[A Holly Jolly Diwali](#) Aug 17 2021 "Lalli's prose is deft, her characters are delightful and her book is the just-right holiday romance."--USA Today One type-A data analyst discovers her free-spirited side on an impulsive journey from bustling Mumbai to the gorgeous beaches of Goa and finds love waiting for her on Christmas morning. Twenty-nine-year-old Niki Randhawa has always made practical decisions. Despite her love for music and art, she became an analyst for the stability. She's always stuck close to home, in case her family needed her. And she's always dated guys that seem good on paper, rather than the ones who give her butterflies. When she's laid off, Niki realizes that practical hasn't exactly paid off for her. So for the first time ever, she throws caution to the wind and books a last-minute flight for her friend Diya's wedding. Niki arrives in India just in time to celebrate Diwali, the festival of lights, where she meets London musician Sameer Mukherji. Maybe it's the splendor of Mumbai or the magic of the holiday season, but Niki is immediately drawn to Sam. At the wedding, the champagne flows and their flirtatious banter makes it clear that the attraction is mutual. When Niki and Sam join Diya, her husband and their friends on a group honeymoon, their connection grows deeper. Free-spirited Sam helps Niki get in touch with her passionate and creative side, and with her Indian roots. When she gets a new job offer back home, Niki must decide what she wants out of the next chapter of her life—to cling to the straight and narrow like always, or to take a leap of faith and live the kind of bold life the old Niki never would have dreamed of.

[Light Art. Ediz. italiana e inglese](#) Dec 21 2021 Light art is a field in contemporary art that uses artificial light as its primary expressive tool. This volume examines how investigation into the chromatic values of light has been carried out throughout the history of art from its very beginning until its most recent developments. The book features an interview with James Turrell, the American artist unanimously considered the greatest master of light art. The second section is devoted to the Targetti Light Art Collection, one of the world's most prestigious collections of artificial light. The images and descriptions of each work are accompanied by critical texts on the artists. The book includes works by artists such as Olafur Eliasson, Gilberto Zorio, Anne and Patrick Poirier, Fabrizio Plessi and Hidetoshi Nagasawa, as well as emerging talents.

[StarCraft: Evolution](#) Jun 02 2020 An action-packed novel that ushers in a new age of adventure in the critically acclaimed StarCraft series from Blizzard Entertainment The #1 New York Times bestselling author of Thrawn pens the latest chapter in the stunning StarCraft saga, building on the game's rich legacy to create an unforgettable new story. After nearly a decade of brutal warfare, three mighty factions—the enigmatic protoss, the savage zerg, and the terrans, humanity's descendants in the sector—have entered a cease-fire, but the peace is tenuous at best. When the sudden restoration of an incinerated planet is brought to light, tensions erupt. Neutrality swings back to hostility, and old enemies are accused of developing biological weapons to reignite the bitter conflict. An expedition of terran and protoss soldiers and researchers is deployed to investigate the mysterious zerg planet and its inhabitants' intentions. But the lush alien landscape is host to other denizens, creatures shrouded in shadow, and should they be unleashed, they will change the fate of the entire galaxy.

Hot Girl Safari Mar 12 2021 These beautiful and sexy girls are dressed up to start you off with the most alluring dreams. A sensually seductive proof that highly erotic art doesn't need nudity to be breathtakingly sexy. (Special non-nude edition that satisfies correctional facilities requirements.)

Dory Fantasmagory May 02 2020 Move over, Junie B. Jones and Ivy & Bean! Here comes a lovably energetic little sister with a BIG personality—and an imagination to match! As the youngest in her family, Dory really wants attention, and more than anything she wants her brother and sister to play with her. But she's too much of a baby for them, so she's left to her own devices—including her wild imagination and untiring energy. Her siblings may roll their eyes at her childish games, but Dory has lots of things to do: outsmarting the monsters all over the house, moving into the closet, and exacting revenge on her sister's favorite doll. And when they really need her, daring Dory will prove her bravery, and finally get exactly what she has been looking for. With plenty of pictures bursting with charm and character, this hilarious book about an irresistible rascal is the new must-read for the chapter book set.

The Sleep Book Oct 26 2019 NEW UPDATED VERSION NOW SUITABLE FOR ALL DEVICES A third of the population sleep badly, but now THE SLEEP BOOK's revolutionary five-week plan means that you don't have to be one of them. Using a blend of mindfulness and new ACT therapy techniques, Dr Guy shares his unique five-week plan to cure your sleep problem whether it's a few restless nights or a lifetime of insomnia. Most people who have trouble sleeping invest a huge amount of time, effort and money into fixing the problem, but Dr Guy has discovered the secret lies not in what you do, but what you learn not to do. In fact, as you will have discovered, the more frustrated you become only serves to push sleep further away. Dr Guy's pioneering methods at The Sleep School clinic have been an unprecedented success. By popular demand, his highly effective and 100% natural insomnia remedy is now here in this book. THE SLEEP BOOK is the sum of a doctorate degree in sleep and well over 12,000 hours spent working with more than 2,000 insomniacs in one-to-one clinics, workshops and retreat environments. Say goodbye to the vicious cycle of sleepless nights. Sleep well, maintain a positive outlook and restore the quality of life you deserve - for good.

Five Moral Pieces Sep 05 2020 In this prescient essay collection, the acclaimed author of Foucault's Pendulum examines the cultural trends and perils at the dawn of the 21st century. In the last decade of the 20th century, Umberto Eco saw an urgent need to embrace tolerance and multiculturalism in the face of our world's ever-increasing interconnectivity. At a talk delivered during the first Gulf War, he points out the absurdity of armed conflict in a globalized economy where the flow of information is unstoppable and the enemy is always behind the lines. Elsewhere, he questions the influence of the news media and identifies its contribution to our collective disillusionment with politics. In a deeply personal essay, Eco recalls his boyhood experience of Italy's liberation from fascism. He then analyzes the universal elements of fascism, including the "cult of tradition" and a "suspicion of intellectual life." And finally, in an open letter to an Italian cardinal, Eco reflects on a question underlying all the reflections in the book: What does it mean to be moral or ethical when one doesn't believe in God? "At just 111 pages, Five Moral Pieces packs a philosophical wallop surprising in such a slender book. Or maybe not so surprising. Eco's prose here is beautiful."—January Magazine

Security for Web Services and Service-Oriented Architectures Jul 24 2019 Web services technologies are advancing fast and being extensively deployed in many different application environments. Web services based on the eXtensible Markup Language (XML), the Simple Object Access Protocol (SOAP), and related standards, and deployed in Service-Oriented Architectures (SOAs) are the key to Web-based interoperability for applications within and across organizations. Furthermore, they are making it possible to deploy applications that can be directly used by people, and thus making the Web a rich and powerful social interaction medium. The term Web 2.0 has been coined to embrace all those new collaborative applications and to indicate a new, "social" approach to generating and distributing Web content, characterized by open communication, decentralization of authority, and freedom to share and reuse. For Web services technologies to hold their promise, it is crucial that - curity of services and their interactions with users be assured. Confidentiality, integrity, availability, and digital identity management are all required. People need to be assured that their interactions with services over the Web are kept confidential and the privacy of their personal information is preserved. People need to be sure that information they use for looking up and selecting services is correct and its integrity is assured. People want services to be available when needed. They also require interactions to be convenient and personalized, in addition to being private. Addressing these requirements, especially when dealing with open distributed applications, is a formidable challenge.

The Wandering City Feb 29 2020 Many ancient tales tell of a legendary city appearing and disappearing in various regions of the world and at different times in history. It is known as the Wandering City and has been sighted in the North Pole, in the Caribbean, in the middle of the Amazon forest, in the Gobi Desert, in Europe, far and wide. The spirit of the city is influenced by the architectonic styles of the different cultures it visits and by the light of the many different skies. Inside this colouring book, discover the wonders of the Wandering City. Immerse yourself in the cityscapes designed with white and black inky outlines and make them shine with the light of the different seasons and regions: cold-blue northern nuances, wet and watery oceanic tones, hot southern colours and more. Play with the whimsical perspectives, blend in the parks and squares, decorate the intricate features and discover hidden elements in the amazing metropolis that embodies all the architectural styles and landscapes of the world.

One Fish Two Fish Red Fish Blue Fish Jul 28 2022 Count and explore the zany world and words of Seuss in this classic picture book. From counting to opposites to Dr. Seuss's signature silly rhymes, this book has everything a beginning reader needs! Meet the bumpy Wump and the singing Ying, and even the winking Yink who drinks pink ink. The silly rhymes and colorful cast of characters will have every child giggling from morning to night. From near to far from here to there, funny things are everywhere. Originally created by Dr. Seuss himself, Beginner Books are fun, funny, and easy to read. These unjacketed hardcover early readers encourage children to read all on their own, using simple words and illustrations. Smaller than the classic large format Seuss picture books like *The Lorax* and *Oh, the Places You'll Go!*, these portable packages are perfect for practicing readers ages 3-7, and lucky parents too!

Cambridge IGCSE® & O Level Complete Biology: Student Book Fourth Edition Sep 17 2021 The Cambridge IGCSE® & O Level Complete Biology Student Book is at the heart of delivering the course. It has been fully updated and matched to the latest Cambridge IGCSE (0610) & O Level (5090) Biology syllabuses, ensuring it covers all the content that students need to succeed. The Student Book is written by Ron Pickering, the experienced and trusted author of our previous, best-selling edition. It has been reviewed by subject experts globally to ensure it meets teachers' needs. The book offers a rigorous approach, with a light touch to make it engaging. Varied and flexible assessment-focused support and exam-style questions improve students' performance and help them to progress, while the enriching content equips learners for further study. The Student Book is available in print, online or via a great-value print and online pack. The supporting Exam Success Guide and Practical Workbook help students achieve top marks in their exams, while the Workbook, for independent practice, strengthens exam potential inside and outside the classroom.

Vivian Maier: The Color Work Aug 05 2020 The first definitive monograph of color photographs by American street photographer Vivian Maier. Photographer Vivian Maier's allure endures even though many details of her life continue to remain a mystery. Her story—the secretive nanny-photographer who became a pioneer photographer—has only been pieced together from the thousands of images she made and the handful of facts that have surfaced about her life. *Vivian Maier: The Color Work* is the largest and most highly curated published collection of Maier's full-color photographs to date. With a foreword by world-renowned photographer Joel Meyerowitz and text by curator Colin Westerbeck, this definitive volume sheds light on the nature of Maier's color images, examining them within the context of her black-and-white work as well as the images of street photographers with whom she clearly had kinship, like Eugene Atget and Lee Friedlander. With more than 150 color photographs, most of which have never been published in book form, this collection of images deepens our understanding of Maier, as its immediacy demonstrates how keen she was to record and present her interpretation of the world around her.

The Beatles: Get Back May 14 2021 The most anticipated book in more than a decade by the legendary band, *The Beatles: Get Back* is the official account of the creation of their final album, *Let It Be*, told in The Beatles' own words, illustrated with hundreds of previously unpublished images, including photos by Ethan A. Russell and Linda McCartney. Half a century after the 1970 *Let It Be* album and film, this milestone book coincides with the global release of Peter Jackson's documentary feature film, *The Beatles: Get Back*. The book opens in January 1969, the beginning of The Beatles' last year as a band. The BEATLES (*The White Album*) is at number one in the charts and the foursome gather in London for a new project. Over 21 days, first at Twickenham Film Studios and then at their own brand-new Apple Studios, with cameras and tape recorders documenting every day's work and conversations, the band rehearse a huge number of songs, culminating in their final concert, which famously takes place on the rooftop of their own office building, bringing central London to a halt. *The Beatles: Get Back* tells the story of those sessions through transcripts of the band's candid conversations. Drawing on over 120 hours of sound recordings, leading music writer John Harris edits the richly captivating text to give us a fly-on-the-wall experience of being there in the studios. These sessions come vividly to life through hundreds of unpublished, extraordinary images by two photographers who had special access to their sessions—Ethan A. Russell and Linda Eastman (who married Paul McCartney two months later). Also included are many unseen high-resolution film-frames, selected from the 55 hours of restored footage from which Peter Jackson's documentary is also drawn. Legend has it that these sessions were a grim time for a band falling apart. However, as acclaimed novelist Hanif Kureishi writes in his introduction, "In fact this was a productive time for them, when they created some of their best work. And it is here that we have the privilege of witnessing their early drafts, the mistakes, the drift and digressions, the boredom, the excitement, joyous jamming and sudden breakthroughs that led to the work we now know and admire." Half a century after their final performance, this book completes the story of the creative genius, timeless music, and inspiring legacy of The Beatles.
