This book collects TV and movie critic Matt Zoller Seitz's celebrated Mad Men recaps—as featured on New York magazine's Vulture blog—for the first time, including never-before-published essays on the show's first three seasons. Seitz's writing digs deep into the show's themes, performances, and filmmaking, examining complex and sometimes confounding aspects of the series. The complete series—all seven seasons and ninety-two episodes—is covered. Each episode review also includes brief explanations of locations, events, consumer products, and scientific advancements that are important to the characters, such as P.J. Clarke's restaurant and the old Penn Station; the inventions of the birth control pill, the Xerox machine, and the Apollo Lunar Module; the release of the Beatles' Revolver and the Beach Boys' Pet Sounds; and all the wars, protests, assassinations, and murders that cast a bloody pall over a chaotic decade. Mad Men Carousel is named after an iconic moment from the show's first-season finale, "The Wheel," wherein Don delivers an unforgettable pitch for a new slide projector that's centered on the idea of nostalgia: "the pain from an old wound." Grand Procession Sep 20 2021 *Grand Procession* celebrates a remarkable new tradition-based, contemporary American Indian art form. From a heritage rooted in dolls and ledger-book drawings, a fresh and exciting sculptural art featuring human and animal figures has evolved since the mid-1980s. Typically around two feet tall and meticulously clothed in elaborate beaded and quilled ceremonial dress, the figures carefully emulate Plains and Plateau traditions of the mid-nineteenth to early twentieth centuries. The premier collection of these figures, created by five award-winning Native American women artists—Rhonda Holy Bear (Lakota), Jamie Okuma (Luiseno), and the Growing Thunder family (Assiniboine-Sioux): Joyce Growing Thunder, her daughter Juanita Growing Thunder Fogarty, and granddaughter, Jessica Growing Thunder—has been brilliantly assembled by Charles and Valerie Diker. While each figure is a strong work of art, the assemblage of figures is particularly powerful. Beautifully illustrated, this volume will appeal to all those interested in American Indian art and crafts, contemporary and historic Indian lifeways, sculpture, and dolls. *Grand Procession* crosses many boundaries.

Men Without Women Jul 07 2020 First published in 1927, *Men Without Women* represents some of Hemingway's most important and compelling early writing. In these fourteen stories, Hemingway begins to examine the themes that would occupy his later works: the casualties of war, the often uneasy relationship between men and women, sport and sportsmanship. In "Banal Story," Hemingway offers a lasting tribute to the famed matador Maera. "In Another Country" tells of an Italian major recovering from war wounds as he mourns the untimely death of his wife. "The Killers" is the hard-edged story about two Chicago gunmen and their potential victim. Nick Adams makes an appearance in "Ten Indians," in which he is presumably betrayed by his Indian girlfriend, Prudence. And "Hills Like White Elephants" is a young couple's subtle, heart-wrenching discussion of abortion.

Pared down, gritty, and subtly expressive, these stories show the young Hemingway emerging as America's finest short story writer.

The Cambridge Companion to Grand Opera Sep 28 2019 This 2003 Companion is a fascinating and accessible exploration of the world of grand opera. Through this volume a team of scholars and writers on opera examine those important Romantic operas which embraced the Shakespearean sweep of tragedy, history, love in time of conflict, and the struggle for national self-determination. Rival nations, rival religions and violent resolutions are common elements, with various social or political groups represented in the form of operatic choruses. The book traces the origins and development of a style created during an increasingly technical age, which exploited the world-renowned skills of Parisian stage-designers, artists, and dancers as well as singers. It analyses in detail the grand operas by Rossini, Auber, Meyerbeer and Halévy, discusses grand opera in Russia and Germany, and also in the Czech lands, Italy, Britain and the Americas. The volume also includes an essay by the renowned opera director David Pountney.

Grand Ma's Best Cheesecake Recipe Collection Feb 11 2021 Is Cheesecake a Pie

or a cake? Experts disagree on this, but Grand Ma says, "It's a pie." There is very little starch in cheesecakes (if any) which is the major difference. A cheesecake is baked custard that is similar to a cream pie. Instead of using cream as a milk product, it uses cream cheese. And then there's the fact that the cream is usually cooked on the stove, while the cheesecake is cooked in the oven. The debate continues. This collection of Grand Ma's Best Cheesecake Recipes is a "MUST" for your collection.

Krauss’s depictions of the nuances of sex and love, intimacy and dependence, call to mind the work of Natalia Ginzburg in their psychological profundity, their intellectual rigor. . . . Krauss’s stories capture characters at moments in their lives when they’re hungry for experience and open to possibilities, and that openness extends to the stories themselves: narratives too urgent and alive for neat plotlines, simplistic resolutions or easy answers.” —Molly Antopol, New York Times Book Review “From a contemporary master, an astounding collection of ten globetrotting stories, each one a powerful dissection of the thorny connections between men and women. . . . Each story is masterfully crafted and deeply contemplative, barreling toward a shimmering, inevitable conclusion, proving once again that Krauss is one of our most formidable talents in fiction.” —Esquire In one of her strongest works of fiction yet, Nicole Krauss plunges fearlessly into the struggle to understand what it is to be a man and what it is to be a woman, and the arising tensions that have existed from the very beginning of time. Set in our contemporary moment, and moving across the globe from Switzerland, Japan, and New York City to Tel Aviv, Los Angeles, and South America, the stories in *To Be a Man* feature male characters as fathers, lovers, friends, children, seducers, and even a lost husband who may never have been a husband at all. The way these stories mirror one other and resonate is beautiful, with a balance so finely tuned that the book almost feels like a novel. Echoes ring

through stages of life: aging parents and new-born babies; young women's coming of age and the newfound, somewhat bewildering sexual power that accompanies it; generational gaps and unexpected deliveries of strange new leases on life; mystery and wonder at a life lived or a future waiting to unfold. *To Be a Man* illuminates with a fierce, unwavering light the forces driving human existence: sex, power, violence, passion, self-discovery, growing older. Profound, poignant, and brilliant, Krauss's stories are at once startling and deeply moving, but always revealing of all-too-human weakness and strength.

Flower Grand First Jan 01 2020 Gustavo Hernandez's debut poetry collection, *Flower Grand First*, moves through the complex roads of immigration, sexuality, and loss. These poems are points plotted on maps both physical and emotional—the rural landscapes of Jalisco, the glimmering plains of memory, the busy cities of California, and the circular paths of grief. Hernandez's stunning elegies float along a timeline spanning three decades, honoring family, recording a personal history, and revealing a vulnerable but resilient voice preoccupied with time, place, and what is left behind out of necessity.
