A Collection of Nightmares Oct 13 2020 Hold your screams and enter a world of seasonal creatures, dreams of bones, and confessions modeled from open eyes and endless insomnia. Christina Sng's *A Collection of Nightmares* is a poetic feast of sleeplessness and shadows, an exquisite exhibition of fear and things better left unsaid. Here are ramblings at the end of the world and a path that leads to a thousand paper cuts

at the hands of a skin carver. There are crawlspace whispers, and fresh sheets gently washed with sacrifice and poison, and if you're careful in this ghost month, these poems will call upon the succubus to tend to your flesh wounds and scars. These nightmares are sweeping fantasies that electrocute the senses as much as they dull the ache of loneliness by showing you what's hiding under your bed, in the back of your closet, and inside your head. Sng's poems dissect and flower, her autopsies are delicate blooms dressed with blood and syntax. Her words are charcoal and cotton, safe yet dressed in an executioner's garb. Dream carefully. You've already made your bed. The nightmares you have now will not be kind. And you have no one to blame but yourself.

Just a Book Feb 26 2022 *Just a Book* is a delightful set of mystical, magical short stories that will capture your imagination as you are transported to exotic worlds far, far away. Be prepared for your heart to take flight as you follow the adventures of each memorable character in this unusual collection of seven remarkable tales. True romantics everywhere will discover just a tiny bit of themselves in normal, everyday Abigail, the heroine in the title story of *Just a Book*. Abigail longs to become a famous writer, yet her inspiration only comes during sleep, when a warrior hero and his priestess love play out their romance in Abigail's dreams. When a transcript of her dreams becomes a bestselling book, Abigail must learn the hard truth that success can never be cherished if the price is too steep. Each of the remaining stories in *Just a Book*, from "Embrace in Flames," the story of Nora the doomed sorceress, to "Beloved Enemy," the tale of Sir Sterdan, a dragon-slaying knight, are set against an unexpected concoction of both real-world and make-believe locations. So much more than *Just a Book*, these seven short stories will delight readers with a host of unforgettable characters moving through an endless series of fascinating twists and turns of fate.

The Book of Magic Sep 04 2022 A new anthology celebrating the witches and sorcerers of epic fantasy—featuring stories by George R. R. Martin, Scott Lynch, Megan Lindholm, and many others! Hot on the heels of Gardner Dozois's acclaimed anthology *The Book of Swords* comes this companion volume devoted to magic. How could it be otherwise? For every Frodo, there is a Gandalf . . . and a Saruman. For every Dorothy, a Glinda . . . and a Wicked Witch of the West. What would Harry Potter be without Albus Dumbledore . . . and Severus Snape? Figures of wisdom and power, possessing arcane, often forbidden knowledge, wizards and sorcerers are shaped—or misshaped—by the potent magic they seek to wield. Yet though their abilities may be godlike, these men and women remain human—some might say all too human. Such is their curse. And their

glory. In these pages, seventeen of today's top fantasy writers—including award-winners Elizabeth Bear, John Crowley, Kate Elliott, K. J. Parker, Tim Powers, and Liz Williams—cast wondrous spells that thrillingly evoke the mysterious, awesome, and at times downright terrifying worlds where magic reigns supreme: worlds as far away as forever, and as near as next door. **FEATURING SIXTEEN ALL-NEW STORIES:** “The Return of the Pig” by K. J. Parker “Community Service” by Megan Lindholm “Flint and Mirror” by John Crowley “The Friends of Masquelayne the Incomparable” by Matthew Hughes “The Biography of a Bouncing Boy Terror: Chapter Two: Jumping Jack in Love” by Ysabeau S. Wilce “Song of Fire” by Rachel Pollack “Loft the Sorcerer” by Eleanor Arnason “The Governor” by Tim Powers “Sungrazer” by Liz Williams “The Staff in the Stone” by Garth Nix “No Work of Mine” by Elizabeth Bear “Widow Maker” by Lavie Tidhar “The Wolf and the Manticore” by Greg Van Eekhout “The Devil’s Whatever” by Andy Duncan “Bloom” by Kate Elliott “The Fall and Rise of the House of the Wizard Malkuril” by Scott Lynch Plus George R. R. Martin’s classic story “A Night at the Tarn House” and an introduction by Gardner Dozois Praise for *The Book of Magic* “In *The Book of Magic*, you get everything you expect and more! Assembling seventeen great authors in one place is a difficult job but this book, with a lot of help from editor Gardner Dozois, does just that. . . . This compilation is a treat for any who love a good fantasy tale.”—Geeks of Doom

A Collection of Problems on Mathematical Physics Nov 25 2021 A Collection of Problems on Mathematical Physics is a translation from the Russian and deals with problems and equations of mathematical physics. The book contains problems and solutions. The book discusses problems on the derivation of equations and boundary condition. These Problems are arranged on the type and reduction to canonical form of equations in two or more independent variables. The equations of hyperbolic type concerns derive from problems on vibrations of continuous media and on electromagnetic oscillations. The book considers the statement and solutions of boundary value problems pertaining to equations of parabolic types when the physical processes are described by functions of two, three or four independent variables such as spatial coordinates or time. The book then discusses dynamic problems pertaining to the mechanics of continuous media and problems on electrodynamics. The text also discusses hyperbolic and elliptic types of equations. The book is intended for students in advanced mathematics and physics, as well as, for engineers and workers in research institutions.

A History of Moonville, Ohio and a Collection of Its Haunting Tales Jun 28 2019 A History of Moonville, Ohio and a Collection of its Haunting Tales, Revised Edition, is an updated version of a previous work the author had published back in 2008. This revised edition contains more detailed history about Moonville and its surrounding towns, such as Zaleski, on how they came to be, most notably that Moonville was named by the railroad after a general store proprietor rather than the man who had actually founded the town; and that Zaleski was named after a Polish/French financier who never came to America to see his namesake town. This revised edition also contains more haunting tales of what had happened to some of those who had lived and worked in this remote mining town in eastern Vinton County, Ohio, mainly covering those who had been involved in train accidents surrounding the still-standing tunnel as these trains came barreling through the

area; plus, there are a few tales of murder as well. There are also a few light-hearted tales most notably that of a well-known English author who had passed through Moonville on his way to tour America back in the late 1860s as well as a story about some feisty sisters, in Athens, who took on the expanding railroad. There are human interest elements in all of this, most notably to me, is the story of the Dexters who had been enslaved in Virginia, escaping in the 1860s, having made their way to Moonville in order to live out their lives in freedom. This book is about preserving the history of a mining town that began back in the 1850s, thriving for nearly fifty years, before it began its long slide into history, though not completely forgotten, for it had been, once, a vital part of Ohio's history, especially in the days leading up to the American Civil War; and that is why I wrote and revised this work - for Moonville's history is a part of Ohio's history.

The Discipline of Organizing: Professional Edition Dec 15 2020 Note about this ebook: This ebook exploits many advanced capabilities with images, hypertext, and interactivity and is optimized for EPUB3-compliant book readers, especially Apple's iBooks and browser plugins. These features may not work on all ebook readers. We organize things. We organize information, information about things, and information

about information. Organizing is a fundamental issue in many professional fields, but these fields have only limited agreement in how they approach problems of organizing and in what they seek as their solutions. The Discipline of Organizing synthesizes insights from library science, information science, computer science, cognitive science, systems analysis, business, and other disciplines to create an Organizing System for understanding organizing. This framework is robust and forward-looking, enabling effective sharing of insights and design patterns between disciplines that weren't possible before. The Professional Edition includes new and revised content about the active resources of the "Internet of Things," and how the field of Information Architecture can be viewed as a subset of the discipline of organizing. You'll find: 600 tagged endnotes that connect to one or more of the contributing disciplines Nearly 60 new pictures and illustrations Links to cross-references and external citations Interactive study guides to test on key points The Professional Edition is ideal for practitioners and as a primary or supplemental text for graduate courses on information organization, content and knowledge management, and digital collections. FOR INSTRUCTORS: Supplemental materials (lecture notes, assignments, exams, etc.) are available at <http://disciplineoforganizing.org>. FOR STUDENTS: Make sure this is the edition you want to buy. There's a newer one and maybe your instructor has adopted that one instead.

[My Horizontal Life](#) Mar 30 2022 In this raucous collection of true-life stories, Chelsea Handler recounts her time spent in the social trenches with that wild, strange, irresistible, and often gratifying beast: the one-night stand. You've either done it or know someone who has: the one-night stand, the familiar outcome of a night spent at a bar, sometimes the sole payoff for your friend's irritating wedding, or the only relief from a disastrous vacation. Often embarrassing and uncomfortable, occasionally outlandish, but most times just a necessary and irresistible evil, the one-night stand is a social rite as old as sex itself and as common as a bar stool. Enter Chelsea Handler. Gorgeous, sharp, and anything but shy, Chelsea loves men and lots of them. [My Horizontal Life](#) chronicles her romp through the different bedrooms of a variety of suitors, a no-holds-barred account of what can happen between a man and a sometimes very intoxicated, outgoing woman during one night of passion. From her short fling with a Vegas stripper to her even shorter dalliance with a well-endowed little person, from her uncomfortable tryst with a cruise ship performer to her misguided rebound with a man who likes to play leather dress-up, Chelsea recalls the highs and lows of her one-night stands with hilarious honesty. Encouraged by her motley collection of friends (aka: her partners in crime) but challenged by her family members (who at times find themselves a surprise part of the encounter), Chelsea hits bottom and bounces back, unafraid to share the gritty details. [My Horizontal Life](#) is one guilty pleasure you won't be ashamed to talk about in the morning.

Rainbow Painting Jan 16 2021 Saturated with direct, pithy instructions, Rainbow Painting presents the very quintessence of the Buddhist Spiritual approach through the authentic personal experience of one of the greatest living meditation masters. Tulku Urgyen Rinpoche expresses what he himself has undergone, instructing us in a complete manner of training. To attain enlightenment we must experience our innate nature. The ultimate object of realization, the natural state of mind, unmistakably and exactly as it is,

need not be sought for elsewhere but is present within ourselves. Stability in this unexcelled state of unity is not achieved by separating what we know from what we do. This book contains astute instructions that address these key points of spirituality.

A Collection of Words Nov 06 2022 This book contains a mere collection of poetry, letters, and other works that have been compiled over time. The author has written over time based on circumstance and feeling. You will find that some of the pieces of works are dated and others are not; never fear, all that means is that the time was never recorded or simply the original was lost and I found a copy. If there are any other dated pieces of works that are especially vague, that just means that it was not labeled, but I knew the general date when I wrote it. Please keep in mind that the names have been changed to protect both myself and who they are written to, for, or about. You may find some opinionated text about certain parties, but such is the nature of the text that it is in. There is not much else to say, but the fact that as you read this book, I hope you enjoy my life, my thoughts, my feelings, but most of all I hope you enjoy the beautiful art of creative writing.
