually she and her husband, Bill plowed forward as they realized there is nothing they could do but focus on, what can they do to help her? Their lives changed when they met an educator who told them, "Your daughter will talk. We live in a hearing world. She can learn to speak like her family and everyone else in the world." Jeanine and her daughter Grace not only find a way to embrace living with Grace's hearing loss, but gain a sense of empowerment as they fight a grassroots battle for nine years to pass a law reimbursing families for costly children's hearing aids. For years their words fell on deaf ears, and against all odds with patience, persistence and a "never give up" attitude they changed legislation. The ups and downs of the story ranges from Grace persuading legislators to hold up "Yes" or "No" signs so she could know how they voted to having one of the bill's strongest advocates in the legislature arrested for child pornography before a crucial vote. Written in the tradition of stories like Erin Brockovich and Norma Rae, this story is about a woman who stood up for her rights and the rights of others - and won.
