A Hacker Manifesto Sep 25 2019 A double is haunting the world--the double of abstraction, the virtual reality of information, programming or poetry, math or music, curves or colorings upon which the fortunes of states and armies, companies and communities now depend. The bold aim of this book is to make manifest the origins, purpose, and interests of the emerging class responsible for making this new world--for producing the new concepts, new perceptions, and new sensations out of the stuff of raw data. "A Hacker Manifesto" deftly defines the fraught territory between the ever more strident demands by drug and media companies for protection of their patents and copyrights and the pervasive popular culture of file sharing and pirating. This vexed ground, the realm of so-called "intellectual property," gives rise to a whole new kind of class conflict, one that pits the creators of information--the hacker class of researchers and authors, artists and biologists, chemists and musicians, philosophers and programmers--against a possessing class who would monopolize what the hacker produces. Drawing in equal measure on Guy Debord and Gilles Deleuze, "A Hacker Manifesto" offers a systematic restatement of Marxist thought for the age of cyberspace and globalization. In the widespread revolt against commodified information, McKenzie Wark sees a utopian promise, beyond the property form, and a new progressive class, the hacker class, who voice a shared interest in a new information commons.

Hardpressed Jun 26 2022 In HARDPRESSED, the highly anticipated second book of the Hacker Series that began with Hardwired, Blake and Erica face threats that put both their love and their lives on the line. Despite Blake Landon's controlling ways, the young and wealthy hacker finally won the trust of the woman he loves. Internet entrepreneur Erica Hathaway broke down the walls that kept her from opening her heart and her business to Blake. Ready to start this new chapter in her life, Erica is determined not to let anything come between them, even if that means giving Blake back some of the control he craves in and out of the bedroom. But when demons from her past threaten their future, Erica makes a decision that could change their lives forever.

Backpacker The Survival Hacker's Handbook Sep 17 2021 Backpacker The Survival Hacker ' s Handbook provides detailed instruction on how to use everyday items to survive in extraordinary circumstances. Sure, the quirk is here. For instance, learn how to make a fishhook out of a beer can, start a fire with hand sanitizer, or purify water with bleach. But it goes beyond the quirk to identify real solutions for real scenarios--with real items you carry with you. The book includes useful tips and tricks from survival experts, and provides step-by-step instructions, along with short stories of survival situations where these modern survival skills have come into play. The book is organized around basic fundamental concepts of survival: finding food, building shelter, securing water, etc.

ever met. Too bad he 's sworn to leave her alone. Overworked with no end in sight, Vanessa Hawkins hasn 't had a vacation in nearly two years. When Cameron and Maya 's destination wedding takes her out of the office for a much-needed break, she finds herself struggling to resist her attraction to the best man. Darren is dangerously good-looking with enough charm to make any hot-blooded woman want to drop her panties and enjoy the ride, no matter how long it lasts. When they return to the city, Darren realizes the single life has lost its glimmer. But with everything else on her plate, Vanessa doesn 't have room in her life for a man, let alone a player. Can Darren find his way into her heart and convince her that he 's worth the risk?

**Hacking Darwin** Aug 05 2020 "A gifted and thoughtful writer, Metzl brings us to the frontiers of biology and technology, and reveals a world full of promise and peril." — Siddhartha Mukherjee MD, New York Times bestselling author of *The Emperor of All Maladies* and *The Gene*  
Passionate, provocative, and highly illuminating, *Hacking Darwin* is the must read book about the future of our species for fans of *Homo Deus* and *The Gene*. After 3.8 billion years humankind is about to start evolving by new rules... From leading geopolitical expert and technology futurist Jamie Metzl comes a groundbreaking exploration of the many ways genetic-engineering is shaking the core foundations of our lives — sex, war, love, and death. At the dawn of the genetics revolution, our DNA is becoming as readable, writable, and hackable as our information technology. But as humanity starts retooling our own genetic code, the choices we make today will be the difference between realizing breathtaking advances in human well-being and descending into a dangerous and potentially deadly genetic arms race. Enter the laboratories where scientists are turning science fiction into reality. Look towards a future where our deepest beliefs, morals, religions, and politics are challenged like never before and the very essence of what it means to be human is at play. When we can engineer our future children, massively extend our lifespans, build life from scratch, and recreate the plant and animal world, should we?

**Hardwired** Oct 31 2022 Determined to overcome a difficult past, Erica Hathaway learns early on to make it on her own. Days after her college graduation, she finds herself face to face with a panel of investors who will make or break her fledgling start-up website. The only thing she didn't prepare for was going weak in the knees over an arrogant and gorgeous investor who seems determined to derail her plans. Billionaire and rumored hacker Blake Landon has already made his fortune in software, and he 's used to getting what he wants. Captivated by Erica 's drive and unassuming beauty, he 's wanted nothing more than to possess her since she stepped into his boardroom. Determined to win her over, he breaks down her defenses and fights for her trust, even if it means sacrificing a level of control he 's grown accustomed to. But when Blake uncovers a dark secret from Erica 's past, he threatens not just her trust, but the life she 's fought so hard to create. The perfect new addition for fans of *Fifty Shades of Grey* and *Sylvia Day's Bared To You* series.

**Wild Card** May 02 2020 "YOU ' RE IN BIG TROUBLE, DOLL " The little hacker stole from the Family—hundred fifty grand. We Tacones don 't take kindly to thieves. Not even when they come in a package as cute as hers. Not even after she shows me how high her freak flag flies. Now there will be hell to pay for my hot geek. And I 'm the one coming to collect. But when she ends up in jail for the transaction I ordered her to make I decide to bail her out. Because she 's a wildfire. A force of nature too bright to be put out. And I don 't need the money. I 'd rather have her. Note: This steamy stand-alone romance is the last in USA Today bestselling author Renee Rose's Vegas Underground series. No cheating, no cliffhangers.

**Revenge: The Red Ledger** Jun 22 2019 "A seamlessly woven story of renewed love, faith restored, and redefining oneself without a past for perspective." Angel Payne, USA Today Bestselling Author No one else can stop them... I 've never loved Tristan more. I 've never trusted him less. Is it murder in his eyes or just jealousy when he insists we 'll find answers in Boston, headquarters of one of our greatest enemies and home to the man I left back in Rio? I haven 't forgotten Kolt 's betrayal nor the blood that 's already been spilled between our families. Inviting him back into my life with the promise of settling our unfinished business is a dangerous gamble that could end in more bloodshed. But as his family 's twisted plan starts to unfold, nothing can prepare me for the horror of what will happen if I do nothing. More people will die, and every death will serve a dark purpose. Tristan and I may be an army of two, but one thing is certain—if we can 't save them, no one will.

**Hardwired** Sep 29 2022 Determined to overcome a difficult past, Erica Hathaway learns early on how to make it on her own. Days after her college graduation she finds herself face to face with a panel of investors who will make or break her fledgling startup. The only thing she didn't prepare for was going weak in the knees over an arrogant and gorgeous investor who's seemingly determined to derail her presentation. Billionaire and rumored hacker Blake Landon has already made his fortune in software, and he's used to getting what he wants with very little resistance. Captivated by Erica's drive and unassuming beauty, he's wanted nothing more since she stepped into his boardroom. Determined to win her over, he breaks down her defenses and fights for her trust, even if that means sacrificing a level of control he's grown accustomed to. But when Blake uncovers a dark secret from Erica's past, he threatens not just her trust, but the life she's fought so hard to create.

**Fate of Storms** Aug 24 2019 A stolen destiny. An impossible quest. Kara Valari has broken one of the underworld 's highest laws and is serving the ultimate sentence. But nothing—not even the impossible quest of breaching the boundaries of hell and facing off with Hades himself—will keep Maximus Kane from rescuing her. The journey will demand all of Maximus 's courage...and help from an unlikely guide. Driven by love, he sets off into a dark realm he only knows from the tattered pages of Dante 's *Comedy*. In hell 's bleak world, every part of Kara 's soul is subjected to Hades 's morbid fascination and merciless assault. Giving in to his demands means sharing the intimate details of why she dared to disobey him—a love for Maximus that, even now, burns on in her heart. Just when Kara resolves herself to an eternity of her nightmare, she discovers a glimmer of hope...a way to glimpse her beloved. Could her visions of Maximus unite them once more, or are they just another twisted punishment for her in a kingdom designed for agony? In those fleeting moments of light and passion, Kara rekindles her fight to survive. Darkness may still separate her from Maximus, but they 're connected by fate. But can their love survive this storm?

**This Is How They Tell Me the World Ends** Jan 10 2021 WINNER OF THE FT & MCKINSEY BUSINESS BOOK OF THE YEAR AWARD 2021 The instant New York Times bestseller A Financial Times and The Times Book of the Year 'A terrifying exposé' The Times 'Part John le Carré . . . Spellbinding' New Yorker We plug in anything we can to the internet. We can control our entire lives, economy and grid via a remote web

control. But over the past decade, as this transformation took place, we never paused to think that we were also creating the world's largest attack surface. And that the same nation that maintains the greatest cyber advantage on earth could also be among its most vulnerable. Filled with spies, hackers, arms dealers and a few unsung heroes, *This Is How They Tell Me the World Ends* is an astonishing and gripping feat of journalism. Drawing on years of reporting and hundreds of interviews, Nicole Perlroth lifts the curtain on a market in shadow, revealing the urgent threat faced by us all if we cannot bring the global cyber arms race to heel.

**Cult of the Dead Cow** Apr 12 2021 The shocking untold story of the elite secret society of hackers fighting to protect our privacy, our freedom -- even democracy itself. Cult of the Dead Cow is the tale of the oldest, most respected, and most famous American hacking group of all time. Though until now it has remained mostly anonymous, its members invented the concept of hacktivism, released the top tool for testing password security, and created what was for years the best technique for controlling computers from afar, forcing giant companies to work harder to protect customers. They contributed to the development of Tor, the most important privacy tool on the net, and helped build cyberweapons that advanced US security without injuring anyone. With its origins in the earliest days of the Internet, the cDc is full of oddball characters -- activists, artists, even future politicians. Many of these hackers have become top executives and advisors walking the corridors of power in Washington and Silicon Valley. The most famous is former Texas Congressman and current presidential candidate Beto O'Rourke, whose time in the cDc set him up to found a tech business, launch an alternative publication in El Paso, and make long-shot bets on unconventional campaigns. Today, the group and its followers are battling electoral misinformation, making personal data safer, and battling to keep technology a force for good instead of for surveillance and oppression. Cult of the Dead Cow shows how governments, corporations, and criminals came to hold immense power over individuals and how we can fight back against them.

**Hardpressed** Jul 24 2019 In *Hardpressed*, the highly anticipated second book of the Hacker Series that began with *Hardwired*, Blake and Erica face threats that put both their love and their lives on the line. **Over the Edge** Dec 21 2021 Editorial Reviews "The third book in Wild's Bridge series is a fantastic read, certain to woo new readers and satiate her returning fans. Over the Edge checks off all the boxes: it's emotional, intense and extremely sexy. Wild taps into an often thought of as taboo fantasy — one woman sharing two men — and makes it a possibility, allowing the reader to live vicariously through the main character. While this is part of the Bridge series, it's also effective as a standalone novel." -RT Book Reviews "Sinful, emotional, explosive, profound...this is all the best we know and love from Meredith Wild, cranked to an epic Level 11. You will not be able to put it down." -USA Today Bestselling Author Angel Payne "Scorching hot ménage? Check. A romance that will pull at your heartstrings? Check. A story that will stay with you long after you've finished it? Check. What more can I say? I simply loved it." -NYT Bestselling Author Sawyer Bennett "Just when you thought Meredith Wild had delivered the hottest, steamiest scenes in the romance world, she turns it up. Over the Edge will leave you wondering how you ever lived without men like Ian and Will in your bed. At the same time. Man. I wished I was Olivia." -USA Today Bestselling Author CD Reiss "An intriguing, sexy story about unexpected love and balancing others' expectations against your heart" -NYT Bestselling Author Shayla Black "Emotionally charged. Sexy. Forbidden. You won't be able to put Over the Edge down." -Heidi McLaughlin, NYT Bestselling Author "Intensely sexy and deeply romantic, Over the Edge is more than just a scorching hot menage story -- it's about a captivating love that you can't help but root for." -Lauren Blakely, NYT Bestselling Author "Meredith Wild delivers yet again with another sizzling romance where sharing takes on a whole new meaning..." -Sarah Robinson, bestselling author of the Kavanagh Legends series "Meredith Wild creates the perfect ménage for her fans: scorching sex, unexpected love, and a happily ever after sure to please romance fans long after they've closed the cover on Ian, Olivia, and Will." -Madhuri Pavamani "Meredith Wild has totally turned up the heat... An all out 5-star read full of hotness, sex appeal, emotional gut-wrenching feels, and moral dilemmas throughout!" -Two Girls Who Love Books "#1 New York Times bestselling author Meredith Wild, turns up the heat to scorching with the third book in the Bridge series. Sinfully sexy with a ménage romance, everyone will love Liv, Will and Ian's story." -Vilma's Book Blog "The heat is on! Meredith Wild really turns it up with this sizzling, beautifully written menage story. Two sexy, captivating men and one strong, determined heroine. I loved Meredith's Hacker Series and this is just as good and at times even hotter. All I can say is WOW!" -Nelle L'Amour, NYT Bestselling Author of the THAT MAN TRILOGY. "Meredith Wild ends the series with such a gem." -Heroes & Heartbreakers "One of the hottest books I've ever read." -Book Boyfriend Addict "Erotic and unexpectedly tender..." -Kirkus Reviews "I was hooked from the start! Over The Edge was sexy as hell with a love story I never saw coming." -Nina Levine, USA Today Bestselling Author "My fingers are still virtually scorched from scrolling the pages of this smoking hot book." -Smut Book Junkie Book Reviews Synopsis Olivia Bridge has always been a good girl—good grades, good friends, and a good job that her wealthy parents handed her. Desperate to carve out a life that is truly hers, Liv walks away from it all and takes on the challenge of helping her brothers open a chain of fitness centers in New York City. Just as she's beginning to find her footing in a new place, she's caught between two men who couldn't be more determined to turn all her goodness inside out. Will Donovan has the capital to make the Bridge brothers' entrepreneurial dreams a reality. Taking their uptight sister to bed seems a reasonable perk for the risk. Liv is the smartest, sexiest prude Will's ever met, and he can't wait to break her down. Life is too short for Ian Savo to play by anyone's rules. Sharing women with his friend isn't anything new, so when Will introduces him to Liv, he can't wait to get a taste. But falling for the same girl, or falling at all, was never in the plans...

**Hacker Packer** Jan 28 2020 A playfully inventive and invigorating debut collection of poetry from a finalist for the CBC Poetry Prize and The Walrus Poetry Prize. With settings ranging from the ancient sites and lavish museums of Europe to the inner-city neighbourhood in North Central Regina where the poet grew up, the poems in Cassidy McFadzean's startling first collection embrace myth and metaphysics and explore the contradictory human impulses to create art and enact cruelty. A child burn victim is conscripted into a Grade Eight fire safety seminar; various road-killed animals make their cases for sainthood; and the fantastical visions in Hieronymus Bosch's *The Garden of Earthly Delights* move off the canvas and onto the speaker's splendid pair of leggings. Precociously wise, formally dexterous, and unrepentantly strange, the poems in *Hacker Packer* present a wholly memorable poetic debut.

**River of Shadows** Nov 27 2019 Winner of the National Book Critics Circle Award for Criticism and the Mark Lynton History Prize Through the story of the pioneering photographer Eadweard Muybridge, the author of *Recollections of My Nonexistence* explores what it was about California in the late 19th-century that enabled it to become such a center of technological and cultural innovation. The world as we know it today began in California in the late 1800s, and Eadweard Muybridge had a lot to do with it. This striking assertion is at the heart of Rebecca Solnit's new book, which weaves together biography, history, and fascinating insights into art and technology to create a boldly original portrait of America on the threshold of modernity. The story of Muybridge—who in 1872 succeeded in capturing high-speed motion photographically—becomes a lens for a larger story about the acceleration and industrialization of everyday life. Solnit shows how the peculiar

freedoms and opportunities of post-Civil War California led directly to the two industries—Hollywood and Silicon Valley—that have most powerfully defined contemporary society.

**Mysteries of the Cosmic Joker** Feb 29 2020 Details the work of American writer Charles Fort and others who recorded events that had no scientific explanation, such as objects falling from the sky, human psychic powers, unusual disappearances, and odd coincidences.

**Breaking and Entering** Mar 12 2021 This taut, true thriller dives into a dark world that touches us all, as seen through the brilliant, breakneck career of an extraordinary hacker—a woman known only as Alien. When she arrived at MIT in the 1990s, Alien was quickly drawn to the school's tradition of high risk physical trespassing: the original "hacking." Within a year, one of her hallmates was dead and two others were arraigned. Alien's adventures were only just beginning. After a stint at the storied, secretive Los Alamos National Laboratory, Alien was recruited by a top cybersecurity firm where she deployed her cache of virtual weapons—and the trespassing and social engineering talents she had developed while "hacking" at MIT. The company tested its clients' security by every means possible—not just coding, but donning disguises and sneaking past guards and secretaries into the C suite. Alien now runs a boutique hacking outfit that caters to some of the world's biggest and most vulnerable institutions—banks, retailers, government agencies. Her work combines devilish charm, old school deception, and next generation spycraft. In **Breaking and Entering**, cybersecurity finally gets the rich, character driven, fast-paced treatment it deserves.

**Hacker, Hoaxer, Whistleblower, Spy** Aug 17 2021 Here is the ultimate book on the worldwide movement of hackers, pranksters, and activists that operates under the non-name Anonymous, by the writer the Huffington Post says "knows all of Anonymous' deepest, darkest secrets." Half a dozen years ago, anthropologist Gabriella Coleman set out to study the rise of this global phenomenon just as some of its members were turning to political protest and dangerous disruption (before Anonymous shot to fame as a key player in the battles over WikiLeaks, the Arab Spring, and Occupy Wall Street). She ended up becoming so closely connected to Anonymous that the tricky story of her inside—outside status as Anon confidante, interpreter, and erstwhile mouthpiece forms one of the themes of this witty and entirely engrossing book. The narrative brims with details unearthed from within a notoriously mysterious subculture, whose semi-legendary tricksters—such as Topiary, tflow, Anachaos, and Sabu—emerge as complex, diverse, politically and culturally sophisticated people. Propelled by years of chats and encounters with a multitude of hackers, including imprisoned activist Jeremy Hammond and the double agent who helped put him away, Hector Monsegur, Hacker, Hoaxer, Whistleblower, Spy is filled with insights into the meaning of digital activism and little understood facets of culture in the Internet age, including the history of "trolling," the ethics and metaphysics of hacking, and the origins and manifold meanings of "the lulz."

**Hard Limit** Jul 28 2022 Blake Landon is a man who has everything—wealth, good looks, and the love of Erica Hathaway. The power couple has been through hell and back, and when life has torn them apart, somehow they have always found their way back to each other, more in love and stronger than ever. Erica has never been more ready to say I do. On the verge of making the ultimate commitment, she uncovers an unsettling chapter of Blake's history. As she makes peace with her own past and the family who left her behind, she presses Blake to tear down the last walls between them. Determined to know the man he once was, she opens a door to a world beyond her wildest imagination—a world that has her questioning the limits of her own desires. As danger lurks and dark secrets come to light, will the past destroy their promise of forever?

Blood of Zeus Mar 24 2022 An ancient grudge. A forbidden love. The only thing worse than being a demon is being a Valari. As an undergraduate at Los Angeles 's Alameda University, Kara Valari can sometimes succeed at forgetting she 's both. Lost between the pages of the classics and tucked into the shadows of lecture halls, she can dodge the paparazzi 's lenses as well as her family 's publicized dramas—not to mention their private expectations. She has one more year to feed her true passions. Then she 'll be expected to fulfill a much darker destiny. Cursed with inexplicable strength and godlike stature, literature professor Maximus Kane knows all about darkness. Every day he 's reminded of the missteps of his childhood and the devastating consequences they 've had on those dearest to him. To atone, Maximus spends his nights alone and his days submerged in the quiet life of academia. His existence has become a study in control, and he 's become a master at it—until Kara Valari walks into his toughest course. Viscerally, Kara 's everything he craves. Logically, she 's everything he rejects. She 's a starlet of privilege. She 's also a student. And after one touch, he can 't deny that she 's awakened something in him that may never go dormant. Nothing about her makes sense, but everything about her feels right. Especially in the deepest strands of his DNA, which are still shadows of mystery to him—a mystery Kara seems determined to uncover. She 's Hollywood royalty. She 's forbidden fruit. And he 's pretty sure she could be the answer to everything.

The Downhill Lie Jun 14 2021 Originally drawn to the game by his father, Carl Hiaasen wisely quit golfing in 1973. But some ambitions refuse to die, and as the years—and memories of shanked 7-irons faded, it dawned on Carl that there might be one thing in life he could do better in middle age than he could as a youth. So gradually he ventured back to the dreaded driving range, this time as the father of a five-year-old son—and also as a grandfather. “What possesses a man to return in midlife to a game at which he 'd never excelled in his prime, and which in fact had dealt him mostly failure, angst and exasperation? Here 's why I did it: I 'm one sick bastard.” And thus we have Carl 's foray into a world of baffling titanium technology, high-priced golf gurus, bizarre infomercial gimmicks and the mind-bending phenomenon of Tiger Woods; a maddening universe of hooks and slices where Carl ultimately—and foolishly—agrees to compete in a country-club tournament against players who can actually hit the ball. “That 's the secret of the sport 's infernal seduction,” he writes. “It surrenders just enough good shots to let you talk yourself out of quitting.” Hiaasen 's chronicle of his shaky return to this bedeviling pastime and the ensuing demolition of his self-esteem—culminating with the savage 45-hole tournament—will have you rolling with laughter. Yet the bittersweet memories of playing with his own father and the glow he feels when watching his own young son belt the ball down the fairway will also touch your heart. Forget Tiger, Phil and Ernie. If you want to understand the true lure of golf, turn to Carl Hiaasen, who offers an extraordinary audiobook for the ordinary hacker. **BONUS:** This edition includes an excerpt from Carl Hiaasen's *Bad Monkey*.

**Spellhacker** Jul 04 2020 From the author of *The Disasters*, this genre-bending YA fantasy heist story is perfect for fans of Marie Lu and Amie Kaufman. In Kyrkarta, magic—known as maz—was once a freely available natural resource. Then an earthquake released a magical plague, killing thousands and opening the door for a greedy corporation to make maz a commodity that 's tightly controlled—and, of course, outrageously expensive. Which is why Diz and her three best friends run a highly lucrative, highly illegal maz siphoning gig on the side. Their next job is supposed to be their last heist ever. But when their plan turns up a powerful new strain of maz that (literally) blows up in their faces, they 're driven to unravel a conspiracy at the very center of the spellplague—and possibly save the world. No pressure.
