[SUCCESS STORIES OF IAS EXAM CRACKERS](#) May 17 2021 This book is an outcome of sheer hard work of successful candidates. Previously; I had given thought to publish the success stories last year too but it could not materialize. Subsequently; when I came in contact with successful candidates; I realized that some had so unique journeys that I could not resist myself to give shape to the idea which was in mind since long. Again; the question arose to whom should I approach since I had known only limited number of successful candidates. In this book you will find a unique success pattern of each successful officer. Some of them come from backward areas; some have average educational qualification; so that you may realize that successful candidates not born with a silver spoon. Some of them were already in job; it is interesting to see how they could sale through their arduous journey and made it to the destination.

The Messages of Its Walls and Fields Jul 27 2019 The Messages of its Walls and Fields seeks to understand the culture of each decade of the School's development. The focus is on the boys themselves, but Katharine Thornton also evaluates the policies of succeeding Councils of Governors and the achievements of the thirteen Headmasters who have led Saints from 1847 to 2009. The curriculum story is here, the context for advocating sport, the emergence of the external activities of the co-curriculum, the values of a Saints' education, the background to each building project, the economy of the School, drama and the arts, science and new laboratories, the ambience of stone, trees and green lawn at the heart of a Saints' experience. St Peter's College graduates have made significant contributions to the life of South Australia, in the professions, in social values, in politics, in sport and in the arts. The history of South Australia must include a knowledge of this School. Here it is in twenty chapters and hundreds of illustrations, not just an entertainment for a week but a reliable record for a lifetime.
