**iPhone 13 pro max photography user guide Oct 12 2020** If you thought iPhone 12 or any other previous iPhone to have come from Apple is the bomb, wait till you start using your iPhone 13 Pro. On this phone, Apple took it to a new level that will be difficult for competitors to catch up with any time soon. Anyone on the Apple Ecosystem should consider him or herself fortunate to be alive to witness the advanced technology behind the hood that makes life when using the iPhone 13. With more and more people using video technology for their everyday use, Apple has included a whole new lot of video-related features that can help you use your iPhone for cinematography purposes. The iPhone camera has so many hidden features and tricks that you probably don't know about and only a book like this can help to expose those hidden features for you. If you have an iPhone 11 Pro and want to be able to take stunning photos with it, then this book is for you. Now that you have got the iPhone 13 Pro Max, you are probably wondering what next? How do you make the most of this flagship phone and learn to use some of the hidden features of the phone? If you thought iPhone 12 or any other previous iPhone to have come from Apple is the bomb, wait till you start using your iPhone 13 Pro. On this phone, Apple took it to a new level that will be difficult for competitors to catch up with any time soon. Anyone on the Apple Ecosystem should consider him or herself fortunate to be alive to witness the advanced technology behind the hood that makes life when using the iPhone 13. With more and more people using video technology for their everyday use, Apple has included a whole new lot of video-related features that can help you use your iPhone for cinematography purposes. The iPhone camera has so many hidden features and tricks that you probably don't know about and only a book like this can help to expose those hidden features for you. If you have an iPhone 11 Pro and want to be able to take stunning photos with it, then this book is for you. This time with the launch of the iPhone 13, they have included camera upgrades like Portrait mode video, updated filter systems, ProRes, and so much more, but will require that you master the camera setting for you to be able to use it to capture great shots, which is why you should be ordering this book right away because it is going to tell you how to do just that. Very often the manuals and user guides that accompany devices tend to be basic on providing the best tricks and tips required to get the best from such devices which is why this book was written to help you get the most out of your iPhone 13 Pro Camera app. In this book, you will learn: •How to use the iPhone 13 Pro exclusive feature called ProRes •The meaning of Cinematic mode and how they improve your iPhone videography •Why manual camera settings can improve your picture quality •How to access some hidden camera functions that you probably did not expect a phone camera to have •The different functions of the three lenses and how you should use them •Why you should not use the digital zoom and use the optical zoom instead to get the best from your photos This book shows many more functions than you would expect to find on a phone and helps you better utilize your iPhone 13 Pro Max when next you go on a trip, visit the airport, go on vacation, capture important moments, and document the different stages of your child's life. This book is so valuable that this present price is not likely to stay for long as it will be reviewed soon, only those who make an early decision to buy now will benefit from this bargain as it is a real gem of a book. **The Power of Fun Aug 29 2019** If you're not having fun, you're not fully living. The author of *How to Break Up with Your Phone* makes the case that, far from being frivolous, fun is actually critical to our well-being—and shows us how to have more of it. "This delightful book might just be what we need to start flourishing."—#1 New York Times bestselling author Adam Grant Journalist and screen/life balance expert Catherine Price argues persuasively that our always-on, tech-addicted lifestyles have led us to obsess over intangible concepts such as happiness while obscuring the fact that real happiness lies in the everyday experience of fun. We often think of fun as indulgent, even immature and selfish. We claim to not have time for it, even as we find hours a day for what Price calls Fake Fun—bingeing on television, doomscrolling the news, or posting photos to social media, all in hopes of filling some of the emptiness we feel inside.. In this follow-up to her hit book, *How to Break Up with Your Phone*, Price makes the case that True Fun—which she defines as the magical confluence of playfulness, connection, and flow—will give us the fulfillment we so desperately seek. If you use True Fun as your compass, you will be happier and healthier. You will be more productive, less resentful, and less stressed. You will have more energy. You will find community and a sense of purpose. You will stop languishing and start flourishing. And best of all? You'll enjoy the process. Weaving together scientific research with personal experience, Price reveals the surprising mental, physical, and cognitive benefits of fun, and offers a practical, personalized plan for how we can achieve better screen/life balance and attract more True Fun into our daily lives—without feeling overwhelmed. Groundbreaking, eye-opening, and packed with useful advice, *The Power of Fun* won't just change the way you think about fun. It will bring you back to life.

**The Best iPhone SE 2020 User Guide Ever Jun 07 2020** I thought it would be a boring small budget phone, but I was wrong... The iPhone SE 2020 is the smallest, fastest, and cheapest iPhone we've seen for a while now. Apple's most affordable iPhone has finally been updated to the new Apple iPhone SE 2020. Unofficially, SE means special edition, and this phone is indeed impressive. It's loaded with so many useful features, to a point where your jaw might drop.

***In this book, I talk about the phone's hidden features, comfort, design and screen quality, performance, camera image quality, and battery life, and more! With this book, you'll learn: Why the iPhone SE 2020 is essentially the classic Apple product. Why everything about this phone feels fluid. Why the iPhone SE 2020 feels like a new iPhone 11 Pro inside the iPhone 8 body. Secret techniques, tips, and tricks to use and improve your iPhone SE 2020 seamlessly. Do you want to know how to: Clean your iPhone the correct way? Switch mobile data and Bluetooth on or off in an instant? Access airplane mode quickly? Check network connection strength? Turn data roaming on or off? Turn Wi-Fi Assist on or off? Use the Control Center for quick access to frequently used settings? Force close non-responding apps? Turn on Low Data Mode to help apps reduce their network data use? Reset your voicemail password? Stop unwanted pop-ups in your browser? Troubleshoot apps for smooth running? Then get this book to solve these and more... It's never been easier to get into the iPhone and the Apple ecosystem with the iPhone SE 2020. If you're new to the iPhone or want to brush up on your skills, GET THIS BOOK TO MASTER THE ART OF THE IPHONE SE 2020. The iPhone Photography Book Nov 12 2020 Learn to take great photos with your iPhone—the camera you always have with you!***

***Imagine if someone took the same photographic techniques, principles, and tools used by high-end and professional photographers, but applied them to shooting with an iPhone. Imagine the type of images you'd be able to create using those same ideas. Well, finally, somebody has.***

***The world's #1 best-selling photography techniques author is about to break all the rules as he shows you how to apply the same techniques today's top pro photographers use to make stunning images. You're going to learn exactly how to use these techniques to create images that people will just not believe you could actually take with a phone (but with the quality of the iPhone's camera, you absolutely can!).***

***Scott leaves all the techno-speak behind and, instead, treats the whole book as if it were just you and he out on a shoot with your iPhones, using his trademark casual, plain-English writing style to help you unlock the power of your iPhone to make the type of pictures you never thought could be done with a phone. You'll learn:***

- Which tools to use to make pro-quality portraits in any lighting situation.***
- How to create stunning landscape shots that people will swear you took with an expensive DSLR or mirrorless camera.***
- Proven posing techniques that flatter your subject and make anyone you photograph look their very best in every shot.***
- How to organize and edit your photos like a pro!***
- The pros' top tips for making amazing shots of everything from flowers to product shots, from food photography to travel shots, and everything in between.***

***Each page covers a single concept, a single tool, or a trick to take your iPhone photography from snapshots to shots that will make your friends and family say, "Wait...you took this?!"***
