A Country Doctor's Notebook Sep 11 2020 Originally published in 1925, 'A Country Doctor's Notebook' is part autobiography and part fiction collection of short stories by Mikhail Bulgakov—Soviet playwright, novelist, and short-story writer best known for his humor and penetrating satire. This records the author's experiences practicing in a small village hospital in Smolensk Governorate in revolutionary Russia between 1916 and 1918, originally published in installments in Russian medical journals, and later adapted into the British TV series starring Daniel Radcliffe and Jon Hamm. These stories chronicle the darkly comic adventures of a physician in rural 1917 Russia. Fresh from medical school in the winter of 1917, the young Dr. Bomgard assumes the role of the only doctor in a provincial Russian hospital. Dealing with cases ranging from the horrific to the hilarious to the surreal, Bomgard recounts his solitary time practicing medicine among the superstitious, uneducated, and deeply suspicious populace of his new town. He exhibits relentless patience and determination while fighting the daily uphill battle against the challenges of an inexperienced country doctor, including scouring ten textbooks at once, hours before a complicated surgery; dealing with patients who either refuse to take their medicine or take it all at once; and handling a colleague with a dangerous morphine addiction. Somehow, despite the near-constant chaos, Bomgard continues to focus on the life-affirming moments that make his efforts worth the uncertainty, isolation and lost sleep.

Stalin's Slave Ships Dec 15 2020 Between 1932 and 1953, a fleet of ordinary cargo ships was pressed into extraordinary service. The fleet's task was to relocate approximately one-million forced laborers to the Soviet Gulag in Kolyma, located along the Arctic Circle in far northeastern Siberia. Bollinger presents the often-horrific stories of the Gulag fleet and its passengers and reveals the unwitting role of

the United States government in the operation.

Attached Aug 11 2020 "Over a decade after its publication, one book on dating has people firmly in its grip." —The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

War and Peace and War Mar 06 2020 Argues that the key to the formation of an empire lies in a society's capacity for collective action, resulting from people banding together to confront a common enemy, and describing how the growth of empires leads to a growing dichotomy between rich and poor, increasing conflict instead of cooperation, and inevitable dissolution. Reprint. 25,000 first printing.

The Startup Owner's Manual Jun 01 2022 More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you: • Avoid the 9 deadly sins that destroy startups' chances for success • Use the Customer Development method to bring your business idea to life • Incorporate the Business Model Canvas as the organizing principle for startup hypotheses • Identify your customers and determine how to "get, keep and grow" customers profitably • Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

A Marriage Under the Terror Jan 04 2020 Aline de Rochambeau's move to Paris is doomed since the day she left her convent to marry her fiancé Vicomte Selincourt, a man of dubious nature. France is getting restless and violent under the penumbra of the forthcoming Revolution, and Aline's aristocratic background makes her a huge suspect. Luckily Jacques Dangeau, a young Republican, takes a fancy to her and marries her to save her from the threat of an imminent arrest. But can the two poles ever meet? Will Aline be able to reciprocate Jacques' love? Will Jacques be able to accept Aline as she is?_x000D_ Excerpt:_x000D_ It was high noon on a mid-August morning of the year 1792, but Jeanne, the waiting-maid, had only just set the coffee down on the small table within the ruelle of Mme de Montargis' magnificent bed. Great ladies did not trouble themselves to rise too early in those days, and a beauty who has been a beauty for twenty years was not more anxious than now to face the unflattering freshness of the morning air. Laure de Montargis stirred in the shadow of her brocaded curtains, put out a white hand for the cup, sipped from it, murmured that the coffee was cold, and pushed it from her with a fretful exclamation that made Jeanne frown as she drew the tan-coloured curtains and let in the mid-day glare....

Manual of Cultivated Plants; a Flora for the Identification of the Most Common Or Significant Species of Plants Grown in the Continental United States and Canada Dec 27 2021

Village Life in Late Tsarist Russia Feb 14 2021 Ò . . . a marvelous source for the social history of Russian peasant society in the years before the revolution. . . . The translation is superb. Ó Ñ Steven Hoch Ò . . . one of the best ethnographic portraits that we have of the Russian village. . . . a highly readable text that is an excellent introduction to the world of the Russian peasantry. Ó Ñ Samuel C. Ramer Village Life in Late Tsarist Russia provides a unique firsthand portrait of peasant family life as recorded by Olga Semyonova Tian-Shanskaia, an ethnographer and painter who spent four years at the turn of the twentieth century observing the life and customs of villagers in a central Russian province. Unusual in its awareness of the rapid changes in the Russian village in the late nineteenth century and in its concentration on the treatment of women and children, Semyonova's ethnography vividly describes courting rituals, marriage and sexual practices, childbirth, infanticide, child-rearing practices, the lives of women, food and drink, work habits, and the household economy. In contrast to a tradition of rosy, romanticized descriptions of peasant communities by Russian upper-class observers, Semyonova gives an unvarnished account of the harsh living conditions and often brutal relationships within peasant families.

Applied Corporate Finance, 4th Edition Jun 08 2020 Aswath Damodaran, distinguished author, Professor of Finance, and David Margolis, Teaching Fellow at the NYU Stern School of Business, have delivered the newest edition of Applied Corporate Finance. This readable text provides the practical advice students and practitioners need rather than a sole concentration on debate theory, assumptions, or models. Like no other text of its kind, Applied Corporate Finance, 4th Edition applies corporate finance to real companies. It now contains six real-world core companies to study and follow. Business decisions are classified for students into three groups: investment, financing, and dividend decisions.

Confidence Man Oct 01 2019 The instant #1 New York Times bestseller. "This is the book Trump fears most." - Axios "Will be a primary source about the most vexing president in American history for years to come." - Joe Klein, The New York Times "A uniquely illuminating portrait." - Sean Wilentz, The Washington Post "[A] monumental look at Donald Trump and his presidency." — David Shribman, Los Angeles Times From the Pulitzer-Prize-winning New York Times reporter who has defined Donald J. Trump's presidency like no other journalist, Confidence Man is a magnificent and disturbing reckoning that chronicles his life and its meaning from his rise in New York

City to his tortured post-presidency. Few journalists working today have covered Donald Trump more extensively than Maggie Haberman. And few understand him and his motivations better. Now, demonstrating her majestic command of this story, Haberman reveals in full the depth of her understanding of the 45th president himself, and of what the Trump phenomenon means. Interviews with hundreds of sources and numerous interviews over the years with Trump himself portray a complicated and often contradictory historical figure. Capable of kindness but relying on casual cruelty as it suits his purposes. Pugnacious. Insecure. Lonely. Vindictive. Menacing. Smarter than his critics contend and colder and more calculating than his allies believe. A man who embedded himself in popular culture, galvanizing support for a run for high office that he began preliminary spadework for 30 years ago, to ultimately become a president who pushed American democracy to the brink. The through-line of Trump's life and his presidency is the enduring question of what is in it for him or what he needs to say to survive short increments of time in the pursuit of his own interests. *Confidence Man* is also, inevitably, about the world that produced such a singular character, giving rise to his career and becoming his first stage. It is also about a series of relentlessly transactional relationships. The ones that shaped him most were with girlfriends and wives, with Roy Cohn, with George Steinbrenner, with Mike Tyson and Don King and Roger Stone, with city and state politicians like Robert Morgenthau and Rudy Giuliani, with business partners, with prosecutors, with the media, and with the employees who toiled inside what they commonly called amongst themselves the "Trump Disorganization." That world informed the one that Trump tried to recreate while in the White House. All of Trump's behavior as President had echoes in what came before. In this revelatory and newsmaking book, Haberman brings together the events of his life into a single mesmerizing work. It is the definitive account of one of the most norms-shattering and consequential eras in American political history.

The Last Empire Oct 13 2020 On Christmas Day, 1991, President George H. W. Bush addressed the nation to declare an American victory in the Cold War: earlier that day Mikhail Gorbachev had resigned as the first and last Soviet president. The enshrining of that narrative, one in which the end of the Cold War was linked to the disintegration of the Soviet Union and the triumph of democratic values over communism, took center stage in American public discourse immediately after Bush's speech and has persisted for decades -- with disastrous consequences for American standing in the world. As prize-winning historian Serhii Plokhy reveals in *The Last Empire*, the collapse of the Soviet Union was anything but the handiwork of the United States. On the contrary, American leaders dreaded the possibility that the Soviet Union -- weakened by infighting and economic turmoil -- might suddenly crumble, throwing all of Eurasia into chaos. Bush was firmly committed to supporting his ally and personal friend Gorbachev, and remained wary of nationalist or radical leaders such as recently elected Russian President Boris Yeltsin. Fearing what might happen to the large Soviet nuclear arsenal in the event of the union's collapse, Bush stood by Gorbachev as he resisted the growing independence movements in Ukraine, Moldova, and the Caucasus. Plokhy's detailed, authoritative account shows that it was only after the movement for independence of the republics had gained undeniable momentum on the eve of the Ukrainian vote for independence that fall that Bush finally abandoned Gorbachev to his fate. Drawing on recently declassified documents and original interviews with key participants, Plokhy presents a bold new interpretation of the Soviet Union's final months and argues that the key to the Soviet collapse was the inability of the two largest Soviet republics, Russia and Ukraine, to agree on the continuing existence of a unified state. By attributing the Soviet collapse to the impact of American actions, US policy makers overrated their own capacities in toppling and rebuilding foreign regimes. Not only was the key American role in the demise of the Soviet Union a myth, but this misplaced belief has guided -- and haunted -- American foreign policy ever since.

Lifeline Mar 18 2021 About the Book: Teesha, an ambitious marketing workaholic, who is still battling the scars of her previous relationship, and Akhil, a consultant and an ace at his job, go through an internal battle, trying to defeat the demons of office politics and boost their respective careers. Will they be able to overcome the challenges that destiny has thrown at them in return for their hard work? Pulled into the drudgery of the brutal corporate world, will they be able to lead happy and content lives? Will love find a way into their lives? Rati, a single mother and a freelancer, decides to launch a mobile application. Will she be successful in her startup venture and get the social identity she craved for? Will she gain acceptance as a single mother? *Lifeline* is a story of love, friendship, money, office politics and startups. It is a story of survival and portrays love, care and respect revolving around myriad relationships and situations that we encounter in our lives. An avid reader, he relishes the wisdom and the imaginative world bestowed on him by renowned authors. Writing is an immersive experience for him, allowing him to put down his deepest thoughts on paper, and liberating him in the process. He draws inspiration from people around him as well as nature. He likes sarcasm and crafting characters, and also blogs at <http://yourlifemirror.in>. His Insta-handle is @chetan.m11 while his Facebook page is <http://fb.me/chetanmaheshwari11>. In the past, he has worked for automotive companies such as Harley- Davidson and Cummins. Currently, he works in Aerospace industry, and lives with his wife and son in Bangalore

The Hothouse and Greenhouse Manual, Or, Botanical Cultivator Feb 26 2022

A Gentleman in Moscow Apr 30 2022 The mega-bestseller with more than 2 million readers, soon to be a Showtime/Paramount series starring Ewan McGregor as Count Alexander Rostov From the #1 New York Times-bestselling author of *The Lincoln Highway* and *Rules of Civility*, a beautifully transporting novel about a man who is ordered to spend the rest of his life inside a luxury hotel In 1922, Count Alexander Rostov is deemed an unrepentant aristocrat by a Bolshevik tribunal, and is sentenced to house arrest in the Metropol, a grand hotel across the street from the Kremlin. Rostov, an indomitable man of erudition and wit, has never worked a day in his life, and must now live in an attic room while some of the most tumultuous decades in Russian history are unfolding outside the hotel's doors. Unexpectedly, his reduced circumstances provide him entry into a much larger world of emotional discovery. Brimming with humor, a glittering cast of characters, and one beautifully rendered scene after another, this singular novel casts a spell as it relates the count's endeavor to gain a deeper understanding of what it means to be a man of purpose.

Paper Towns Nov 13 2020 Quentin Jacobson has spent a lifetime loving Margo Roth Spiegelman from afar. So when she cracks open a window and climbs into his life - dressed like a ninja and summoning him for an ingenious campaign of revenge - he follows. After their all-nighter ends, Q arrives at school to discover that Margo has disappeared.

Corporate Governance in Russia Jul 10 2020 Given the past decade of abuse of shareholder rights, corporate governance is essential for Russia's future. In this comprehensive volume, an international group of contributors - academics, corporate executives, government officials, policymakers, specialists from nongovernmental organizations, and legal experts - examine the crucial role of corporate governance as well as the external institutions and forces that affect it. Offering coverage from numerous perspectives, the contributors explore external and institutional influences on corporate governance, its workings within corporations, and the relationships between boards of directors, managers, shareholders, and the government. Case studies of three major companies illustrate the challenges and

opportunities involved in creating sound practices. The concluding section provides a summary of the current situation and discusses implications for the future of Russia's corporate governance. A valuable source of information, Corporate Governance in Russia is a must-read for business people, government officials, academic researchers, students, and all those interested in Russia and what the future holds.

A Manual of Domestic Economy, suited to families spending from £100 to £1000 a year ... Second edition May 20 2021

Dead Doubles Dec 03 2019 The astonishing but true story of one of the most notorious spy cases from the Cold War—and the international manhunt that seized global attention as it revealed the shadowy world of deep cover KGB operatives. The dramatic arrest in London on January 7, 1961 of five Soviet spies made headlines worldwide and had repercussions around the globe. Alerted by the CIA, Britain's security service, MI5, had discovered two British spies stealing invaluable secrets from the highly sensitive submarine research center at Portland, UK. Their controller, Gordon Lonsdale, was a Canadian who frequently visited a middle-aged couple, the Krogers, in their sleepy London suburb. But the seemingly unassuming Krogers were revealed to be deep cover American KGB spies—infamous undercover agents the FBI had been hunting for years—and they were just one part of an extensive network of Soviet operatives in the UK. In the wake of the spies' sensational trial, the FBI uncovered the true identity of the enigmatic Lonsdale—Konon Molody, a Russian who had lived in California before being recruited by the KGB. Molody opened secret talks with MI5 to betray Russia, but before he had the chance, the KGB blackmailed Britain into spy swaps for him and the Krogers. Based on revelatory, newly-released archival material and inside sources from around the world, *Dead Doubles* follows the hunt for the highly damaging Portland Spy Ring. As gripping as a *Le Carré* novel, this incredible narrative, layered with false identities, deceptions, and betrayal, crisscrosses from the UK to the USSR to the US, Canada, Europe and New Zealand, and brings to life one of the most extraordinary spy stories of the Cold War.
