**Bang!!** Feb 20 2022 In 2006, rock legend and experienced amateur astronomer Brian May joined the legendary expert Sir Patrick Moore and astrophysicist Professor Chris Lintott to tell the story of the universe from the moment time and space came into existence at the Big Bang, through to the infinite future and the ultimate fate that awaits us. Following the spectacular success of the original book, Brian and Chris have got together again to extend and update the information in this accessible introduction to the history of the universe. Many of the pictures of the universe obtained by instruments such as the Hubble Space Telescope or the Very Large Telescope in Chile are beautiful enough to be considered works of art in their own right and this book presents them in context, and uses extraordinary new artworks to explain the mind-blowing theories from the cutting edge of astronomy in a way that everyone can understand. Fully revised and updated throughout, this new edition also contains an entire new chapter as well as more than 100 new photographs and illustrations.

**The Most Interesting Man in the Whole Wide World** May 02 2020 As a boy, Horatio Higgins was ignored by the other children, but that didn't stop him having lots of friends...friends only he could see and whom he'd regale with tales of his fantastical exploits. Eventually, though, his parents became concerned at the inordinate amount of time their son appeared to spend talking to himself and took him for treatment, which, in time, proved successful...almost. One friend remained. Unfortunately it was the spiteful one. Years later, living alone in his tiny London flat, Horatio's loneliness is mitigated only by his acid-tongued friend and the company of what he affectionately refers to as "my wife." After losing his job, however, his life begins a rapid downward spiral...that is, until he meets a sweet, impressionable young woman named Nore. As their relationship lurches unsteadily forward, Horatio finds himself struggling against a riptide of conflicting realities he's ill-equipped to cope with. Convinced that only Nore can save him from himself, it soon becomes apparent that she, too, will be dragged into a world where the line between fantasy and reality becomes increasingly and perilously blurred.
