*Tap, Clap and Sing!: Note-Reading Activity Book 2* Jun 05 2020 The activities in *Tap, Clap and Sing!* are designed to

enhance the child's learning by implementing and reinforcing the concepts already experienced in a music setting. Body movement, rhythmic experiences and singing are used to help children master skills while illustrations are included for coloring and aiding in rhythmic development and "Memory Joggers" are inserted periodically to encourage review. Book 2 introduces the concepts of form, intervals and time signatures and provides a creative way to implement the step-by-step process of note-reading for children ages six and older.

*Close Reading in Elementary School* Jun 25 2019 The

Common Core State Standards encourage teachers to use close reading as a means to help students access complex text. Many literacy experts believe close reading has the power to create strong, independent readers. But what does that really mean, and how does it work in the classroom? This book is your must-have guide to getting started! It provides step-by-step strategies and scaffolds for teaching close reading and improving students' comprehension of complex texts. You will learn how to teach close reading based on text type, how to transition students through increasingly challenging texts, and how to

use close reading as a springboard for close writes and close talks. Special Features:

- An easy-to-use framework for creating a close reading lesson
- Close reading strategies for a variety of literary and informational subgenres
- Ideas for teaching close reading to meet specific comprehension objectives based on the Common Core, including analyzing text structure and evaluating argument
- Suggestions for helping students read with increased levels of rigor
- A clear explanation of what text complexity really means and how it varies by student
- Scaffolds to help students at all ability levels do a close reading

- Guidelines and procedures for close talks—purposeful, focused discussions about text
- Procedures for close writes that vary based on genre and student ability level

In addition, each chapter includes study guide questions to help you apply the ideas in the book to your own classroom. With this practical book, you will have all the tools you need to make close reading a reality!

*Embedding English and Maths* Nov 30 2019 FE and other post-16 tutors are increasingly being asked to embed and develop English and maths skills in their lessons, and the

revised common inspection framework from Ofsted places an increased emphasis on this. You may lack confidence or the required background knowledge to do this, or be struggling to find ideas that will engage and motivate your learners. Specifically written for use within vocational contexts, this text provides you with a theoretical understanding of the issues involved, including barriers to learning and how to overcome these. In addition it offers a range of practical strategies and ideas to get you started and build confidence and competence in your students. Each activity is accompanied by detailed notes that highlight

key learning points, the development of vocational skills and extension opportunities.

*Paint by Sticker* Apr 03 2020

Introducing a compelling new activity for crafters and artists, doodlers and coloring book enthusiasts of all ages. *Paint by Sticker* includes everything you need to create twelve vibrant, full-color "paintings." The images—including sunflowers, a fox, a hummingbird in mid-flight, two boats on the water—are rendered in "low-poly," a computer graphics style that creates a 3-D effect. As in paint-by-number, each template is divided into dozens of spaces, each with a number that corresponds to a particular colored sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next—it's an activity that's utterly
