***Manifest Technique Mar 12 2021 An obscured vanguard in hip hop Filipino Americans have been innovators and collaborators in hip hop since the culture's early days. But despite the success of artists like Apl.de.Ap of the Black Eyed Peas and superstar producer Chad Hugo, the genre's significance in Filipino American communities is often overlooked. Mark R. Villegas considers sprawling coast-to-coast hip hop networks to reveal how Filipino Americans have used music, dance, and visual art to create their worlds. Filipino Americans have been exploring their racial position in the world in embracing hip hop's connections to memories of colonial and racial violence. Villegas scrutinizes practitioners' language of defiance, placing the cultural grammar of hip hop within a larger legacy of decolonization. An important investigation of hip hop as a movement of racial consciousness, Manifest Technique shows how the genre has inspired Filipino Americans to envision and enact new ideas of their bodies, their history, and their dignity.***

***Connecting Women Jul 24 2019 This important volume examines European perspectives on the historical relations that women have maintained with information and communication technologies (ICTs), since the telegraph. Features: describes how gendered networks have formed around ICT since the late 19th Century; reviews the gendered issues revealed by the conflict between the actress Ms Sylviac and the French telephone administration in 1904, or by 'feminine' blogs; examines how gender representations, age categories, and uses of ICT interact and are mutually formed in children's magazines; illuminates the participation of women in the early days of computing, through***

*a case study on the Rothamsted Statistics Department; presents a comparative study of women in computing in France, Finland and the UK, revealing similar gender divisions within the ICT professions of these countries; discusses diversity interventions and the part that history could (and should) play to ensure women do not take second place in specific occupational sectors.*

*Organizing Information in School Libraries: Basic Principles and New Rules Apr 24 2022 Covering both classification and cataloging principles as well as procedures relevant to school libraries, this book provides a teaching kit for a course on this critical subject that includes content and practice exercises. •Answers essential questions such as "What is the nature of the bibliographic universe in an electronic information age?" and "What is the relationship of my school library's catalog to the bibliographic universe?" •Addresses RDA standards as well as cataloguing and classification strategies for school library programs •Features practice exercises that readers can apply immediately for in-class use*

*WordPress Multisite Administration Dec 21 2021 This is a simple, concise guide with a step-by-step approach, packed with screenshots and examples to set up and manage a network blog using WordPress. WordPress Multisite Administration is ideal for anyone wanting to familiarize themselves with WordPress Multisite. You'll need to know the basics about WordPress, and having at least a broad understanding of HTML, CSS, and PHP will help, but isn't required.*

*You Are Not So Smart Nov 07 2020 Explains how self-delusion is part of a person's psychological defense system, identifying common misconceptions people have on topics such as caffeine withdrawal, hindsight, and brand loyalty.*

*Design Research in Architecture Sep 25 2019 This volume provides a broad overview on design research that supports and amplifies the different volumes coming out in Ashgate's major new series, 'Design Research in Architecture'. It raises the central question - what is the role of design research in the types of insight and knowledge that architects create? and brings together leading architects and academics to discuss the more general issues involved in design research. At the end, there is an Indicative Bibliography which alludes to a long history of architectural books which can be seen as being in the spirit of design research.*

*Life Is Not a Stage Mar 24 2022 For millions of people around the world, Carol Brady is synonymous with motherhood, but growing up as the youngest of ten children in rural Indiana in the aftermath of the Great Depression, Florence Henderson lived a life quite different from that of the quintessential TV mom she later played on television. Florence's father was a dirt-poor tobacco tenant farmer who was nearly fifty years old when he married Florence's twenty-five-year-old mother, and was nearly seventy when Florence was born. Florence's childhood was full of deprivation and abandonment. Her father was an alcoholic at a time when there was no rehab or help for the disease. Their home rarely had electricity or running water. When she was twelve, Florence's mother left the family to work in Cleveland and never returned. Florence opens up about her childhood, as well as the challenges she's faced as an adult, including stage fright, postpartum depression, her extramarital affairs, divorce, her hearing loss, and heart problems. She writes with honesty and wisdom of how her faith and ability to survive has brought her through rough times to a life of profound joy and purpose.*

*Understanding American Politics Nov 27 2019 The second edition provides a very strong introduction to political institutions and includes a new chapter on public opinion. The entire book has been revised throughout, taking into account the dramatic changes that have emerged since the 2010 congressional elections, as well as incorporating the results of the 2012 presidential election. it also pays close attention to what is seen as the irreversible decline in America's global influence."--Pub. desc.*

*Codominium Dec 09 2020 The Haveners were not totally overwhelmed at the first onrush of Sauron*

*power because they had had centuries of warfare among themselves. This is the terrible history of Haven before the coming of the Saurons.*

***Luther*** Jan 28 2020 A brilliant standalone novel hailed as “some of the best crime fiction to hit bookstores this year” (Hollywood Reporter) and a prequel to the hit BBC America TV show *Luther*, by the Edgar Award–winning creator and sole writer of the show. Is *Luther* a force for good or a man hell-bent on self-destruction? Meet Detective Chief Inspector John Luther. He’s a homicide detective with an extraordinary case-clearance rate. He’s obsessive, instinctive, and intense. Nobody who ever stood at his side has a bad word to say about him. And yet there are rumors that Luther is bad—not corrupt, but tormented. After years of chasing the most depraved criminals in London’s gritty underworld, he seethes with a hidden fury he can barely control, making him do things any other detective wouldn’t and shouldn’t do. *Luther: The Calling* is the story of the serial killer case that tore Luther’s personal and professional relationships apart and propelled him over the precipice—beyond fury, beyond vengeance, all the way to the other side of the law. *Luther: The Calling*, the first in a new series of novels featuring DCI John Luther, takes us into Luther’s past and into his mind. It is the story of the serial killer case that tore his personal and professional relationships apart and propelled him over the precipice—beyond fury, beyond vengeance, all the way to the other side of the law. Is *Luther* a force for good or a man hell-bent on self-destruction? Edgar Award–winning writer Neil Cross has created one of the most compelling characters in modern crime fiction. *Luther: The Calling* is a compulsively readable novel by the writer hailed by *The Guardian* as “Britain’s own Stephen King.”

***Women in STEM on Television*** Mar 31 2020 Women remain woefully underrepresented in science, technology, engineering and math (STEM). Negative stereotypes about women in these fields are pervasive, rooted in the debunked claim that women have less aptitude than men in science and math. While some TV series present portrayals that challenge this generalization, others reinforce troubling biases--sometimes even as writers and producers attempt to champion women in STEM. This collection of new essays examines numerous popular series, from children's programs to primetime shows, and discusses the ways in which these narratives inform cultural ideas about women in STEM.

***Flight*** Dec 29 2019 Ancient prophecies promise a future of hope, but who dares face the wrath of a powerful tyrant? Daeson seeks the counsel of the oracle that propelled him into a life of ruin and terrifying adventure. But the ruthless Chancellor Lockridge offers no quarter to his life-long friend turned traitor. Lockridge's thirst for revenge spills the blood of thousands of innocent Rayleans, and Daeson bears the burden of global calamity. Rejected by all except the spirited Raviel, Daeson struggles to carry on. When the whispers of the Immortal Ell Yon beckon Daeson to a remote moon of the planet Mesos, he must find the courage to face his deepest fears. Can Daeson trust the words of an ancient Immortal and inspire the slaves of Jypton to rise up? Not only does the future of his people hang in the balance, but the entire galaxy as well!

***Why Don't Students Like School?*** Feb 20 2022 Easy-to-apply, scientifically-based approaches for engaging students in the classroom Cognitive scientist Dan Willingham focuses his acclaimed research on the biological and cognitive basis of learning. His book will help teachers improve their practice by explaining how they and their students think and learn. It reveals-the importance of story, emotion, memory, context, and routine in building knowledge and creating lasting learning experiences. Nine, easy-to-understand principles with clear applications for the classroom Includes surprising findings, such as that intelligence is malleable, and that you cannot develop "thinking skills" without facts How an understanding of the brain's workings can help teachers hone their teaching skills "Mr. Willingham's answers apply just as well outside the classroom. Corporate trainers, marketers and, not least, parents -anyone who cares about how we learn-should find his

*book valuable reading."* —Wall Street Journal

*Digital Culture & Society (DCS) Oct 26 2019 »Digital Culture & Society« is a refereed, international journal, fostering discussion about the ways in which digital technologies, platforms and applications reconfigure daily lives and practices. It offers a forum for critical analysis and inquiries into digital media theory and provides a publication environment for interdisciplinary research approaches, contemporary theory developments and methodological innovation. This issue, edited by Anna Lisa Ramella, Asko Lehmuskallio, Tristan Thielmann and Pablo Abend, discusses the mobility of people, data and devices from the perspective of digital mobile practices. As the authors of various empirical case studies show, these need to be studied both situationally, and on the move. With contributions by Marion Schulze, Jamie Coates, Geoffrey Hobbis, Samuel Gerald Collins, among others, and an interview with Heather Horst, David Morley, and Noel B. Salazar.*

*Captivated, by You Apr 12 2021 Hayashi's frank, guileless demeanor quietly draws the attention of classmates and strangers as he counts all the stairs in school, photographs street signs, and dries sweet potatoes on the classroom balcony. In a world shaped by conformity, Hayashi is refreshingly and unapologetically true to himself. Conversely, Nikaidou has worked very hard to perfect a gloomy, dour façade that keeps his classmates far, far away. While much of the school regards Nikaidou as a bad omen, one student catches a glimpse behind the mask and—undeterred by rumors of bad luck and supernatural powers—begins to pick away Nikaidou's carefully crafted persona...*

*Public Archaeology: Arts of Engagement Feb 08 2021 This collection, stemming from the 2nd University of Chester Archaeology Student Conference 'Archaeo-Engage: Engaging Communities in Archaeology' (April 2017), provides original perspectives on public archaeology's current practices and future potentials focusing on art/archaeological media, strategies and subjects.*

*One Of Us Is Lying Jan 22 2022 The international bestselling YA thriller by acclaimed author, Karen M. McManus - NOW A MAJOR NETFLIX SERIES. Five students go to detention. Only four leave alive. Yale hopeful Bronwyn has never publicly broken a rule. Sports star Cooper only knows what he's doing in the baseball diamond. Bad boy Nate is one misstep away from a life of crime. Prom queen Addy is holding together the cracks in her perfect life. And outsider Simon, creator of the notorious gossip app at Bayview High, won't ever talk about any of them again. He dies 24 hours before he could post their deepest secrets online. Investigators conclude it's no accident. All of them are suspects. Everyone has secrets, right? What really matters is how far you'll go to protect them. 'Tightly plotted and brilliantly written, with sharp, believable characters, this whodunit is utterly irresistible' - HEAT 'Twisty plotting, breakneck pacing and intriguing characterisation add up to an exciting single-sitting thrillerish treat' -THE GUARDIAN 'A fantastic murder mystery, packed with cryptic clues and countless plot twists. I could not put this book down' - THE SUN 'Pretty Little Liars meets The Breakfast Club' - ENTERTAINMENT WEEKLY*

*The Little Prince Oct 31 2022*

*Doctor Who and History Feb 29 2020 When Sydney Newman conceived the idea for Doctor Who in 1963, he envisioned a show in which the Doctor and his companions would visit and observe, but not interfere with, events in history. That plan was dropped early on and the Doctor has happily meddled with historical events for decades. This collection of new essays examines how the Doctor's engagement with history relates to Britain's colonial past, nostalgia for village life, Norse myths, alternate history, and the impact of historical decisions on the present.*

*The Handmaid's Tale* Jul 28 2022 Before *The Testaments*, there was *The Handmaid's Tale*: an instant classic and eerily prescient cultural phenomenon, from “the patron saint of feminist dystopian fiction” (New York Times). *The Handmaid's Tale* is a novel of such power that the reader will be unable to forget its images and its forecast. Set in the near future, it describes life in what was once the United States and is now called the Republic of Gilead, a monotheocracy that has reacted to social unrest and a sharply declining birthrate by reverting to, and going beyond, the repressive intolerance of the original Puritans. The regime takes the Book of Genesis absolutely at its word, with bizarre consequences for the women and men in its population. The story is told through the eyes of Offred, one of the unfortunate Handmaids under the new social order. In condensed but eloquent prose, by turns cool-eyed, tender, despairing, passionate, and wry, she reveals to us the dark corners behind the establishment's calm facade, as certain tendencies now in existence are carried to their logical conclusions. *The Handmaid's Tale* is funny, unexpected, horrifying, and altogether convincing. It is at once scathing satire, dire warning, and a tour de force. It is Margaret Atwood at her best.

*PASCO - Episode 1 (FREE!)* Sep 17 2021 Welcome to P.A.S.C.O - a company with an unusually high turnover of staff. Some leave via the door, others via a coffin. Stevie, fresh from the jobcentre, lands a job at PASCO. Except he doesn't quite know what position he's applying for. The jobcentre was vague on that point. The office does boast a large amount of mythology books, however, and in the basement he encounters a strange goat-woman locked up in a cage. But nothing can prepare him for the fatal turn of events that occur before his first day is over. Something tells Stevie this isn't a typical 9-5 job. This is Episode 1 in the PASCO series, a Paranormal serial set in the world of a secret British organisation that deals with wayward vampires, werewolves and more. Episodes 2 - 5 now available. Books by RK Moore: *Neighbourhood Witch Dreaming of You* PASCO - Episode 2 PASCO Episode 3 PASCO Episode 4 PASCO Episode 5 PASCO Omnibus (Episodes 1-3) Keywords: Paranormal, vampires, werewolves, supernatural, urban fantasy, ghosts, british organisation, serial, free, freebie, free book, fantasy, dark fantasy, ebook, full moon, rituals,

*Liminal Sovereignty* May 26 2022 Uses cultural representations to investigate how two religious minority communities came to be incorporated into the Mexican nation. *Liminal Sovereignty* examines the lives of two religious minority communities in Mexico, Mennonites and Mormons, as seen as seen through Mexican culture. Mennonites emigrated from Canada to Mexico from the 1920s to the 1940s, and Mormons emigrated from the United States in the 1880s, left in 1912, and returned in the 1920s. Rebecca Janzen focuses on representations of these groups in film, television, online comics, photography, and legal documents. Janzen argues that perceptions of Mennonites and Mormons—groups on the margins and borders of Mexican society—illustrate broader trends in Mexican history. The government granted both communities significant exceptions to national laws to encourage them to immigrate; she argues that these foreshadow what is today called the Mexican state of exception. The groups' inclusion into the Mexican nation shows that post-Revolutionary Mexico was flexible with its central tenets of land reform and building a mestizo race. Janzen uses minority communities at the periphery to give us a new understanding of the Mexican nation. Rebecca Janzen is Assistant Professor of Spanish at the University of South Carolina and the author of *The National Body in Mexican Literature: Collective Challenges to Biopolitical Control*.

*The History of Sexuality* Jun 22 2019 Why we are so fascinated with sex and sexuality—from the preeminent philosopher of the 20th century. Michel Foucault offers an iconoclastic exploration of why we feel compelled to continually analyze and discuss sex, and of the social and mental mechanisms of power that cause us to direct the questions of what we are to what our sexuality is.

*A World Lit Only by Fire* Sep 05 2020 A "lively and engaging" history of the Middle Ages (Dallas Morning News) from the acclaimed historian William Manchester, author of *The Last Lion*. From

*tales of chivalrous knights to the barbarity of trial by ordeal, no era has been a greater source of awe, horror, and wonder than the Middle Ages. In handsomely crafted prose, and with the grace and authority of his extraordinary gift for narrative history, William Manchester leads us from a civilization tottering on the brink of collapse to the grandeur of its rebirth: the dense explosion of energy that spawned some of history's greatest poets, philosophers, painters, adventurers, and reformers, as well as some of its most spectacular villains. "Manchester provides easy access to a fascinating age when our modern mentality was just being born." --Chicago Tribune*

*The American Civil War on Film and TV Jan 10 2021 In The American Civil War on Film and TV: Blue and Gray in Black and White and Color, Douglas Brode, Shea T. Brode, and Cynthia J. Miller bring together nineteen essays by a diverse array of scholars to explore issues of morality, race, gender, nation, and history in films and television shows featuring the American Civil War.*

*Women, Race, & Class Aug 05 2020 From one of our most important scholars and civil rights activist icon, a powerful study of the women's liberation movement and the tangled knot of oppression facing Black women. "Angela Davis is herself a woman of undeniable courage. She should be heard."—The New York Times Angela Davis provides a powerful history of the social and political influence of whiteness and elitism in feminism, from abolitionist days to the present, and demonstrates how the racist and classist biases of its leaders inevitably hampered any collective ambitions. While Black women were aided by some activists like Sarah and Angelina Grimke and the suffrage cause found unwavering support in Frederick Douglass, many women played on the fears of white supremacists for political gain rather than take an intersectional approach to liberation. Here, Davis not only contextualizes the legacy and pitfalls of civil and women's rights activists, but also discusses Communist women, the murder of Emmitt Till, and Margaret Sanger's racism. Davis shows readers how the inequalities between Black and white women influence the contemporary issues of rape, reproductive freedom, housework and child care in this bold and indispensable work.*

*How To Podcast on Wordpress.com Sep 29 2022 How To Launch a Podcast & Setup a Website using Wordpress.com. Start-to-Finish Tutorial. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; line-height: 16.0px; font: 14.0px Arial; color: #333333} span.s1 {font-kerning: none}*

*Five Feet Apart Jun 26 2022 Now a major motion picture starring Cole Sprouse and Haley Lu Richardson! Goodreads Choice Winner, Best Young Adult Fiction of 2019 In this #1 New York Times bestselling novel that's perfect for fans of John Green's The Fault in Our Stars, two teens fall in love with just one minor complication—they can't get within a few feet of each other without risking their lives. Can you love someone you can never touch? Stella Grant likes to be in control—even though her totally out of control lungs have sent her in and out of the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn't care less about his treatments, or a fancy new clinical drug trial. Soon, he'll turn eighteen and then he'll be able to unplug all these machines and actually go see the world, not just its hospitals. Will's exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn't feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too?*

*Fan Phenomena: Audrey Hepburn Oct 19 2021 What gives Audrey Hepburn such staying power? A talented actress, an icon of fashion, a loving mother, and an active humanitarian, Hepburn remains one of the world's most beloved women even two decades after her death. Ranked as the third greatest*

*screen star of all time by the American Film Institute, she possessed grace and beauty that still enchant us today. The winner of the 1953 Academy Award for her role as Princess Ann in Roman Holiday, she received further Academy Award nominations for Sabrina, Breakfast at Tiffany's, and Wait Until Dark. Her timeless, iconic style, both on and off screen, has long been admired, and she is seen by many as the epitome of grace, class, and elegance. This book focuses on the transformative nature of Hepburn's star persona, exploring her journey from ingenue to UNICEF ambassador, & her continuing influence on female culture and fashion.*

*WordPress 5 Cookbook Aug 29 2022 Explore built-in WordPress features and the power of advanced plugins and themes for building modern websites using exciting recipes Key Features Build custom features and extend built-in features in WordPress with custom coding and plugins Get to grips with extending WordPress as an application framework Manage non-functional aspects of your website such as security, performance, and maintenance Book Description WordPress has been the most popular content management system (CMS) for many years and is now powering over 30% of all websites globally. With the demand for WordPress development and skilled developers ever-increasing, now is the best time to learn WordPress inside out. This book starts with simple recipes for configuring WordPress and managing basic platform features. You'll then move on to explore how to install and customize WordPress plugins, widgets, and themes. The next few chapters cover recipes for content and user-management-related topics such as customizing the content display, working with content types, using the new Gutenberg editor, and customizing editorial workflow for building advanced blogs. As you advance, you'll learn how to use WordPress as an application framework as well as a platform for building e-commerce sites. This WordPress book will also help you optimize your site to maximize visibility on search engines, add interactivity, and build a user community to make the site profitable. Finally, you'll learn how to maintain a WordPress site smoothly while taking precautions against possible security threats. By the end of the book, you'll have the tools and skills required to build and maintain modern WordPress websites with the latest technologies and be able to find quick solutions to common WordPress problems. What you will learn Install and customize WordPress themes and plugins for building websites Develop modern web designs without the need to write any code Explore the new Gutenberg content editor introduced in WordPress 5 (Bebo) Use the existing WordPress plugins to add custom features and monetize your website Improve user interaction and accessibility for your website with simple tricks Discover powerful techniques for maintaining and securing your websites Extend built-in WordPress features for advanced website management Who this book is for This book is for beginners who want to build powerful modern websites with minimum coding knowledge and intermediate web developers who want to extend the basic features of WordPress to cater to advanced modern website technologies. Although prior experience with WordPress is not required, familiarity with basic PHP, HTML, and CSS is necessary to understand the concepts covered.*

*Text Analytics Aug 17 2021 Focusing on methodologies, applications and challenges of textual data analysis and related fields, this book gathers selected and peer-reviewed contributions presented at the 14th International Conference on Statistical Analysis of Textual Data (JADT 2018), held in Rome, Italy, on June 12-15, 2018. Statistical analysis of textual data is a multidisciplinary field of research that has been mainly fostered by statistics, linguistics, mathematics and computer science. The respective sections of the book focus on techniques, methods and models for text analytics, dictionaries and specific languages, multilingual text analysis, and the applications of text analytics. The interdisciplinary contributions cover topics including text mining, text analytics, network text analysis, information extraction, sentiment analysis, web mining, social media analysis, corpus and quantitative linguistics, statistical and computational methods, and textual data in sociology,*

psychology, politics, law and marketing.

*Plantation Memories Jul 04 2020 Plantation Memories is a compilation of episodes of everyday racism written in the form of short psychoanalytical stories. From the question "Where do you come from?" to Hair Politics to the N-word, the book is a strong, eloquent, and elaborate piece that deconstructs the normality of everyday racism and exposes the violence of being placed as the Other. Released at the Berlin International Literature Festival in 2008, soon the book became internationally acclaimed and part of numerous academic curricula. Known for her subversive practice of giving body, voice, and image to her own texts, Grada Kilomba has adapted her book into a staged reading and video installation. Plantation Memories is an important contribution to the global cultural discourse.*

*Apocalypse TV Aug 24 2019 The end of the world may be upon us, but it certainly is taking its sweet time playing out. The walkers on The Walking Dead have been "walking" for nearly a decade. There are now dozens of apocalyptic television shows and we use the "end times" to describe everything from domestic politics and international conflict, to the weather and our views of the future. This collection of new essays asks what it means to live in a world inundated with representations of the apocalypse. Focusing on such series as The Walking Dead, The Strain, Battlestar Galactica, Doomsday Preppers, Westworld, The Handmaid's Tale, they explore how the serialization of the end of the world allows for a closer examination of the disintegration of humanity--while it happens. Do these shows prepare us for what is to come? Do they spur us to action? Might they even be causing the apocalypse?*

*Queen of Shadows Oct 07 2020 Sarah J. Maas's global #1 bestselling THRONE OF GLASS series reaches new heights in this sweeping fourth instalment. Everyone Celaena Sardothien loves has been taken from her. Now she returns to the empire – to confront the shadows of her past ... Bloodthirsty for revenge on the two men responsible for destroying her life, and desperate to find out if the prince and his captain are safe, Celaena returns to Rifthold. She has accepted her identity as Aelin Galathynius, the lost Queen of Terrasen. But before she can reclaim her throne, there are dark truths to learn and debts to be paid. Aelin must stay hidden beneath her assassin's hood and draw on her mortal strength as Celaena to prevent the King of Adarlan from tearing her world apart. Only then can she fight for her people. Readers will be held rapt as Celaena's story builds to an agonising crescendo, packed with heart-pounding action and searing romance.*

*The Take2 Guide to Lost May 14 2021 Over 50 contributors ask and answer all your questions in this ultimate eBook compendium of everything related to the most iconic and 'talked-about' series in Television history. Each Chapter and Guide is made up of multiple associated articles from the likes-of award-winning sci-fi authors David Brin and Peter Watts, academics including Dr Kristine Larsen and Alan Shapiro, Lost community leaders such as Jon Lachonis, news producers, comedy writers ... and professional and lay bloggers who spawned a revolution in television criticism. Just the 'Ending' chapter alone has over 30 articles, opinions and insights to further challenge your perspective. The sumptuous Episode Guide is a definitive resource of over 350 articles with at least two reviews of each episode as well as synopses, tidbits and a comprehensive archive of intertextual references within each episode. Other chapters include; - Cast and Characters which gives an incite to the characters role in the overall drama ... as well provide juicy tidbits about the actors careers; - Mythology,' which includes posts on the Smoke Monster, DHARMA, the Frozen Donkey Wheel, and how religion was reflected on the series; - Philosophy, ranging from scholarly but accessible posts on the philosophy and philosophers referenced in the show, to a post on how the series affected one writer's personal philosophy; - Structure, including discussions on the flashback/forward/sideways, the DHARMA stations, and a physicist's explanation of the science of time travel; - Interviews with*

*the showrunners and writers throughout the lifetime of the series. and much much more.*

*Empire of Storms Jun 02 2020 Kingdoms collide as Aelin continues her epic journey from assassin to queen in this instalment of the global #1 bestselling series. The long path to the throne has just begun for Aelin Galathynius. As the kingdoms of Erilea fracture around her, enemies must become allies if Aelin is to keep those she loves from falling to the dark forces poised to claim her world. With war looming on all horizons, the only chance for salvation lies in a desperate quest that may mark the end of everything Aelin holds dear. Will Aelin succeed in keeping her world from splintering, or will it all come crashing down? Contains mature content. Not suitable for younger readers.*

*The Viewpoints Book May 02 2020 First major exploration of a ground-breaking new technique for actors and theatre artists.*

*Rules of Play Jun 14 2021 An impassioned look at games and game design that offers the most ambitious framework for understanding them to date. As pop culture, games are as important as film or television—but game design has yet to develop a theoretical framework or critical vocabulary. In Rules of Play Katie Salen and Eric Zimmerman present a much-needed primer for this emerging field. They offer a unified model for looking at all kinds of games, from board games and sports to computer and video games. As active participants in game culture, the authors have written Rules of Play as a catalyst for innovation, filled with new concepts, strategies, and methodologies for creating and understanding games. Building an aesthetics of interactive systems, Salen and Zimmerman define core concepts like "play," "design," and "interactivity." They look at games through a series of eighteen "game design schemas," or conceptual frameworks, including games as systems of emergence and information, as contexts for social play, as a storytelling medium, and as sites of cultural resistance. Written for game scholars, game developers, and interactive designers, Rules of Play is a textbook, reference book, and theoretical guide. It is the first comprehensive attempt to establish a solid theoretical framework for the emerging discipline of game design.*

*Muslim Families, Politics and the Law Jul 16 2021 Contemporary European societies are multi-ethnic and multi-cultural, certainly in terms of the diversity which has stemmed from the immigration of workers and refugees and their settlement. Currently, however, there is widespread, often acrimonious, debate about 'other' cultural and religious beliefs and practices and limits to their accommodation. This book focuses principally on Muslim families and on the way in which gender relations and associated questions of (women's) agency, consent and autonomy, have become the focus of political and social commentary, with followers of the religion under constant public scrutiny and criticism. Practices concerning marriage and divorce are especially controversial and the book includes a detailed overview of the public debate about the application of Islamic legal and ethical norms (shari'a) in family law matters, and the associated role of Shari'a councils, in a British context. In short, Islam generally and the Muslim family in particular have become highly politicized sites of contestation, and the book considers how and why and with what implications for British multiculturalism, past, present and future. The study will be of great interest to international scholars and academics researching the governance of diversity and the accommodation of other faiths including Islam.*
