My Turn Oct 29 2019 The former First Lady discusses her life, the Reagan administration, her shaky relationship with her children and key White House personnel, her husband's involvement in the Iran-Contra affair, and her bout with cancer. "During our White House years I said almost nothing about how I really felt regarding the controversies that swirled around me. . . . But now those years are over, and it's my turn to describe what happened. . . ." About Ronald Reagan: "Although Ronnie loves people, he often seems remote, and he doesn't let anybody get too close. There's a wall around him. He lets me come closer than anyone else, but there are times when even I feel that barrier." About being a mother: "What I wanted most in all the world was to be a good wife and mother. As things turned out, I guess I've been more successful at the first than at the second." About her influence: "I make no apologies for telling Ronnie what I thought. Just because you're married doesn't mean you have no right to express your opinions. For eight years I was sleeping with the president, and if that doesn't give you special access, I don't know what does." About astrology: "What it boils down to is that each person has his or her own ways of coping with trauma and grief, with the pain of life, and astrology was one of mine. Don't criticize me, I wanted to say, until you have stood in my place. This helped me. Nobody was hurt by it—except, possibly, me." About Don Regan: "His very first day on the job, Don said that he saw himself as the 'chief operating officer' of the country. But he was hired to be chief of staff. . . . Although I believed for a long

time that Donald Regan was in the wrong job, my 'power' in getting him to leave has been greatly exaggerated. Believe me, if I really were the dragon lady that he described in his book, he would have been out the door many months earlier."

The Memoirs of Elias Canetti Dec 24 2021 A compelling account of the development of a great artist, and a portrait of the tragic character of an entire era The uncompromising achievement of Elias Canetti has been matched by few writers this century. Canetti worked brilliantly in many forms, but the three volumes that comprise his autobiography are where his genius is perhaps most evident. The first volume, *The Tongue Set Free*, presents the events, personalities, and intellectual forces that fed Canetti's early creative development. *The Torch in My Ear* explores his admiration for the first great mentor of his adulthood, Karl Kraus, and also describes his first marriage. The final volume, *The Play of the Eyes*, is set in Vienna between 1931 and 1937, with the European catastrophe imminent; here he vividly portrays relationships with Hermann Broch and Robert Musil, among others.

Memoirs of a Book Thief May 29 2022 Paris in the 1950s: the reign of Sartre and existentialism. Daniel Brodin--bibliophile, book thief, self-proclaimed poet--enters the heated atmosphere of the Cafe Serbier, home of the Parisian literati. A poetry night is taking place and, when one luminary suggests giving the floor to an unknown, Daniel impulsively puts himself forward. Under pressure, he recites not one of his own surrealist poems but an obscure piece of Italian verse he's certain no one will know. It's plagiarism--but it's a triumph. At last, success. Daniel's recital marks his entrance into the Parisian avant-garde: a band of cultured rogues and pseudo-revolutionaries for whom life is a playground for art, and planning a robbery has as much value as writing a book. In this milieu, the wine is good and the girls are beautiful. But can success last if it is founded on plagiarism and theft?

Memoirs of Lorenzo Da Ponte Sep 01 2022 Plot and counterplot lie at the heart of Don Giovanni, Così fan tutte, and The Marriage of Figaro, the three brilliant libretti that Lorenzo Da Ponte prepared for Mozart. They were also central to Da Ponte's own extraordinary life. His Memoirs record a fantastic variety of romantic, political, and professional intrigues, and tell of meetings with a host of remarkable men. In a life that took him from the canals of Venice to the streets of New York, Da Ponte was at different times priest, professional gambler, proprietor of a bordello, political agitator, court poet, impresario, grocery store owner, and the first professor of Italian literature at Columbia University. His Memoirs, a minor classic of Italian literature, are the picaresque and engrossing story of a man of enormous talent and unsurpassed flair who was, above all, an indefatigable survivor. "I shall speak of things . . . so singular in their oddity as in some manner to instruct, or at least entertain, without wearying." —Lorenzo da Ponte

The Memoirs of a Survivor Jul 31 2022 In a beleaguered city where rats and roving gangs terrorize the streets, where government

has broken down and meaningless violence holds sway, a woman -- middle-aged and middle-class -- is brought a twelve-year-old girl and told that it is her responsibility to raise the child. This book, which the author has called "an attempt at autobiography," is that woman's journal -- a glimpse of a future only slightly more horrendous than our present, and of the forces that alone can save us from total destruction.

Stone Motel Aug 20 2021 In the summers of the early 1970s, Morris Ardoin and his siblings helped run their family's roadside motel in a hot, buggy, bayou town in Cajun Louisiana. The stifling, sticky heat inspired them to find creative ways to stay cool and out of trouble. When they were not doing their chores—handling a colorful cast of customers, scrubbing motel-room toilets, plucking chicken bones and used condoms from under the beds—they played canasta, an old ladies' game that provided them with a refuge from the sun and helped them avoid their violent, troubled father. Morris was successful at occupying his time with his siblings and the children of families staying in the motel's kitchenette apartments but was not so successful at keeping clear of his father, a man unable to shake the horrors he had experienced as a child and, later, as a soldier. The preteen would learn as he matured that his father had reserved his most ferocious attacks for him because of an inability to accept a gay or, to his mind, broken, son. It became his dad's mission to "fix" his son, and Morris's mission to resist—and survive intact. He was aided in his struggle immeasurably by the love and encouragement of a selfless and generous grandmother, who provides his story with much of its warmth, wisdom, and humor. There's also suspense, awkward romance, naughty French lessons, and an insider's take on a truly remarkable, not-yet-homogenized pocket of American culture.

Death Dealer Dec 12 2020 SS Kommandant Rudolph Höss (1900–1947) was history's greatest mass murderer, personally supervising the extermination of approximately two million people,

mostly Jews, at the death camp in Auschwitz, Poland. *Death Dealer* is a new, unexpurgated translation of Höss's autobiography, written before, during, and after his trial. This edition includes rare photos, the minutes of the Wannsee Conference (where the Final Solution was decided and coordinated), original diagrams of the camps, a detailed chronology of important events at Auschwitz-Birkenau, Höss's final letters to his family, and a new foreword by Auschwitz survivor Primo Levi. *Death Dealer* stands as one of the most important—and chilling—documents of the Holocaust.

Benjamin Graham, *the Memoirs of the Dean of Wall Street* Sep 08 2020 The author describes his childhood, education, and professional career in security analysis, and recounts what Wall Street was like in the roaring twenties

The Memoirs of Ethel Smyth Nov 30 2019 Dame Ethel Smyth (1858-1944) was an exceptional woman in an age rich in strong personalities. Best known for her opera *The Wreckers*, her music, long neglected, is gradually winning new friends. A feminist, intrepid traveller and sportswoman, she wrote nine volumes of autobiography, vividly recounting a life packed with incident. Aged nineteen, in the face of fierce opposition from her father, she went to Germany to study and 'plunged joyfully into the dear old sea of German music which surged about the feet of Brahms', befriending Schumann's widow, Clara, and the composer Heinrich von Herzogenberg and his wife, Lisl, the first of many women to whom Ethel was passionately attached. Her writings, abridged by Ronald Crichton, and including a catalogue of her music, are full of brilliant portraits - Brahms, Mahler, Beecham, Emmeline Pankhurst and Queen Victoria - all described in uncompromising detail. Numerous anecdotes range from hurling a brick through a cabinet minister's window, resulting in two months in Holloway prison - where she was observed, leaning through the bars, conducting her *March of the Women* with a toothbrush - to an Egyptian visit where she sought out a hermaphrodite in order to make an anatomical examination.

The Memoirs of Glückel of Hameln Oct 02 2022 Begun in 1690, this diary of a forty-four-year-old German Jewish widow, mother of fourteen children, tells how she guided the financial and personal destinies of her children, how she engaged in trade, ran her own factory, and promoted the welfare of her large family. Her memoir, a rare account of an ordinary woman, enlightens not just her children, for whom she wrote it, but all posterity about her life and community. Glückel speaks to us with determination and humor from the seventeenth century. She tells of war, plague, pirates, soldiers, the hysteria of the false messiah Sabbtai Zevi, murder, bankruptcy, wedding feasts, births, deaths, in fact, of all the human events that befell her during her lifetime. She writes in a matter of fact way of the frightening and precarious situation under which the Jews of northern Germany lived. Accepting this situation as given, she boldly and fearlessly promotes her business, her family and her faith. This memoir is a document in the history of women and of life in the seventeenth century.

Personal Memoirs of Ulysses S. Grant Jan 01 2020 Completed just days before his death and hailed by Mark Twain as "the most remarkable work of its kind since the Commentaries of Julius

Caesar," this is the now-legendary autobiography of ULYSSES SIMPSON GRANT (1822-1885), 18th president of the United States and the Union general who led the North to victory in the Civil War. Though Grant opens with tales of his boyhood, his education at West Point, and his early military career in the Mexican-American war of the 1840s, it is Grant's intimate observations on the conduct of the Civil War, which make up the bulk of the work, that have made this required reading for history students, military strategists, and Civil War buffs alike. This unabridged edition features all the material that was originally published in two volumes in 1885 and 1886, including maps, illustrations, and the text of Grant's July 1865 report to Washington on the state of the armies under his command.

Memoirs of a Geisha Jan 31 2020 This is a seductive and evocative epic on an intimate scale, which tells the extraordinary story of a geisha girl. Summoning up more than twenty years of Japan's most dramatic history, it uncovers a hidden world of eroticism and enchantment, exploitation and degradation. From a small fishing village in 1929, the tale moves to the glamorous and decadent heart of Kyoto in the 1930s, where a young peasant girl is sold as servant and apprentice to a renowned geisha house. She tells her story many years later from the Waldorf Astoria in New York; it exquisitely evokes another culture, a different time and the details of an extraordinary way of life. It conjures up the perfection and the ugliness of life behind rice-paper screens, where young girls learn the arts of the geisha - dancing and singing, how to wind the kimonok, how to walk and pour tea, and how to beguile the most powerful men.

Memoirs of a Parrot Jul 07 2020 Join a brilliant, but stubborn, parrot as he endures the banality of the pet store before being

purchased by an equally insufferable young man. But while things between parrot and owner get off to a rocky start, the delights of having a pet (or human) bring them both around in the end. From author Devin Scillian and illustrator Tim Bowers of the *Memoirs* series, this is sure to please fans new and old.

Memoirs of a Tortoise Jun 25 2019 Oliver the tortoise has had his human, Ike, for a very, very long time now. In fact, they're the same age--80 years old--and practically twins. They both enjoy the slowness of the garden, cool water from the hose on a hot day, and a nice slice of honeydew melon. But when Ike stops visiting the garden, Oliver wonders why his pet has left him so soon. So he makes the long journey to see his mother ten gardens away--she will certainly have the answer. This tender story from the author and illustrator that brought us *Memoirs of a Goldfish* reminds us to cherish all the days we have with our pets and loved ones.

The Memoirs of Hector Berlioz Mar 27 2022 Possibly the most colourful figure in the history of Western music, Hector Berlioz (1803â"1869) was certainly the most eloquent. His autobiography is among the greatest ever written. Larger than life â" like his massive works â" Berlioz was a seminal figure in the Romantic movement and his book is both a personal testament and an account of his role in that movement. It tells the story of his romance with Harriet Smithson â" with whom he fell in love when he saw her playing the part of Ophelia â" and his even more passionate affairs with Shakespeare, Scott and Byron. Familiar with all the great figures of the age â" Liszt, Wagner, Balzac, Delacroix, Weber, Rossini â" Berlioz paints brilliant and often mordant portraits of them in a style which is one of the glories of French prose. Above all, this is the intimate and detailed self-revelation of a complex and attractive man, driven by his creative urges to a position of lonely eminence. The *Memoirs of Hector Berlioz* were translated some years ago by David Cairns now famous himself as the composerâ(tm)s finest biographer. For the Everyman edition he has

completely revised the text, and the extensive notes which accompany it, to take account of the latest research.

The Memoirs of Two Young Wives May 17 2021 Two very intelligent, very idealistic young women leave the convent school where they became the fastest of friends to return to their families and embark on their new lives. For Renée de Maucombe, this means an arranged marriage with a country gentleman of Provence, a fine if slightly dull man for whom she feels admiration but nothing more. Meanwhile, Louise de Chaulieu makes for her family's house in Paris, intent on enjoying her freedom to the fullest: glittering balls, the opera, and above all, she devoutly hopes, the torments and ecstasies of true love and passion. What will come of these very different lives? Despite Honoré de Balzac's title, these aren't memoirs; rather, this is an epistolary novel. For some ten years, these two will—enthusiastically if not always faithfully—keep up their correspondence, obeying their vow to tell each other every tiny detail of their strange new lives, comparing their destinies, defending and sometimes bemoaning their choices, detailing the many changes, personal and social, that they undergo. As Balzac writes, “Renée is reason...Louise is wildness...and both will lose.” Balzac being Balzac, he seems to argue for the virtues of one of these lives over the other; but Balzac being Balzac, that argument remains profoundly ambiguous. “I would,” he once wrote, “rather be killed by Louise than live a long life with Renée.”

The Memoirs of Lord Gladwyn Mar 03 2020

Memoirs of Montparnasse Jun 29 2022 *Memoirs of Montparnasse* is a delicious book about being young, restless, reckless, and without cares. It is also the best and liveliest of the many chronicles of 1920s Paris and the exploits of the lost generation. In 1928, nineteen-year-old John Glassco escaped Montreal and his overbearing father for the wilder shores of Montparnasse. He remained there until his money ran out and his health collapsed, and he enjoyed every minute of his stay. Remarkable for their candor

and humor, Glassco's memoirs have the daft logic of a wild but utterly absorbing adventure, a tale of desire set free that is only faintly shadowed by sadness at the inevitable passage of time.

The Memoirs of Cleopatra Jul 19 2021 Bestselling novelist Margaret George brings to life the glittering kingdom of Cleopatra, Queen of the Nile, in this lush, sweeping, and richly detailed saga.

Told in Cleopatra's own voice, *The Memoirs of Cleopatra* is a mesmerizing tale of ambition, passion, and betrayal in the ancient Egyptian world, which begins when the twenty-year-old queen seeks out the most powerful man in the world, Julius Caesar, and does not end until, having survived the assassination of Caesar and the defeat of the second man she loves, Marc Antony, she plots her own death rather than be paraded in triumph through the streets of Rome. Most of all, in its richness and authenticity, it is an irresistible story that reveals why Margaret George's work has been widely acclaimed as "the best kind of historical novel, one the reader can't wait to get lost in." (San Francisco Chronicle).

Harem Years Mar 15 2021 In this rare first-hand account of the private world of a Cairo harem during the years before Egypt declared independence in 1922, Shaarawi recalls her childhood and early adult life in the seclusion of an upper-class Egyptian household, including her marriage at age thirteen. Her subsequent separation from her husband gave her time for an extended formal education, as well as an unexpected taste of independence and a critical understanding of the price of confinement. Shaarawi's feminist activism grew along with her involvement in Egypt's nationalist struggle and culminated in 1923 in a daring act of defiance, when she publicly removed her veil in a Cairo railroad station.

Memoirs Nov 10 2020 Before his spectacular career as General of the Union forces, William Tecumseh Sherman experienced decades of failure and depression. Drifting between the Old South and new West, Sherman witnessed firsthand many of the critical events of early nineteenth-century America: the Mexican War, the gold rush, the banking panics, and the battles with the Plains Indians. It wasn't until his victory at Shiloh, in 1862, that Sherman assumed his legendary place in American history. After Shiloh, Sherman sacked Atlanta and proceeded to burn a trail of destruction that split the Confederacy and ended the war. His strategy forever changed the

nature of warfare and earned him eternal infamy throughout the South. Sherman's Memoirs evoke the uncompromising and deeply complex general as well as the turbulent times that transformed America into a world power. This Penguin Classics edition includes a fascinating introduction and notes by Sherman biographer Michael Fellman.

Memoirs of an Amnesiac Apr 15 2021

The Memoirs of Sherlock Holmes Jun 05 2020 The Memoirs of Sherlock Holmes are overshadowed by the event with which they close - the meeting of the great detective and Moriarty, the Napoleon of Crime. Their struggle, seemingly to the death, was to leave many readers desolate at the loss of Holmes, but was also to lead to his immortality as a literary figure. However illogical as a detective story, 'The final Problem' has proved itself an unforgettable tale. The stories that precede it included two narratives from Holmes himself, on a mutiny at sea and a treasure hunt in a Sussex country house, as well as a meeting with his brilliant brother Mycroft, of whom Holmes says, 'If the art of the detective began and ended in reasoning from any armchair, my brother would be the greatest criminal agent that ever lived.'

The Memoirs of Stockholm Sven Jun 17 2021 In this "briskly entertaining" (New York Times Book Review), "transporting and wholly original" (People Magazine) novel, one man banishes himself to a solitary life in the Arctic Circle, and is saved by good friends, a loyal dog, and a surprise visit that changes everything. In 1916, Sven Ormson leaves a restless life in Stockholm to seek adventure in Svalbard, an Arctic archipelago where darkness reigns four months of the year and he might witness the splendor of the Northern Lights one night and be attacked by a polar bear the next. But his time as a miner ends when an avalanche nearly kills him, leaving him disfigured, and Sven flees even further, to an uninhabited fjord. There, with the company of a loyal dog, he builds a hut and lives alone, testing himself against the elements. The

teachings of a Finnish fur trapper, along with encouraging letters from his family and a Scottish geologist who befriended him in the mining camp, get him through his first winter. Years into his routine isolation, the arrival of an unlikely visitor salves his loneliness, sparking a chain of surprising events that will bring Sven into a family of fellow castoffs and determine the course of the rest of his life. Written with wry humor and in prose as breathtaking as the stark landscape it evokes, *The Memoirs of Stockholm Sven* is a testament to the strength of our human bonds, reminding us that even in the most inhospitable conditions on the planet, we are not beyond the reach of love. #1 Indie Next Pick Finalist for the Vermont Book Award Longlisted for the Center for Fiction First Novel Prize
