Amelia Earhart Oct 19 2021 As a child, Amelia Earhart wondered why there were no heroines in her favorite adventure stories. She resolved to change that when she grew up. And so she did, becoming one of the pioneers of aviation. Not only was Amelia the first woman in the world to fly across the Atlantic Ocean, she was the first person to cross it twice. Her life became a great adventure story--and a mystery, too. In 1937, on an around-the-world flight, Amelia disappeared. Today, Amelia's courage and spirit remain an inspiration to everyone who flies or dreams of adventure.

Who Was Amelia Earhart? Oct 31 2022 Amelia Earhart was a woman of many "firsts." In 1932, she became the first woman to fly solo across the Atlantic Ocean. In 1935, she also became the first woman to fly across the Pacific. From her early years to her mysterious 1937 disappearance while attempting a flight around the world, readers will find Amelia Earhart's life a fascinating story.

Night Flight Dec 29 2019 An account of Amelia Earhart's dangerous 1932 flight across the Atlantic Ocean from Newfoundland to Ireland, in which she survived bad weather and a malfunctioning airplane. Includes a brief biography of the

aviator.

I Was Amelia Earhart Aug 29 2022 In this brilliantly imagined novel, Amelia Earhart tells us what happened after she and her navigator, Fred Noonan, disappeared off the coast of New Guinea one glorious, windy day in 1937. And she tells us about herself. There is her love affair with flying ("The sky is flesh") There are her memories of the past: her childhood desire to become a heroine ("Heroines did what they wanted") . . . her marriage to G.P. Putnam, who promoted her to fame, but was willing to gamble her life so that the book she was writing about her round-the-world flight would sell out before Christmas. There is the flight itself -- day after magnificent or perilous or exhilarating or terrifying day ("Noonan once said any fool could have seen I was risking my life but not living it"). And there is, miraculously, an island ("We named it Heaven, as a kind of joke"). And, most important, there is Noonan . . .

Amelia Earhart: The Turbulent Life of an American Icon Mar 12 2021 When Amelia Earhart disappeared over the Pacific in 1937, she was at the height of her fame. Fascination with Earhart remains just as strong today, as her mysterious disappearance continues to inspire speculation. In this nuanced and often surprising biography, acclaimed aviation historian Kathleen C. Winters moves beyond the caricature of the spunky, precocious pilot to offer a more complex portrait. Drawing on a wealth of contemporary accounts, airline records, and other original research, this book reveals a flawed heroine who was frequently reckless and lacked basic navigation skills, but who was also a canny manipulator of mass media. Winters details how Earhart and her husband, publisher George Putnam, worked to establish her as an international icon, even as other spectacular pilots went unnoticed. Sympathetic yet unsentimental, this biography helps us to see Amelia Earhart with fresh eyes.

Last Flight Jan 22 2022 Amelia Earhart's account of her ill-fated last flight around the world, begun in 1937, remains one of the most moving and absorbing adventure stories of all time. Last Flight compiles the letters, diary entries and charts that she sent to her husband, G.P. Putnam at each stage of her trip. In her own words, these dispatches offer a window into her experience on this ground-breaking journey and illustrate her cheerful, charming nature. Her story continues to intrigue and inspire people to this day.

Amelia Earhart Betrayed Apr 12 2021 This dramatic controversial novel is not your typical Amelia Earhart biography or dry report. Two expert pilots ask pivotal questions and provide valuable pieces to the 75 year old puzzle about Earhart's mysterious disappearance. Were they on a secret mission to photograph Japanese installations? Who kidnapped them? Was FDR part of the government cover-up that continues to this day?

East to the Dawn Feb 29 2020 Amelia Earhart captured the hearts of the nation after becoming the first woman to fly solo across the Atlantic in 1928. And her disappearance on an around-the-world flight in 1937 is an enduring mystery. Based on ten years of research, East to the Dawn provides a richly textured portrait of Earhart in all her complexity. It's the perfect complement to the October 2009 movie Amelia, starring Hilary Swank, Richard Gere, and Ewan McGregor.

Amelia Earhart Feb 20 2022 When Amelia Earhart disappeared on July 2, 1937, she was flying the longest leg of her around-the-world flight and was only days away from completing her journey. Her plane was never found, and for more than sixty years rumors have persisted about what happened to her. Now, with the recent discovery of long-lost radio messages from Earhart's final flight, we can say with confidence that she ran out of gas just short of her destination of Howland Island in the Pacific Ocean. From the beginning of her flight, a series of tragic circumstances all but doomed her and her navigator, Fred Noonan. Authors Elgen M. and Marie K. Long spent more than twenty-five years researching the mystery surrounding Earhart's final flight before finally determining what happened. They traveled over one hundred thousand miles to interview more than one hundred people who knew some part of the Earhart story. They draw on authoritative sources to take us inside the cockpit of the Electra plane that Earhart flew and recreate the final flight itself. Because Elgen Long began his own flying career not long after Earhart's disappearance, he can describe the equipment and conditions of the time with a vivid first-hand accuracy. As a result, this book brings to life the primitive conditions under which Earhart flew, in an era before radar, with unreliable communications, grass landing strips, and poorly mapped islands. *Amelia Earhart: The Mystery Solved* does more than just answer the question, What happened to Amelia Earhart? It reminds us how daring early aviators such as Earhart were as they risked their lives to push the technology of the day to its limits -- and beyond.

Amelia Earhart Nov 27 2019 A pioneering aviator and advocate of women's equality, Amelia Earhart was, and continues to be, an inspiration to people the world over. Her fierce determination to break records and push the boundaries of aviation led her to become the first woman to fly solo across the Atlantic Ocean in 1932, as well as the first person (man or woman) to fly solo the trans-Pacific flight from Hawaii to California in 1935. Not content to leave it at that, Amelia set her sights on becoming the first woman to circumnavigate the world, but her brave attempt was cut short when she and her navigator, Fred Noonan, vanished over the Pacific Ocean on the final stretch of the challenge in 1937. Eighty years on and our fascination with Amelia Earhart continues. Here, Mike Roussel charts her life and experiences, exploring the investigations and theories surrounding her mysterious disappearance and revealing the naturally courageous spirit that made her one of the most daring of twentieth-century women.

Amelia Earhart: Pioneer of the Sky! Nov 19 2021 A fascinating and entertaining biography of Amelia Earhart, in graphic novel format. When Amelia Earhart became the first woman to make a solo flight across the Atlantic Ocean in 1932, she immediately became an American icon and a subject of endless fascination for generations to come. In *Amelia Earhart: Pioneer of the Sky!*, the story of the bold and daring aviator's life is presented in graphic novel format, with full-color illustrations and historically accurate details. From her hardscrabble childhood to her final flight—and mysterious disappearance—Earhart's journey will entertain, captivate, and inspire readers of all ages.

Amelia Earhart Mar 24 2022 A biography of the famous aviatrix who disappeared in the South Pacific on an around-the-world flight attempt in 1937

Amelia Earhart Jul 24 2019 Amelia Earhart, one of the most famous aviators in history, earned glory and celebrity in a profession dominated by men. She took her first flying lesson in 1920 and within two years had established a world altitude record. More records followed, and in 1932 Earhart became the first woman to fly solo across the Atlantic Ocean. In 1937, on a leg of what was planned as an effort to fly around the world, Earhart and her navigator, Fred Noonan, disappeared over the Pacific Ocean. Her disappearance remains one of aviation's greatest mysteries. Book jacket.

The Quotable Amelia Earhart Jul 04 2020 "Adventure is worth while in itself."—Amelia Earhart, 1932 A fearless pioneer and a record-breaking pilot, Amelia Earhart engaged the nation and the world when she became the first woman to fly solo across the Atlantic. Today people remember her most for her disappearance on the last leg of her round-the-world flight in 1937. But more than a record breaker or a ghost lost over the Pacific, Earhart was ambitious, driven, and strong at a time when all three of these traits were considered unfeminine. Earhart's words and her example encouraged women to step beyond the narrow confines of their traditional roles. The Quotable Amelia Earhart brings together statements from a variety of sources and covers a wide range of topics, including Earhart's flights and her opinions on politics, work, religion, and gender equality. This definitive resource provides a concise, documented collection of Earhart's quotations so that her words, as well as her achievements, may inspire a new generation.

Lost Star Sep 17 2021 Drawing on eyewitness accounts and research into military and government files, the author details the circumstances surrounding Earhart's final flight, arguing that the government used the flight as an espionage mission, and reveals Earhart's ultimate fate. 25,000 first printing.

Amelia Earhart Jun 02 2020

Amelia Earhart Aug 05 2020

Amelia Earhart Jun 26 2022 "Women must try to do things as men have tried. " When she was eight years old, Amelia Earhart built a roller coaster and "flew" through the air. She loved to watch daredevil pilots fly loops in the sky. Amelia decided to pilot a plane herself, and became one of the first women to learn to fly. She broke flight records and in 1932 was the first woman to fly across the Atlantic Ocean alone. The whole world admired her courage and daring. Amelia Earhart disappeared while trying to set a new record flying all the way around the world at the equator, but her pioneer spirit inspired many others to follow in her path.

All about Amelia Earhart Dec 09 2020 Amelia Earhart was a pioneer pilot and was known as the best aviator of her time. She was a daring, skillful, and courageous woman who broke flight records of speed and distance. One of her greatest achievements was in 1932, when she became the first female pilot to fly solo across the Atlantic Ocean. She succeeded in a time when people believed that piloting was only for men, but Amelia proved that female pilots were just as capable and courageous. In all of her pursuits, Amelia worked hard to promote the rights of girls and women. Earhart always encouraged women to take charge of their own lives, and never to be discouraged by the doubts of others.
