Meditations on Gandhi Jul 31 2022 Insight into the Gandhian social views, and impressions and personal recollections on Gandhian and politician Ravindra Varma, b. 1925; contributed articles.

[India After Gandhi: The History of the World's Largest Democracy](#) Jan 31 2020 Ramachandra Guha's India after Gandhi is a magisterial account of the pains, struggles, humiliations and glories of the world's largest and least likely democracy. A riveting chronicle of the often brutal conflicts that have rocked a giant nation, and of the extraordinary individuals and institutions who held it together, it established itself as a classic when it was first published in 2007. In the last decade, India has witnessed, among other things, two general elections; the fall of the Congress and the rise of Narendra Modi; a major anti-corruption movement; more violence against women, Dalits, and religious minorities; a wave of prosperity for some but the persistence of poverty for others; comparative peace in Nagaland but greater discontent in Kashmir than ever before. This tenth anniversary edition, updated and expanded, brings the narrative up to the present. Published to coincide with seventy years of the country's independence, this definitive history of modern India is the work of one of the world's finest scholars at the height of his powers.

Gandhi and His Critics Sep 08 2020 The book explores the evolution of Gandhi's ideas, his attitudes toward religion, the racial problem, the caste system, his conflict with the British, his approach to Muslim separatism and the division of India, his attitude toward social and economic change, his doctrine of nonviolence, and other key issues.

Beyond Doubt - a Dossier on Gandhi's Assassination Apr 27 2022 The assassination of Mahatma Gandhi on 30 January 1948 was a declaration of war and a statement of intent. For the forces who conspired in the killing, the act was a declaration of war with the secular, democratic Indian state and all those who stood to affirm these principles, as well as an announcement of a lasting commitment to India as a 'Hindu Rashtra'. It was also an act to signal the elimination of all that India's national movement against imperialism stood for. *Beyond Doubt* is a dossier of historical and critical documents that aims to contextualize the politics, motivations and circumstances behind the assassination of Mahatma Gandhi. Attempts to legitimize the act of killing and to celebrate the killers have re-doubled since May 2014, following the coming to power of the new regime in New Delhi. The time is right, therefore, to set the record straight. The visceral hatred directed against Gandhi and the denigration of everything he stood for need to be recounted if we are to understand the political nature of that dastardly act. This book attempts to weave together archival documents from Government of India records relating to developments after the assassination, with translation of works in Marathi, Gujarati, and Hindi deconstructing the ideology responsible for the political killing. While several of the documents have appeared before in issues of *Communalism Combat*, this compilation presents new material on the subject. The first English translation of Jagan Phadnis's book, *Mahatmyache Akher*, forms part of the dossier, as do Y.D. Phadke's analysis of attempts to legitimize Gandhi's killing and Chunibhai Vaidya's analysis of Pradeep Dalvi's play on Godse. It also covers the recent controversy over the destruction of files relating to Gandhi's assassination by Government of India. A second volume of this dossier will bring to readers the Report of the Justice Kapur Commission, constituted to investigate the Gandhi assassination, with a detailed introduction and notes.

Gandhi Oct 02 2022 Presents the story of the great leader who succeeded in bringing about social and political change in India through nonviolent means.

On Gandhi Aug 27 2019 This brief text assists students in understanding Gandhi's philosophy and thinking so they can more fully engage in useful, intelligent class dialogue and improve their understanding of course content. Part of the Wadsworth Notes Series, (which will eventually consist of approximately 100 titles, each focusing on a single "thinker" from ancient times to the present), *ON GANDHI* is written by a philosopher deeply versed in the philosophy of this key thinker. Like other books in the series, this concise book offers sufficient insight into the thinking of a notable philosopher, better enabling students to engage in reading and to discuss the material in class and on paper.

The Way to God May 29 2022 Mahatma Gandhi became famous as the leader of the Indian independence movement, but he called himself “a man of God disguised as a politician.” The Way to God demonstrates his enduring significance as a spiritual leader whose ideas offer insight and solace to seekers of every practice and persuasion. Collecting many of his most significant writings, the book explores the deep religious roots of Gandhi’s worldly accomplishments and reveals—in his own words—his intellectual, moral, and spiritual approaches to the divine. First published in India in 1971, the book is based on Gandhi’s lifetime experiments with truth and reveals the heart of his teachings. Gandhi’s aphoristic power, his ability to sum up complex ideas in a few authoritative strokes, shines through these pages. Individual chapters cover such topics as moral discipline, spiritual practice, spiritual experience, and much more. Gandhi’s guiding principles of selflessness, humility, service, active yet nonviolent resistance, and vegetarianism make his writings as timely today as when these writings first appeared. A foreword by Gandhi’s grandson Arun and an introduction by Michael Nagler add useful context. From the Trade Paperback edition.

Gandhi: The Years That Changed the World, 1914-1948 Dec 24 2021 Opening in July 1914, as Mohandas Gandhi leaves South Africa to return to India, *Gandhi: The Years That Changed the World, 1914-1918* traces the Mahatma’s life over the three decades preceding his assassination. Drawing on new archival materials, acclaimed historian Ramachandra Guha follows Gandhi’s struggle to deliver India from British rule, to forge harmonious relations between India’s Hindus and Muslims, to end the pernicious practice of untouchability, and to nurture India’s economic and moral self-reliance. He shows how in each of these campaigns, Gandhi adapted methods of nonviolence that successfully challenged British authority and would influence revolutionary movements throughout the world. A revelatory look at the complexity of Gandhi’s thinking and motives, the book is a luminous portrait of not only the man himself, but also those closest to him—family, friends, and political and social leaders.

Gandhi Jun 17 2021 This is the extraordinary story of how one man’s indomitable spirit inspired a nation to triumph over tyranny. This is the story of Mahatma Gandhi, a man who owned nothing-and gained everything.

Between Ethics and Politics Feb 11 2021 Is it possible to build an authentically democratic system in politics without concrete ethical foundations? Addressing this question in the wake of the contemporary crisis in democracy worldwide, the volume re-evaluates Mohandas Karamchand Gandhi’s key thoughts. It foregrounds their relevance to the ongoing struggles that attempt to reconcile the apparently dissimilar orientations of politics and ethics. Collecting fresh interdisciplinary researches, the book provides insights into Gandhi’s complex — and occasionally turbulent — intellectual and political relationships with influential figures of Indian society and politics, whether critics such as B. R. Ambedkar and friends like Rabindranath Tagore and Jawaharlal Nehru. It also presents an informed political biography of Gandhi, encapsulating the salient details of his long trajectory as a unique mass mobilizer, socio-political activist and ideologue — from his days in South Africa to his death in independent India. This book will immensely interest scholars and students of political theory, philosophy, ethics, history, and Gandhian studies.

The Bhagavad Gita According to Gandhi Oct 29 2019 The Bhagavad Gita, also called The Song of the Lord, is a 700-line section of a much longer Sanskrit war epic, the Mahabharata, about the legendary conflict between two branches of an Indian ruling family. Framed as a conversation between Krishna, an incarnation of the god Vishnu, and a general of one of the armies, the Gita is written in powerful poetic language meant to be chanted. Equally treasured as a guide to action, a devotional scripture, a philosophical text, and inspirational reading, it remains one of the world’s most influential, widely read spiritual books. The Bhagavad Gita According to Gandhi is based on talks given by Gandhi between February and November 1926 at the Satyagraha Ashram in Ahmedabad, India. During this time—a period when Gandhi had withdrawn from mass political activity—he devoted much of his time and energy to translating the Gita from Sanskrit into his native Gujarati. As a result, he met with his followers almost daily, after morning prayer sessions, to discuss the Gita’s contents and meaning as it unfolded before him. This book is the transcription of those daily sessions. From the Trade Paperback edition.

Gandhi Jan 13 2021 This striking compilation of almost 300 photographs offers a profound insight into the life and work of Mahatma Gandhi (1869-1948) as both a public figure and a private individual. It embodies a precious and intimate view of a side to Gandhi’s life with which many are not as familiar, through a perspective that is at once pragmatic and personal. This book pursues a compelling visual narrative and permits us a very rare and highly privileged understanding of Gandhi - given via a diverse range of photographic lenses from the witty and ardent press, to the sensitive and intelligent agency and the ingenuous eye of a great nephew. Many of these images have never been seen before. They are derived from two essential and exclusive collections: the photo-archives of Gandhi’s foremost biographer Vithalbhaji Jhaveri, and those of Kanu Gandhi, Gandhi’s great nephew. After Jhaveri’s death, Peter Rühle assimilated the extensive photo collection of over 9,000 prints into a photo-archive of the highest standard, using scientific cataloguing and computerization. The second photographic source, that of Kanu Gandhi, is especially breathtaking because of its history. Kanu Gandhi lived with Mahatma Gandhi for the last 12 years of the latter’s life. He was the sole person by whom Gandhi consented to be photographed - and, even so, only on three conditions: that the freedom movement would not fund them; that there was to be no use of flash; and that Gandhi would not pose for him. In Rühle’s book, Gandhi’s extraordinary life is brought to light by means of this astounding collection of images. The pictures in this compilation are also unique in that they follow Gandhi all the way from his early life in India, to his law studies in London, his work in South Africa, and finally his return to lead the struggle for Indian independence, which won him the title ‘father of the nation’ in India. A magnificent accomplishment in itself, this volume identifies the encompassing sweep of world politics and the perpetual struggles of the poor with the life of a single individual, whose impact on the world is matched by few in the history of mankind.

Mahatma Gandhi Mar 27 2022 The idea of nonviolent resistance is still as essential and almost as radical today as it was when Mahatma Gandhi (1869–1948) first pioneered in India the protest of political tyranny—in his case against British colonialism—through massive displays of civil disobedience. Gandhi’s ideas of peaceful protest went on to inspire the marches and sit-ins of the American Civil Rights movement and continue to be the foundations for political and social demonstrations around

the world. This biography by leading scholar Douglas Allen presents a new and challenging approach to understanding Gandhi's life—the time in which he lived, how he shaped history, and how his philosophy and practices can be reformulated in ways that are significant and effective today. Allen analyzes his continuing relevance by addressing key issues of truth and ethics, violence and nonviolence, equality and freedom, as well as ideas of exploitation, oppression, religious conflict, and environmental crises. Allen provides a much needed new perspective on Gandhi that allows us to rethink our basic values and priorities. By helping us understand Gandhi's life and message, he creates a new paradigm for evaluating truth, nonviolence, peace, and morality; and he offers new criteria for assessing our modern approach to standards of living, development, progress, and meaningful human existence.

Gandhi and the Nuclear Age Mar 03 2020

Tagore on Gandhi Jan 01 2020 As a supreme symbol of India's culture and spirit, Tagore was a contemporary of the other colossus of nineteenth-century India, Mahatma Gandhi. These two towering figures came to represent the essence of Indian thought and life in the modern age. Contemporaries and icons of our freedom struggle movement, they differed in their intrinsic philosophies and yet shared the same vision. This book is a collection of Tagore's essays and addresses on Gandhi, whom he reverentially called The Mahatma. These were written on the occasion of Gandhi's birth anniversaries and his Epic Fast in 1932, and provide a useful insight on the Mahatma. While Gandhi the Man talks of the Mahatma's immense humanity, A Liberated Soul reveals the secret of Gandhi's success as his dynamic spiritual strength and incessant self-sacrifice. In On Mahatma's Birthday Tagore acknowledges Gandhi as the central bond of brotherhood in the motherland, while in Moral Warfare he espouses a spiritual war against the violence of evils.

The South African Gandhi Mar 15 2021 In the pantheon of freedom fighters, Mohandas Karamchand Gandhi has pride of place. His fame and influence extend far beyond India and are nowhere more significant than in South Africa. "India gave us a Mohandas, we gave them a Mahatma," goes a popular South African refrain. Contemporary South African leaders, including Mandela, have consistently lauded him as being part of the epic battle to defeat the racist white regime. The South African Gandhi focuses on Gandhi's first leadership experiences and the complicated man they reveal—a man who actually supported the British Empire. Ashwin Desai and Goolam Vahed unveil a man who, throughout his stay on African soil, stayed true to Empire while showing a disdain for Africans. For Gandhi, whites and Indians were bonded by an Aryan bloodline that had no place for the African. Gandhi's racism was matched by his class prejudice towards the Indian indentured. He persistently claimed that they were ignorant and needed his leadership, and he wrote their resistances and compromises in surviving a brutal labor regime out of history. The South African Gandhi writes the indentured and working class back into history. The authors show that Gandhi never missed an opportunity to show his loyalty to Empire, with a particular penchant for war as a means to do so. He served as an Empire stretcher-bearer in the Boer War while the British occupied South Africa, he demanded guns in the aftermath of the Bhambatha Rebellion, and he toured the villages of India during the First World War as recruiter for the Imperial army. This meticulously researched book punctures the dominant narrative of Gandhi and uncovers an ambiguous figure whose time on African soil was marked by a desire to seek the integration of Indians, minus many basic rights, into the white body politic while simultaneously excluding Africans from his moral compass and political ideals.

Gandhi Sep 01 2022 Rarely seen images and rigorous research provides fascinating insight into one of the most revered figures in modern Indian history. Gandhi is an intimate history of the evolution of a mischievous, fun-loving boy into the Mahatma. From his schooling and early marriage in Kathiawar to his first brushes with the grandeur of London; from his chance employment for a legal case in South Africa to a train ride in Pietermaritzburg that led to his first fight for equality; from a relatively unsuccessful lawyer to a globally celebrated crusader for human rights—Gandhi was that rare rebel who redefined the meaning of mass resistance for generation to come. The chronological text and rarely seen photographs bring out his unique complexities for a new generation of readers.

Gandhi Nov 03 2022 Among prominent leaders of the twentieth century, perhaps no one is more highly regarded than Mahatma Gandhi. He is revered by the vast majority of Hindus as the hero of Indian independence, and many people throughout the world consider him to be a modern saint. In this explosive, intriguing, and provocative investigation, Colonel G. B. Singh charges that the popular image of Gandhi is highly misleading. Despite his famous philosophy of nonviolent resistance (satyagraha), Colonel Singh's analysis of the evidence leads him to conclude that Gandhi's ideology was in fact rooted in racial animosity, first against blacks in South Africa and later against whites in India. The author also finds evidence of multiple cover-ups designed to hide Gandhi's real history, including even collusion to cover up the murder of an American. This provocative thesis is sure to be controversial.

A Searchlight on Gandhi Jun 25 2019

Who Was Gandhi? Jul 19 2021 Mohandas Karamchand Gandhi was born in 1869 in British-occupied India. Though he studied law in London and spent his early adulthood in South Africa, he remained devoted to his homeland and spent the later part of his life working to make India an independent nation. Calling for non-violent civil disobedience, Gandhi led India to independence and inspired movements for civil rights around the world. Gandhi is recognized internationally as a symbol of hope, peace, and freedom.

The Encyclopaedia Britannica Oct 22 2021 This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

On Gandhi's Path Nov 10 2020 "Swann Song": A biography of Robert Swann, father of relocalization.

Gandhi's Truth: On the Origins of Militant Nonviolence Sep 28 2019 A Western psychoanalyst and historian presents a detailed examination of the philosophies accepted by Gandhi and his attempts to convert the British through nonviolence

I am Gandhi Nov 30 2019 Advocate for peace and nonviolent revolutionary Gandhi is the 12th hero in the New York Times bestselling picture book biography series for ages 5 to 8. (Cover may vary) As a young man in India, Gandhi saw firsthand how people were treated unfairly. Refusing to accept injustice, he came up with a brilliant way to fight back through quiet, peaceful protest. He took his methods with him from South Africa back to India, where he led a nonviolent revolution that freed his country from British rule. Through his calm, steady heroism, Gandhi changed everything for India and inspired civil rights movements all over the world, proving that the smallest of us can be the most powerful. This friendly, fun biography series inspired the PBS Kids TV show *Xavier Riddle and the Secret Museum*. One great role model at a time, these books encourage kids to dream big. Included in each book are: • A timeline of key events in the hero's history • Photos that bring the story more fully to life • Comic-book-style illustrations that are irresistibly adorable • Childhood moments that influenced the hero • Facts that make great conversation-starters • A virtue this person embodies: Gandhi's commitment to peace is celebrated in this biography You'll want to collect each book in this dynamic, informative series!

Gandhi on Non-Violence Jan 25 2022 An essential compendium for understanding Gandhi's profound legacy. "One has to speak out and stand up for one's convictions. Inaction at a time of conflagration is inexcusable."—Mahatma Gandhi The basic principles of Gandhi's philosophy of non-violence (Ahimsa) and non-violent action (Satyagraha) were chosen by Thomas Merton for this volume in 1965. In his challenging Introduction, "Gandhi and the One-Eyed Giant," Merton emphasizes the importance of action rather than mere pacifism as a central component of non-violence, and illustrates how the foundations of Gandhi's universal truths are linked to traditional Hindu Dharma, the Greek philosophers, and the teachings of Christ and Thomas Aquinas. Educated as a Westerner in South Africa, it was Gandhi's desire to set aside the caste system as well as his political struggles in India which led him to discover the dynamic power of non-cooperation. But, non-violence for Gandhi "was not simply a political tactic," as Merton observes: "the spirit of non-violence sprang from an inner realization of spiritual unity in himself." Gandhi's politics of spiritual integrity have influenced generations of people around the world, as well as civil rights leaders from Martin Luther King, Jr. and Steve Biko to Václav Havel and Aung San Suu Kyi. Mark Kurlansky has written an insightful preface for this edition that touches upon the history of non-violence and reflects the core of Gandhi's spiritual and ethical doctrine in the context of current global conflicts.

The Wit and Wisdom of Gandhi Dec 12 2020 Assembled with skill and sensitivity by social activist Homer A. Jack, this selection of brief and incisive quotations range from religion and theology, personal and social ethics, service, and international and political affairs, to the family, education, culture, Indian problems, and Gandhi's most original concept, satyagraha — group nonviolent direct action.

M.K. Gandhi, Attorney at Law Apr 15 2021 "This book shows how Gandhi's early life in the law played a critical role in the subsequent evolution of his philosophy and theory of nonviolent civil disobedience. The author traces Gandhi's maturation from a tongue-tied novice to a competent professional, from civil rights lawyer to freedom fighter, finally integrating his principles of morality and spirituality into his political life"--Provided by publisher.

Mahatma Gandhi Aug 20 2021 Dennis Dalton's classic account of Gandhi's political and intellectual development focuses on the leader's two signal triumphs: the civil disobedience movement (or salt satyagraha) of 1930 and the Calcutta fast of 1947. Dalton clearly demonstrates how Gandhi's lifelong career in national politics gave him the opportunity to develop and refine his ideals. He then concludes with a comparison of Gandhi's methods and the strategies of Martin Luther King Jr. and Malcolm X, drawing a fascinating juxtaposition that enriches the biography of all three figures and asserts Gandhi's relevance to the study of race and political leadership in America. Dalton situates Gandhi within the "clash of civilizations" debate, identifying the implications of his work on continuing nonviolent protests. He also extensively reviews Gandhian studies and adds a detailed chronology of events in Gandhi's life.

Gandhi: A Very Short Introduction Apr 03 2020 Mohandas Karamchand Gandhi (1869-1948) was one of the few men in history to fight simultaneously on moral, religious, political, social, economic, and cultural fronts. His life and thought has had an enormous impact on the Indian nation, and he continues to be widely revered - known before and after his death by assassination as Mahatma, the Great Soul.

Gandhi's Truth: On the Origins of Militant Nonviolence Jul 27 2019 A Western psychoanalyst and historian presents a detailed examination of the philosophies accepted by Gandhi and his attempts to convert the British through nonviolence

Non-Violent Resistance Aug 08 2020 This volume focuses on Gandhi's vision of Satyagraha, whereby one appeals to reason and conscience and puts an end to evil by converting the evil-doer. The book begins with an explanation of Satyagraha and proceeds with detailed discussions of the self-training and courage necessary for Satyagraha.

DK Eyewitness Gandhi provides the perfect combination of information and great ideas for school projects. Children will learn about Gandhi's remarkable life and how an individual has the power to change the world.

Mahatma Gandhi May 05 2020 GANDHI: FACTS AND LITTLE KNOWN STORIES ABOUT THE INDIAN THAT SHOOK

THE WORLD Mohandas Karamchand Gandhi was not born with the physical qualities of a leader. A weak, shy and introverted child like him with the fear of both God and man would be expected to be soon absorbed into the collective consciousness and belief systems shared by the - almost half a billion - Indians of his time: not trying to make a change, but trying to make a living. What happened to Mohandas? Where did that fearful child find the courage to think differently, and most importantly, to act differently? In his book, *Mahatma Gandhi Facts and Surprising Unknown Stories*, Barry Powell, using storytelling, sheds light on Mohandas Gandhi's personality as well as the emotional adventures that contributed to the shaping of his unique leadership style. *Everything you Ever Wanted to Know About Gandhi is in this Book!* *Mahatma Gandhi Facts and Surprising Unknown Stories* is a compilation of the most interesting stories and facts from Gandhi's biographical timeline, which sheds light on the human side of this almost supernatural leader and gives us answers to hundreds of hot questions. Amongst them: - What are the two sins that Gandhi committed when he was a teenager? -Why did Gandhi try to commit suicide? -What happened the night of his father's death, which haunted him and filled him with guilt throughout his lifetime? -Was Gandhi a vegetarian by choice or by religion? -What happened that completely destroyed his career as a lawyer before it even started? -How did he find himself in Africa shortly after? -What happened in Africa that shaped his destiny to become a freedom fighter? -What were Gandhi's true feelings for his wife Kasturba? -Who was the fascinating woman that bewitched Gandhi while he was married to Kasturba? -What happened shortly after he founded his Ashram, which almost led them to bankruptcy? -What was Gandhi's main argument against the use of machines? -Which important personality gave the title of Mahatma (Great Soul) to Gandhi? -When and why did Gandhi deny his Western clothes and started appearing in his white Indian loincloth? -What astonishing thing did he say about the Bible? -If he admired Jesus, why didn't he become a Christian? -What were his feelings about all living beings of creation? -What did Gandhi say the moment that Kasturba died in prison? -Why didn't Gandhi celebrate on India's Independence Day? -What exactly happened on the day of his assassination? -Who was the man that killed Gandhi? -Much much more! An inspiring and touching book about everything you ever wanted to ask about Gandhi! 1 2 sampletm

[Understanding Gandhi](#) Oct 10 2020 *Understanding Gandhi* is a collection of interviews conducted by Fr d J. Blum (1914–1990), of six of Mahatma Gandhi's closest associates—J.B. Kriplani, Raihana Tyabji, Dada Dharmadhikari, Sushila Nayar, Jhaver Patel and Sucheta Kripalani. The interviewees reflect on Gandhi's ideas in the light of changes that took place in India after Independence. The book provides glimpses of Gandhi's ideas and working relationship with his colleagues who came from a wide range of backgrounds, professions and geographical regions. It also brings out the thoughts of Gandhi and his followers on several important issues such as Satyagraha, non-violence, Brahmacharya, spirituality, and fasting. This blend of an intimate knowledge of Gandhi and the reflective hindsight gives the book a unique vantage point that promotes a holistic understanding of Gandhian thought and philosophy.

Vinobha on Gandhi Sep 20 2021

The Death and Afterlife of Mahatma Gandhi Jun 05 2020 Who is responsible for the Mahatma's death? Just one single, but determined, fanatic, the whole ideology of Hindu nationalism, the ruling Congress-led government which failed to protect him, or a vast majority of Indians and their descendants who considered Gandhi irrelevant? Such questions mean that Gandhi, even after his tragic and brutal death, continues to haunt India – perhaps more effectively in his afterlife than when he was alive. *The Death and Afterlife of Mahatma Gandhi* is a groundbreaking and profound analysis of the assassination of the 'father of the nation' and its after-effects. Paranjape argues that such a catastrophic event during the very birth pangs of a new nation placed a huge burden of Oedipal guilt on Indians, and that this is the reason for the massive repression of the murder in India's political psyche. The enduring influence of Gandhi is analysed, including his spectral presence in Indian cinema. The book culminates in Paranjape's reading of Gandhi's last six months in Delhi, where, from the very edge of the grave, he wrought what was perhaps his greatest miracle, the saving of Delhi and thus of India itself from internecine bloodshed. This evocative and moving meditation into the meaning of the Mahatma's death will be relevant to scholars of Indian political and cultural history, as well as those with an interest in Gandhi and contemporary India

[Quotes of Mahatma Gandhi, A Words of Wisdom Collection Book](#) Nov 22 2021 Mohandas Karamchand Gandhi (1869-1948) was born and raised in a Hindu family in Western India. The honorific title 'Mahatma', meaning 'great-souled' and 'venerable', was applied to him in 1914. Mahatma Gandhi became an Indian lawyer, and was an anti-colonialist and political ethicist. He led a nonviolent resistance movement, successfully campaigning for India's independence from British Rule. As a result, he inspired movements for civil rights and freedom across the world. In 1921, he adopted the loincloth, with a shawl to wear in the winter to identify with the poor of India. Known for his campaigns to ease poverty, expand women's rights, building bridges across races and religions and peacefully achieving Swaraj ('self-rule'), he earned worldwide respect and admiration. Revered for his wisdom, this extensive collection of over 400 quotes made by the great man during his lifetime inspires, endures and evokes a depth of insight that few great men can match.

Great Soul Jun 29 2022 A highly original, stirring book on Mahatma Gandhi that deepens our sense of his achievements and disappointments—his success in seizing India's imagination and shaping its independence struggle as a mass movement, his recognition late in life that few of his followers paid more than lip service to his ambitious goals of social justice for the country's minorities, outcasts, and rural poor. Pulitzer Prize-winner Joseph Lelyveld shows in vivid, unmatched detail how Gandhi's sense of mission, social values, and philosophy of nonviolent resistance were shaped on another subcontinent—during two decades in South Africa—and then tested by an India that quickly learned to revere him as a Mahatma, or “Great Soul,” while following him only a small part of the way to the social transformation he envisioned. The man himself emerges as one of history's most remarkable self-creations, a prosperous lawyer who became an ascetic in a loincloth wholly dedicated to political and social action. Lelyveld leads us step-by-step through the heroic—and tragic—last months of this selfless leader's long campaign when his nonviolent efforts culminated in the partition of India, the creation of Pakistan, and a bloodbath of ethnic cleansing that ended only

with his own assassination. India and its politicians were ready to place Gandhi on a pedestal as “Father of the Nation” but were less inclined to embrace his teachings. Muslim support, crucial in his rise to leadership, soon waned, and the oppressed untouchables—for whom Gandhi spoke to Hindus as a whole—produced their own leaders. Here is a vital, brilliant reconsideration of Gandhi’s extraordinary struggles on two continents, of his fierce but, finally, unfulfilled hopes, and of his ever-evolving legacy, which more than six decades after his death still ensures his place as India’s social conscience—and not just India’s.

Gandhi & Churchill Feb 23 2022 In this fascinating and meticulously researched book, bestselling historian Arthur Herman sheds new light on two of the most universally recognizable icons of the twentieth century, and reveals how their forty-year rivalry sealed the fate of India and the British Empire. They were born worlds apart: Winston Churchill to Britain’s most glamorous aristocratic family, Mohandas Gandhi to a pious middle-class household in a provincial town in India. Yet Arthur Herman reveals how their lives and careers became intertwined as the twentieth century unfolded. Both men would go on to lead their nations through harrowing trials and two world wars—and become locked in a fierce contest of wills that would decide the fate of countries, continents, and ultimately an empire. *Gandhi & Churchill* reveals how both men were more alike than different, and yet became bitter enemies over the future of India, a land of 250 million people with 147 languages and dialects and 15 distinct religions—the jewel in the crown of Britain’s overseas empire for 200 years. Over the course of a long career, Churchill would do whatever was necessary to ensure that India remain British—including a fateful redrawing of the entire map of the Middle East and even risking his alliance with the United States during World War Two. Mohandas Gandhi, by contrast, would dedicate his life to India’s liberation, defy death and imprisonment, and create an entirely new kind of political movement: satyagraha, or civil disobedience. His campaigns of nonviolence in defiance of Churchill and the British, including his famous Salt March, would become the blueprint not only for the independence of India but for the civil rights movement in the U.S. and struggles for freedom across the world. Now master storyteller Arthur Herman cuts through the legends and myths about these two powerful, charismatic figures and reveals their flaws as well as their strengths. The result is a sweeping epic of empire and insurrection, war and political intrigue, with a fascinating supporting cast, including General Kitchener, Rabindranath Tagore, Franklin Roosevelt, Lord Mountbatten, and Mohammed Ali Jinnah, the founder of Pakistan. It is also a brilliant narrative parable of two men whose great successes were always haunted by personal failure, and whose final moments of triumph were overshadowed by the loss of what they held most dear.

Grandfather Gandhi May 17 2021 Mahatma Gandhi’s grandson tells the story of how his grandfather taught him to turn darkness into light in this uniquely personal and vibrantly illustrated tale that carries a message of peace. How could he—a Gandhi—be so easy to anger? One thick, hot day, Arun Gandhi travels with his family to Grandfather Gandhi’s village. Silence fills the air—but peace feels far away for young Arun. When an older boy pushes him on the soccer field, his anger fills him in a way that surely a true Gandhi could never imagine. Can Arun ever live up to the Mahatma? Will he ever make his grandfather proud? In this remarkable personal story, Arun Gandhi, with Bethany Hegedus, weaves a stunning portrait of the extraordinary man who taught him to live his life as light. Evan Turk brings the text to breathtaking life with his unique three-dimensional collage paintings.
