Gideon the Ninth Oct 27 2022 Gideon the Ninth is the first book in the New York Times and USA Today Bestselling Locked Tomb Trilogy, and one of the Best Books of 2019 according to NPR, the New York Public Library, Amazon, BookPage, Shelf Awareness, BookRiot, and Bustle! WINNER of the 2020 Locus Award and Crawford Award Finalist for the 2020 Hugo, Nebula, Dragon, and World Fantasy Awards “Unlike anything I’ve ever read.” —V.E. Schwab “Lesbian necromancers explore a haunted gothic palace in space!” —Charles Stross “Deft, tense and atmospheric, compellingly immersive and wildly original.” —The New York Times The Emperor needs necromancers. The Ninth Necromancer needs a swordswoman. Gideon has a sword, some dirty magazines, and no more time for undead nonsense. Tamsyn Muir’s Gideon the Ninth unveils a solar system of swordplay, cut-throat politics, and lesbian necromancers. Her characters leap off the page, as skillfully animated as arcane revenants. The result is a heart-pounding epic science fantasy. Brought up by unfriendly, ossifying nuns, ancient retainers, and countless skeletons, Gideon is ready to abandon a life of servitude and an afterlife as a reanimated corpse. She packs up her sword, her shoes, and her dirty magazines, and prepares to launch her daring escape. But her childhood nemesis won’t set her free without a service. Harrowhark Nonagesimus, Reverend Daughter of the Ninth House and bone witch extraordinaire, has been summoned into action. The Emperor has invited the heirs to each of his loyal Houses to a deadly trial of wits and skill. If Harrowhark succeeds she will be become an immortal, all-powerful servant of the Resurrection, but no necromancer can ascend without their cavalier. Without Gideon’s sword, Harrow will fail, and the Ninth House will die. Of course, some things are better left dead. Nona the Ninth Aug 25 2022 Tamsyn Muir's New York Times and USA Today bestselling Locked Tomb Series continues with Nona ...the Ninth? An Indie Next Pick! “You will love Nona, and Nona loves you.” —Alix E. Harrow “Unlike anything I've ever read.” —V.E. Schwab on Gideon the Ninth “Deft, tense and atmospheric, compellingly immersive and wildly original.” —The New York Times on Gideon the Ninth Her city is under siege. The zombies are coming back. And all Nona wants is a birthday party. In many ways, Nona is like other people. She lives with her family, has a job at her local school, and loves walks on the beach and meeting new dogs. But Nona's not like other people. Six months ago she woke up in a stranger's body, and she's afraid she might have to give it back. The whole city is falling to pieces. A monstrous blue sphere hangs on the horizon, ready to tear the planet apart. Blood of Eden forces have surrounded the last Cohort facility and wait for the Emperor Undying to come calling. Their leaders want Nona to be the weapon that will save them from the Nine Houses. Nona would prefer to live an ordinary life with the people she loves, with Pyrrha and Camilla and Palamedes, but she also knows that nothing lasts forever. And each night, Nona dreams of a woman with a skull-painted face... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Ninth Session Nov 23 2019 An edge-of-your-seat psychological thriller that brings a unique mix of psychotherapy and Sign Language and Coda Culture. Just when you think you have it figured out, think again! Dr. Alicia Reese takes on a new patient. Lucas Ferro suffers with crippling anxiety, and as sessions progress, he begins to share the reasons why he's struggling. As Ferro's narrative becomes more menacing, Reese finds herself wedged between the cold hard frame of professional ethics and the integrity of personal truth. And, finally, when Ferro reveals his secrets, Reese learns how far she's willing to go, willing to risk and willing to lose to do the right thing. "Author/psychologist Serani's first foray into fiction is a taut, suspenseful tale...A smartly written, edgy story with a keen, tireless heroine." -Kirkus Reviews "The Ninth Session has to be one of the best books I have read this year. The author is an absolute master of building tension and suspense." -Lesley Jones for Readers' Favorite "A fast-paced, suffocating psychological thriller featuring a series-worthy heroine. One of the year's best thrillers." -BestThrillers.com "The Ninth Session grabs the reader right from the first pages. Plan on clearing the decks of to-do's; you will want to read this right on through until you turn the last page." -Mary H. Siemes, Ph.D., Psychoanalyst "Characters' actions and reactions direct the rising tension... and the incorporation of aspects of deaf culture is fascinating." -Foreword, Clarion Reviews

The Eagle of The Ninth May 22 2022 Four thousand men disappeared and their eagle standard was lost. It's a mystery that's never been solved, until now . . . Marcus has to find out what happened to his father, who led the legion. So he sets out into the unknown, on a quest so dangerous that nobody expects him to return. The Eagle of the Ninth is heralded as one of the most outstanding children's books of the twentieth century and has sold over a million copies worldwide. Rosemary Sutcliff's books about Roman Britain have won much acclaim. The author writes with such passion and with such attention to detail that the Roman age is instantly brought to life and stays with the reader long after the last page has been turned.

Ardulum Aug 01 2020 Ardulum. The planet that vanishes. The planet that sleeps. Neek makes a living piloting the dilapidated tramp transport, Mercy's Pledge, and smuggling questionable goods across systems blessed with peace and prosperity. She gets by-but only just. In her dreams, she is still haunted by thoughts of Ardulum, the traveling planet that, long ago, visited her homeworld. The Ardulans brought with them agriculture, art, interstellar technology...and then disappeared without a trace, leaving Neek's people to worship them as gods. Neek does not believe-and has paid dearly for it with an exile from her home for her heretical views. Yet, when the crew stumbles into an armed confrontation between the sheriffs of the Charted Systems and an unknown species, fate deals Neek an unexpected hand in the form of a slave girl-a child whose ability to telepathically manipulate cellulose is reminiscent of that of an Ardulan god. Forced to reconcile her beliefs, Neek chooses to protect her, but is the child the key to her salvation, or will she lead them all to their deaths?

The Ninth Configuration Feb 19 2022 Hidden away in a brooding Gothic manor in the deep woods is Center Eighteen, a secret military "rest camp" currently housing twenty-seven inmates, all officers who have succumbed to a sudden outbreak of mental illness. Have the men truly lost their minds, are they only pretending to be insane to avoid combat, or is some more sinister conspiracy at work? Desperate for answers, the Pentagon has placed a brilliant Marine psychiatrist in charge of the base and its deranged occupants. A man of deep faith and compassion, Colonel Kane hopes to uncover the root of the men's bizarre obsessions. But as Center Eighteen descends into chaos, Kane finds the greatest challenge may be his own buried demons. . . . The basis of an acclaimed 1980 film (also known as *Twinkle, Twinkle, "Killer" Kane*), William Peter Blatty's *The Ninth Configuration* is a thought-provoking, blackly comic journey into the heart of madness—and the outer limits of belief. Singularity Sky Sep 02 2020 In a technologically suppressed future, information demands to be free in the debut novel from Hugo Award-winning author Charlie Stross. In the twenty-first century, life as we know it changed. Faster-than-light travel was perfected, and the Eschaton, a superhuman artificial intelligence, was born. Four hundred years later, the far-flung colonies that arose as a result of these events—scattered over three thousand years of time and a thousand parsecs of space—are beginning to rediscover their origins. The New Republic is one such colony. It has existed for centuries in self-imposed isolation, rejecting all but the most basic technology. Now, under attack by a devastating information plague, the colony must reach out to Earth for help. A battle fleet is dispatched, streaking across the stars to the rescue. But things are not what they seem—secret agendas and ulterior motives abound, both aboard the ship and on the ground. And watching over it all is the Eschaton, which has its own very definite ideas about the outcome...

Empire Games Dec 05 2020 Charles Stross builds a new series with *Empire Games*, expanding on the world he created in the *Family Trade* series, a new generation of paratime travellers walk between parallel universes. The year is 2020. It's seventeen years since the Revolution overthrew the last king of the New British Empire, and the newly-reconstituted North American Commonwealth is developing rapidly, on course to defeat the French and bring democracy to a troubled world. But Miriam Burgeson, commissioner in charge of the shadowy Ministry of Intertemporal Research and Intelligence—the paratime espionage agency tasked with catalyzing the Commonwealth's great leap forward—has a problem. For years, she's warned everyone: "The Americans are coming." Now their drones arrive in the middle of a succession crisis. In another timeline, the U.S. has recruited Miriam's own estranged daughter

to spy across timelines in order to bring down any remaining world-walkers who might threaten national security. Two nuclear superpowers are set on a collision course. Two increasingly desperate paratime espionage agencies try to find a solution to the first contact problem that doesn't result in a nuclear holocaust. And two women—a mother and her long-lost daughter—are about to find themselves on opposite sides of the confrontation. Princess Floralinda and the Forty-Flight Tower Aug 21 2019 When the witch built the forty-flight tower, she made very sure to do the whole thing properly. Each flight contains a dreadful monster, ranging from a diamond-scaled dragon to a pack of slaving goblins. Should a prince battle his way to the top, he will be rewarded with a golden sword--and the lovely Princess Floralinda. But no prince has managed to conquer the first flight yet, let alone get to the fortieth. In fact, the supply of fresh princes seems to have quite dried up. And winter is closing in on Floralinda...

The Ninth Circle Nov 16 2021 When Dan, 16, runs away from a terrible home life to join a circus, he has no idea what he's getting himself into. Based on Dante's Inferno, THE NINTH CIRCLE follows a young man's coming-of-age as he travels with the circus through nine states. With the Ringmaster as his guide, Dan finds himself falling in love with the Bearded Lady but hated by almost everyone else, including the Strong Man, the Lion Tamers and The Sword Swallower. Meanwhile, he discovers that the performers have uncanny abilities and dark secrets, especially the person who's looking to destroy the circus from within.

Ninth Revolution, The: Transforming Food Systems For Good Jul 12 2021 We are at a critical point in human history and that of the planet. In this book, a world leader in agricultural research, Professor Sayed Azam-Ali, proposes a radical transformation of our agrifood system. He argues that agriculture must be understood as part of global biodiversity and that food systems have cultural, nutritional, and social values beyond market price alone. He describes the perilous risks of relying on just four staple crops for most of our food and the consequences of our current agrifood model on human and planetary health. In plain language for the wider public, students, researchers, and policy makers, Azam-Ali envisions the agrifood system as a global public good in which its practitioners include a new and different generation of farmers, its production systems link novel and traditional technologies, and its activities encompass landscapes, urban spaces, and controlled environments. The book concludes with a call to action in which diversification of species, systems, knowledge, cultures, and products all contribute to The Ninth Revolution that will transform food systems for good.

The Ninth Month Oct 03 2020 One woman is about to become the victim of her own success. On the surface Emily Atkinson has it all. A successful job, a luxury apartment in New York City and a glamorous life. But then she lands in the hospital with a double diagnosis. She parties too much... and she's pregnant. Her nurse and new friend, Betsey, helps Emily recuperate and rediscover morning runs in the park and quiet nights at home. But as a series of women go missing, Emily's pregnancy becomes decidedly high-risk... Will she live to see it through? ----- Praise for James Patterson 'Nobody does it better.' Ian Rankin 'No one gets this big without amazing natural storytelling talent - which is what Jim has, in spades.' Lee Child

The Ninth Jun 23 2022 The premier of Beethoven's Ninth Symphony in Vienna on May 7, 1824, was the most significant artistic event of the year—and the work remains one of the most precedent-shattering and influential compositions in the history of music. Described in vibrant detail by eminent musicologist Harvey Sachs, this symbol of freedom and joy was so unorthodox that it amazed and confused listeners at its unveiling—yet it became a standard for subsequent generations of creative artists, and its composer came to embody the Romantic cult of genius. In this unconventional, provocative book, Beethoven's masterwork becomes a prism through which we may view the politics, aesthetics, and overall climate of the era. Part biography, part history, part memoir, *The Ninth* brilliantly explores the intricacies of Beethoven's last symphony—how it brought forth the power of the individual while celebrating the collective spirit of humanity.

Harrow the Ninth: Act One Mar 20 2022 Can't wait to read *Harrow the Ninth*, the sequel to the sensational, USA Today best-selling novel *Gideon the Ninth*? Check out this free ebook preview and read the whole first act early. *Harrow the Ninth* is available for pre-order now, and on-sale everywhere August 4, 2020. She answered the Emperor's call. She arrived with her arts, her wits, and her only friend. In victory, her world has turned to ash. After rocking the cosmos with her deathly debut, Tamsyn Muir continues the story of the penumbral Ninth House in *Harrow the Ninth*, a mind-twisting puzzle box of mystery, murder, magic, and mayhem. Nothing is as it seems in the halls of the Emperor, and the fate of the galaxy rests on one woman's shoulders. Harrowhark Nonagesimus, last necromancer of the Ninth House, has been drafted by her Emperor to fight an unwinnable war. Side-by-side with a detested rival,

Harrow must perfect her skills and become an angel of undeath — but her health is failing, her sword makes her nauseous, and even her mind is threatening to betray her. Sealed in the gothic gloom of the Emperor's Mithraeum with three unfriendly teachers, hunted by the mad ghost of a murdered planet, Harrow must confront two unwelcome questions: is somebody trying to kill her? And if they succeeded, would the universe be better off? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Ninth Circle Dec 17 2021 This is *The Bourne Identity* . . . as if Neil Gaiman had written it . . . A man comes round on the floor of a shabby flat in the middle of Budapest. His head is glued to the floorboards with his own blood. There's a fortune in cash on the kitchen table. And he has no idea where, or who, he is. He can do extraordinary things - speak any number of languages fluently, go three days without food or sleep, and fight with extraordinary prowess. But without a name, without a past, he's isolated from the rest of the world; a stranger to everyone, including himself - until a chance encounter with a young scholar leads to his first friendship, and his first hint that someone out there knows more about him than he does.

Someone is sending him clues about his past. Photographs hidden in books and crates of wine. Cryptic clues pointing towards a murdered woman. And clear warnings against Stephomi, his only friend. But that's not all; Gabriel Antaeus is seeing strange, impossible things: a burning man is stalking his dreams and haunting his mirrors, his dreams are filled with violence from the past, and his pregnant young neighbour is surrounded by an extraordinary golden aura. Something dark and violent in Gabriel's past is trying to resurface. And as he pieces the clues together, everything points towards an astounding war between angels and demons . . . and a battle not just for the future of the world, but for the minds and souls of everyone in it.

Children of Ruin Jul 20 2019 'My most anticipated book of the year' - Peter F. Hamilton, Britain's no.1 science fiction writer *Children of Ruin* follows Adrian Tchaikovsky's extraordinary *Children of Time*, winner of the Arthur C. Clarke award. It is set in the same universe, with new characters and a thrilling narrative. It has been waiting through the ages. Now it's time . . .

Thousands of years ago, Earth's terraforming program took to the stars. On the world they called Nod, scientists discovered alien life – but it was their mission to overwrite it with the memory of Earth. Then humanity's great empire fell, and the program's decisions were lost to time. Aeons later, humanity and its new spider allies detected fragmentary radio signals between the stars. They dispatched an exploration vessel, hoping to find cousins from old Earth. But those ancient terraformers woke something on Nod better left undisturbed. And it's been waiting for them. 'Books like this are why we read science fiction' - Ian McDonald, author of the Luna series All underpinned by great ideas. And it is crisply modern - but with the sensibility of classic science fiction' Stephen Baxter, author of the Long Earth series (with Terry Pratchett)

The Ninth Life Sep 21 2019 Filled with heart, hope and beautiful prose, *The Ninth Life* is a wonderful, weird and unforgettable novel for readers looking for something unique, honest and real. What if your deepest wish came with dark consequences? At the end of Caesar's feline life, he makes a deal with the goddess Zosma to rejoin Ophelia, the girl he loves, for his ninth and final life. However, waking in the body of seventeen-year-old Austin Price isn't what he anticipates. Neither is Austin's handsome roommate, Cooper--a boy who moves him in unexpected ways. And coming face-to-face with a messy past he can't remember living makes being human even harder than he would have thought. The chaos and wonder of his ninth life urges Austin to get to know Ophelia on human terms and sends him stumbling into complicated friendships that might mean more to him than he ever imagined. But his wish has a price, and even as Austin is pulled in two impossible directions, the very heart beating in his chest is on a countdown of its own--a countdown he has no control over.

Ninth House Oct 23 2019 A LOCUS AWARD FINALIST! The mesmerizing adult debut from Leigh Bardugo, a tale of power, privilege, dark magic, and murder set among the Ivy League elite Galaxy “Alex” Stern is the most unlikely member of Yale's freshman class. Raised in the Los Angeles hinterlands by a hippie mom, Alex dropped out of school early and into a world of shady drug-dealer boyfriends, dead-end jobs, and much, much worse. In fact, by age twenty, she is the sole survivor of a horrific, unsolved multiple homicide. Some might say she's thrown her life away. But at her hospital bed, Alex is offered a second chance: to attend one of the world's most prestigious universities on a full ride. What's the catch, and why her? Still searching for answers, Alex arrives in New Haven tasked by her mysterious benefactors with monitoring the activities of Yale's secret societies. Their eight windowless “tombs” are the well-known haunts of the rich and powerful, from high-ranking politicians to Wall Street's biggest players. But their occult activities are more sinister and more extraordinary than any paranoid imagination might conceive. They tamper with forbidden magic. They raise the dead. And, sometimes, they prey on the living.

The Ninth Orphan Jun 18 2019 How do you catch a man who is never the same man twice? That is the question posed in *The Ninth Orphan*, a top-rated international thriller novel and the first book in *The Orphan Trilogy*. An orphan grows up to become an assassin for a highly secretive organization. When he tries to break free and live a normal life, he is hunted by his mentor and father figure, and by a female orphan he spent his childhood with. On the run, the mysterious man's life becomes entwined with his beautiful French-African hostage and a shocking past riddled with the darkest of conspiracies is revealed. But can the ninth-born orphan ever get off the grid? To find out you'll need to go on a tumultuous journey around the globe to such far-flung locations as China, France, the Philippines, Andorra, America, England, Germany and French Polynesia. The frenetic cat-and-mouse chase moves from airports to train stations and hidden torture prisons, taking the reader on a shocking, nail-biting ride into the world's closet of skeletons that goes beyond conspiracy theories to painful reality. Fast-paced, totally fresh and original, filled with deep and complex characters, *The Ninth Orphan* is a controversial, high-octane thriller with an edge. Merging fact with fiction, it illuminates shadow organizations rumored to actually exist in our world. The novel explores a plethora of conspiracies involving real organizations like the CIA, MI6, and the UN, and public figures such as President Obama as well as the Clinton, Marcos and Bush families. Tackling genetic selection, mind control and secret societies, *The Ninth Orphan* exposes a global agenda designed to keep the power in the hands of a select few. The novel's antagonists are members of a shadow government acting above and beyond the likes of the White House, the FBI, the Pentagon and the NSA. Could something like this ever take place? Or, is it already taking place right now? This unique and unpredictable thriller also has a poignant, romantic sub-plot.

The story contains the kind of intimate character portraits usually associated with psychological novels. Buckle up for a wild trip full of death-defying action, cloak and dagger intrigue, unexpected role reversals and surprise endings. Written by father-and-son writing team Lance & James Morcan (authors of *The Orphan Factory*, *The Orphan Uprising* and *Fiji: A Novel*), *The Ninth Orphan* is Book #1 in *The Orphan Trilogy*. A feature film adaptation of *The Ninth Orphan* is also currently being developed.

The Ninth Wife Aug 13 2021 "In this funny and engaging novel, Amy Stolls shows us that real-life romance is rarely as clear-cut as it seems. *The Ninth Wife* is a vibrant, nuanced novel about marriage, identity and the moment when we realize that the shimmer of fantasy pales next to the tumultuous reality of ordinary, everyday happiness." — Carolyn Parkhurst, author of *The Dogs of Babel* A smart, funny, eye-opening tale of love, marriage, and the power of stories to unlock the true meaning of home and family. What sane woman would consider becoming any man's ninth wife? Bess Gray is a thirty-five-year-old folklorist and amateur martial artist living in Washington, DC. Just as she's about to give up all hope of marriage, she meets Rory, a charming Irish musician, and they fall in love. But Rory is a man with a secret, which he confesses to Bess when he asks for her hand: He's been married eight times before. Shocked, Bess embarks on a quest she feels she must undertake before she can give him an answer. With her long-married, bickering grandparents, her neighbor (himself a mystery), a shar-pei named Stella, and a mannequin named Peace, Bess sets out on a cross-country journey—unbeknownst to Rory—to seek out and question the wives who came before. What she discovers about herself and her own past is far more than she bargained for.

The Ninth Metal Apr 21 2022 "[In *THE NINTH METAL*] debris from a comet drops a fabulously valuable new metal on Northfall, MN., turning it into a bloody, brawling boomtown. Great characters, fine writing, totally engrossing." —Stephen King "Take one part dystopia, one part sci-fi, two parts apocalypse, then ride them roughshod through a bleak and bloody western, and it still wouldn't get close to what Ben Percy does here, which is blow open the core of humanity's dark heart." —Marlon James, Booker Prize award-winning author of *Black Leopard, Red Wolf* "Whether you choose to think of him as the Elmore Leonard of rural Minnesota or the Stephen King of Science Fiction, Ben Percy—with his extraordinary and unrelenting eye—dishes up humanity like some kind of otherworldly blue plate special, at once deeply familiar and wildly new." —Margaret Stohl, #1 New York Times best-selling author of the *Caster Chronicles* "When Benjamin Percy publishes a novel, I have got to read that novel. *The Ninth Metal* continues his streak of thrilling, incisive genre bending goodness. It's a sci-fi novel, a crime novel and a super-hero novel, too. Audacious and intelligent and exactly what I was dying to read." —Victor LaValle, author of *The Changeling* *IT BEGAN WITH A COMET*... At first, people gazed in wonder at the radiant tear in the sky. A year later, the celestial marvel became a planetary crisis when Earth spun through the comet's debris field and the sky rained fire. The town of Northfall, Minnesota will never be the same. Meteors cratered hardwood forests and annihilated homes, and among the wreckage a new metal was discovered. This "omnimetal" has properties that make it world-changing as an energy source...and a weapon. John Frontier—the troubled scion of an iron-ore dynasty in Northfall—returns for his sister's wedding to find his family embroiled in a cutthroat war to control mineral rights and mining operations. His father rightly suspects foreign leaders and competing corporations of sabotage, but the greatest threat to his legacy might be the US government. Physicist Victoria Lennon was recruited by the Department of Defense to research omnimetal, but she finds herself trapped in a laboratory of nightmares. And across town, a rookie cop is investigating a murder that puts her own life in the crosshairs. She will have to compromise her moral code to bring justice to this now lawless community. In this gut-punch of a novel, the first in his *Comet Cycle*, Ben Percy lays bare how a modern-day goldrush has turned the middle of nowhere into the center of everything, and how one family—the Frontiers—hopes to control it all.

The Ninth Star May 30 2020 DO NOT DOUBT - DO NOT QUESTION - DO NOT LOVE As a child, they took her from her parents. At eighteen, they will choose her profession. At twenty one, they will marry her to a stranger. At twenty three, they will grant her a single child. Lark Finisterre's life under the benevolent Authority is perfect. Free of worries, free of choice, she knows that she is safe. She knows she should be happy. But she doesn't know the truth. Lark does not remember Earth, but that has never stopped her dreaming of it. She was born in Icenii, a shielded colony on the planet Meer, light years away from the war ravaged home world of her ancestors, but like all citizens she has grown up with a hope one day to return. For all of her seventeen years she has followed the rules and precepts of the Authority, obedient and unquestioning in her loyalty. Until now. On the once peaceful colony, things are beginning to go wrong and when her best friend disappears Lark will find herself dragged into dangers she could never have imagined. For beneath Icenii's perfection lies a terrible secret: At the heart of its peace, a terrible lie. With the help of Ander, a mysterious survivor shipped from Earth, Lark will discover the truth - a truth that could set her free or destroy her world forever. The beginning of a brand new YA trilogy, perfect for fans of dystopian and science fiction What readers have been saying about *The Ninth Star*: 'A gripping dystopian page turner. You will not see that ending coming!' 'Clever plot lines which keep the pages turning at a rapid rate.' 'Such a brilliant book. I was gripped from the first page.' 'A proper page turner. I couldn't put it down!'

The Eagle of the Ninth Nov 04 2020 *The Ninth Legion* marched into the mists of Northern Britain—and they were never seen again. Four thousand men disappeared and their eagle standard was lost. It's a mystery that's never been solved, until now . . . Marcus has to find out what happened to his father, who led the legion. So he sets out into the unknown, on a quest so dangerous that nobody expects him to return.

The Once and Future Witches Jun 11 2021 "A gorgeous and thrilling paean to the ferocious power of women. The characters live, bleed, and roar." —Laini Taylor, New York Times bestselling author A NEW YORK TIMES BESTSELLER • Winner of the British Fantasy Award for Best Fantasy Novel • Named One of the Best Books of the Year by NPR Books • Barnes and Noble • BookPage In the late 1800s, three sisters use witchcraft to change the course of history in this powerful novel of magic, family, and the suffragette movement. In

1893, there's no such thing as witches. There used to be, in the wild, dark days before the burnings began, but now witching is nothing but tidy charms and nursery rhymes. If the modern woman wants any measure of power, she must find it at the ballot box. But when the Eastwood sisters—James Juniper, Agnes Amaranth, and Beatrice Belladonna—join the suffragists of New Salem, they begin to pursue the forgotten words and ways that might turn the women's movement into the witch's movement. Stalked by shadows and sickness, hunted by forces who will not suffer a witch to vote—and perhaps not even to live—the sisters will need to delve into the oldest magics, draw new alliances, and heal the bond between them if they want to survive. There's no such thing as witches. But there will be. An homage to the indomitable power and persistence of women, *The Once and Future Witches* reimagines stories of revolution, motherhood, and women's suffrage—the lost ways are calling. Praise for *The Once and Future Witches*: "A glorious escape into a world where witchcraft has dwindled to a memory of women's magic, and three wild, sundered sisters hold the key to bring it back...A tale that will sweep you away."—Yangsze Choo, *New York Times* bestselling author "This book is an amazing bit of spellcraft and resistance so needed in our times, and a reminder that secret words and ways can never be truly and properly lost, as long as there are tongues to speak them and ears to listen."—P. Catechism of the Catholic Church Apr 28 2020 Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

Stung Apr 09 2021 When the honeybee population disappears and a pandemic sweeps across the planet, the government tried a bio-engineered cure even deadlier than the problem. Branded with the mark of the vaccine, Fiona must navigate this new dystopian world. But there's no cure for being stung. . . Fiona doesn't remember going to sleep. But when she opens her eyes, she discovers her entire world has been altered—her house is abandoned and broken, and the entire neighborhood is barren and dead. Even stranger is the tattoo on her right wrist—a black oval with five marks on either side—that she doesn't remember getting but somehow knows she must cover at any cost. And she's right. When the honeybee population collapsed, a worldwide pandemic occurred and the government tried to bio-engineer a cure. Only the solution was deadlier than the original problem—the vaccination turned people into ferocious, deadly beasts who were branded as a warning to un-vaccinated survivors. Key people needed to rebuild society are protected from disease and beasts inside a fortress-like wall. But Fiona has awakened branded, alone—and on the wrong side of the wall . . . The Ninth Hour Jul 24 2022 A magnificent new novel from one of America's finest writers—a powerfully affecting story spanning the twentieth century of a widow and her daughter and the nuns who serve their Irish-American community in Brooklyn. On a dim winter afternoon, a young Irish immigrant opens a gas tap in his Brooklyn tenement. He is determined to prove—to the subway bosses who have recently fired him, to his pregnant wife—that “the hours of his life . . . belonged to himself alone.” In the aftermath of the fire that follows, Sister St. Saviour, an aging nun, a Little Nursing Sister of the Sick Poor, appears, unbidden, to direct the way forward for his widow and his unborn child. In Catholic Brooklyn in the early part of the twentieth century, decorum, superstition, and shame collude to erase the man's brief existence, and yet his suicide, though never spoken of, reverberates through many lives—testing the limits and the demands of love and sacrifice, of forgiveness and forgetfulness, even through multiple generations. Rendered with remarkable delicacy, heart, and intelligence, Alice McDermott's *The Ninth Hour* is a crowning achievement of one of the finest American writers at work today.

The Relentless Moon Feb 07 2021 Finalist 2021 Hugo Award for Best Novel! Finalist 2021 Hugo Award for Best Series! A 2021 Locus Award Finalist! Mary Robinette Kowal continues her Hugo and Nebula award-winning *Lady Astronaut* series, following *The Calculating Stars* and *The Fated Sky*, with *The Relentless Moon*. The Earth is coming to the boiling point as the climate disaster of the Meteor strike becomes more and more clear, but the political situation is already overheated. Riots and sabotage plague the space program. The IAC's goal of getting as many people as possible off Earth before it becomes uninhabitable is being threatened. Elma York is on her way to Mars, but the Moon colony is still being established. Her friend and fellow Lady Astronaut Nicole Wargin is thrilled to be one of those pioneer settlers, using her considerable flight and political skills to keep the program on track. But she is less happy that her husband, the Governor of Kansas, is considering a run for President. The Ninth Decade Jun 30 2020 *The Ninth Decade* is a path-breaking and timely book on aging: the first to focus explicitly and at length on eighty-somethings, the fastest-growing demographic in the industrialized world. Covering eight years in lively six-month installments, Klaus tells a vivid story not only of his own ninth decade and survival routines, but also of his loving companion, Jackie, who is strikingly different from him in her physical well-being, practical outlook, sociable temperament, and vigorous workouts. Cameos of their octogenarian friends and relatives near and far add to a wide-ranging and revelatory portrayal of advanced aging, as do bios of notable octogenarians. The multi-year scope of his chronicle reveals the numerous physical and mental problems that arise during octogenarian life and how eighty-year-olds have dealt with those challenges. *The Ninth Decade* is a unique,

first-hand source of information for anyone in their sixties, seventies, or eighties, as well as for persons devoted to care of the aged. Though the challenges of octogenarian life often require specialized care, *The Ninth Decade* also shows the pleasures of it to be so special as to have inspired Lillian Hellman's paradoxical description of "longer life" as "the happy problem of our time."

The Ninth Step Mar 28 2020 "Milton is keeping a low profile in London when he meets Eddie Fabian. Fabian confesses that he is considering suicide, and that the reason for his depression was the abuse that he suffered as a child. Milton offers to help, but, before he can, Eddie is found dead in circumstances that Milton considers suspicious. And then events take a turn that no-one could have anticipated... Milton's attempted good deed becomes a quest to unveil corruption at the highest levels of government and murder at the dark heart of the criminal underworld. Milton is pulled back into the game, and that's going to have serious consequences for everyone who crosses his path" Publisher description.

Harrow the Ninth Sep 26 2022 Harrow the Ninth, an Amazon pick for Best SFF of 2020 and the New York Times and USA Today bestselling sequel to *Gideon the Ninth*, turns a galaxy inside out as one necromancer struggles to survive the wreckage of herself aboard the Emperor's haunted space station. Magicka Dec 25 2019 Four young Wizards are sent on a dangerous quest against a powerful enemy. Some day they may be legends. Right now, they're in way over their heads... The Wizards of Midgard channel the Eight Elements to perform astounding (and often destructive) feats of Magick. They are sworn to use their powers for good, never for evil - and only occasionally for the sheer fun of blowing things up. There have long been rumors of a mythical Ninth Element that grants ultimate power to the Wizard who masters it. The Order of Magick says there is no such thing. But when a mysterious Purple Wizard steals an ancient artifact that just may be a key to unlocking the (alleged) Ninth Element, the Order wants it back at any cost ... just in case. Naturally, they send four inexperienced student Wizards to do the job. To save the world, Davlo, Fafnir, Grimmir and Tuonetar must test their spells against deadly traps, barbaric foes, hordes of monsters, a fearsome giant and the awesome might of the Purple Wizard. But their most dangerous enemy may be one of their own... (Or not. Just saying it could be. No guarantees. You'll just have to read the book, won't you?)

Twinkle, Twinkle, "Killer" Kane Oct 15 2021 Billy Cutshaw, a former astronaut who fell into madness, lives in a large castle that is actually an insane asylum for military personnel. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Bottom of the Ninth May 10 2021 Fifty years ago, as baseball faced crises on and off the field, two larger-than-life figures took center stage, each on a quest to reinvent the national pastime In the late 1950s, baseball was under siege. Up-and-coming cities that wanted teams of their own were being rebuffed by the owners, and in response Congress was threatening to revoke the sport's antitrust exemption. These problems were magnified by what was happening on the field, as the New York Yankees were winning so often that true competition was vanishing in the American League. In *Bottom of the Ninth*, Michael Shapiro brings to life this watershed moment in baseball history. He shows how the legendary executive Branch Rickey saw the game's salvation in two radical ideas: the creation of a third major league—the Continental League—and the pooling of television revenues for the benefit of all. And Shapiro captures the audacity of Casey Stengel, the manager of the Yankees, who believed that he could bend the game to his wishes and remake how baseball was played. Their stories are interwoven with the on-field drama of pennant races and clutch performances, culminating in three classic World Series confrontations. As the tension built on and off the field, Rickey and Stengel would find themselves outsmarted and defeated by the team owners who held true backroom power—defeats that would diminish the game for decades to come. Shapiro's compelling narrative reaches its stunning climax in the seventh game of the 1960 World Series, when one swing of the bat heralds baseball's eclipse as America's number-one sport.
