Songs of America Jan 22 2022
NEW YORK TIMES

BESTSELLER • A celebration of American history through the music that helped to shape a nation, by Pulitzer Prize winner Jon Meacham and music superstar Tim McGraw "Jon Meacham and Tim McGraw form an irresistible duo—connecting us to music as an unsung force in our nation's history."—Doris Kearns Goodwin Through all the years of strife and triumph, America has been shaped not just by our elected leaders and our formal politics but also by our music—by the lyrics,

performers, and instrumentals that have helped to carry us through the dark days and to celebrate the bright ones. From “The Star-Spangled Banner” to “Born in the U.S.A.,” Jon Meacham and Tim McGraw take readers on a moving and insightful journey through eras in American history and the songs and performers that inspired us. Meacham chronicles our history, exploring the stories behind the songs, and Tim McGraw reflects on them as an artist and performer. Their perspectives combine to create a unique view of the role music has played in uniting and shaping a nation. Beginning with the battle hymns of the revolution, and taking us through songs from the defining events of the Civil War, the fight for women’s suffrage, the two world wars, the Great Depression, the civil rights movement, the Vietnam War, and into the twenty-first century, Meacham and McGraw explore the songs that defined generations, and the cultural and political climates

that produced them. Readers will discover the power of music in the lives of figures such as Harriet Tubman, Franklin Roosevelt, Eleanor Roosevelt, and Martin Luther King, Jr., and will learn more about some of our most beloved musicians and performers, including Marian Anderson, Elvis Presley, Sam Cooke, Aretha Franklin, Bob Dylan, Duke Ellington, Carole King, Bruce Springsteen, and more. Songs of America explores both famous songs and lesser-known ones, expanding our understanding of the scope of American music and lending deeper meaning to the historical context of such songs as “My Country, ’Tis of Thee,” “God Bless America,” “Over There,” “We Shall Overcome,” and “Blowin’ in the Wind.” As Quincy Jones says, Meacham and McGraw have “convened a concert in Songs of America,” one that reminds us of who we are, where we’ve been, and what we, at our best, can be.

The American Journey Aug

05 2020

U.S. History Oct 19 2021

Published by OpenStax

College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Experience History Sep 25 2019

Becoming America Jan 28

2020 The way we once learned history is now history.

Developed for students and instructors of the twenty-first century, *Becoming America* excites learners by connecting history to their experience of contemporary life. You can't travel back in time, but you can be transported, and *Becoming America* does so by expanding the traditional core of the U.S. survey to include the most contemporary scholarship on cultural, technological, and environmental transformations. At the same time, the program transforms the student learning experience through innovative technology that is at the forefront of the digital revolution. As a result, the *Becoming America* program makes it easier for students to grasp both the distinctiveness and the familiarity of bygone eras, and to think in a historically focused way about the urgent questions of our times.

measure performance and guide instruction.

Discovering Our Past Jul 28 2022

Becoming America May 02

2020 "We wrote *Becoming America* in and for a new century, inspired by recent shifts in historical scholarship and the interests and learning styles of a new generation of students. Today's students live in a world where cultural, technological, and environmental transformation are palpably experienced and keenly debated. Paralleling this reorientation, the topics of environmental change, religious ritual, mass communications, technological innovation, and popular entertainment have become central and compelling subjects of historians' research and teaching. *Becoming America* seamlessly weaves these fascinating dimensions of the past into the core narrative of American history to produce an account that we believe students will find exciting, memorable, and relevant"--
