Owen and Mzee: The True Story of a Remarkable Friendship Jun 08 2020 The amazing true story of the orphaned baby hippo and 130-year-old giant turtle whose remarkable friendship touched millions around the world. The inspiring true story of two great friends, a baby hippo named Owen and a 130-yr-old giant tortoise named Mzee (Mm-ZAY). When Owen was stranded after the Dec 2004 tsunami, villagers in Kenya worked tirelessly to rescue him. Then, to everyone's amazement, the orphan hippo and the elderly tortoise adopted each other. Now they are inseparable, swimming, eating, and playing together. Adorable photos e-mailed from friend to friend quickly made them worldwide celebrities. Here is a joyous reminder that in times of trouble, friendship is stronger than the differences that too often pull us apart.

True Story Jun 01 2022 The improbable but true story of a man accused of murdering his entire family and the journalist he impersonated while on the run In 2001, Mike Finkel was on top of the world: young, talented, and recently promoted to a plum job at the New York Times Magazine. Then he made an irremediable slip: Under extraordinary pressure to keep producing blockbuster stories, he fabricated parts of an article. Caught and excommunicated from the Times, he retreated to his home in Montana, swearing off any contact with the media. When the phone rang, though, he couldn't resist. At the other end was a reporter from the San Francisco Chronicle, whom Finkel congratulated on being the first in what was sure to be a long and bloodthirsty line of media watchdogs. The reporter was puzzled. In Waldport, Oregon, Christian Longo had killed his young wife and three children and dumped their bodies into the bay. With a stolen credit card, he fled south, making his way to Cancun, where he lived for several weeks under an assumed identity: Michael Finkel, journalist for the New York Times. True Story is the tale of a bizarre and convoluted collision between fact and fiction, and a meditation on the slippery nature of truth. When Finkel contacts Longo in jail, the two men begin a close and complex relationship. Over the course of a year, they exchange long letters and weekly phone calls, playing out a cat-and-mouse game in which it's never quite clear if the pursuer is Finkel or Longo—or both. Finkel's dogged pursuit of the true story pays off only at the end, in the gripping trial scenes in which Longo, after a lifetime of deception, finally tells the whole truth. Or so he says.

The Finest Hours Mar 30 2022 Survivors recount the heroic undertakings of Coast Guard teams aboard small crafts who attempted to save the crews of two oil tankers caught in a violent nor'easter off the coast of Cape Cod.

Redbone: The True Story of a Native American Rock Band Mar 06 2020 Experience the riveting, powerful story of the Native American civil rights movement and the resulting struggle for

identity told through the high-flying career of West Coast rock 'n' roll pioneers Redbone. You've heard the hit song "Come and Get Your Love" in the movie Guardians of the Galaxy, but the story of the band behind it is one of cultural, political, and social importance. Brothers Pat and Lolly Vegas were talented Native American rock musicians that took the 1960s Sunset Strip by storm. They influenced The Doors and jammed with Jimmy Hendrix before he was "Jimi," and the idea of a band made up of all Native Americans soon followed. Determined to control their creative vision and maintain their cultural identity, they eventually signed a deal with Epic Records in 1969. But as the American Indian Movement gained momentum the band took a stand, choosing pride in their ancestry over continued commercial reward. Created in cooperation of the Vegas family, authors Christian Staebler and Sonia Paoloni with artist Thibault Balahy take painstaking steps to ensure the historical accuracy of this important and often overlooked story of America's past. Part biography and part research journalism, Redbone tells a vivid story about this neglected chapter of American history.

The True Story of a Mouse Who Never Asked for It Feb 03 2020 The True Story of a Mouse Who Never Asked for It is a visually striking, deeply feminist, contemporary retelling of a Spanish folk tale, rediscovered and brought to new life by author Ana Cristina Herreros and illustrator Violeta Lopiz. In Herreros and Lopiz's version--which sharply diverges from the most mainstream and popularized telling of the story--a mouse is approached by many suitors, rejecting all but one: a cat, whose gentle meow assures her that he won't bring her harm. But one must remember that a kitten always grows up to be a cat...and thusly, will devour the mouse.

Best Friends Jul 22 2021 Discover a place where every creature is safe and loved in the inspiring true story of Best Friends, the no-kill animal sanctuary in Angel Canyon, Utah. In the summer of 1982, a group of young men and women pooled every penny they had and bought three thousand acres of desert in Utah. It was to become the most famous no-kill animal sanctuary in the world--a haven for over two thousand furry and feathered friends, including: Sinjin, the badly burned black cat who survived to welcome others home; Victor, the abandoned Australian Shepherd mix who became the Godfather of dogs; Sparkles, the broken-down pack horse who comforts humans and animals; and then there's Tyson and Tommy, two tiny black kittens who have something to teach us all . . . In Best Friends, you'll fall in love with the animals and the people who share a special bond, whose enchanting adventures together will touch your heart with the true meaning of friendship. Includes an introduction by Mary Tyler Moore

Publish This Book Jan 16 2021 Dear Reader- This is called the "back cover copy," and you are no doubt familiar with its purpose. It describes what the book is about, so you can decide if you want to read it. Here's the problem, though: I can't even describe this book, and I wrote the damn thing.(1) Basically, it's like this: fed up with the Byzantine quest of trying to publish a novel, I decide instead to cut to the chase and write a memoir about trying to publish a book--this book, to be precise. Of course, now you're saying to yourself, "That is stupid," which is fair. But then you'll read it, and you'll say, "Damn, that was actually pretty good." Because obviously it's about much more than just publishing a book. It's about life and love and friendship; politics, pop culture, and basketball; sex, drugs, and mild, inoffensive, slow-tempo Christian rock.(2) It's about the pitfalls of narrating your life as it unfolds, freaking out when an agent actually (spoiler alert!) takes an interest in this bizarre experiment, and the surreal shock you undergo when a publisher actually buys it(3) and you suddenly realize that every secret drunk, drug, and sex story you've related will now be required reading for your parents, aunts, ex-girlfriends, and thousands of strangers who you were kind of hoping-would never find out that you once accidentally shut your penis in a dresser drawer.(4) And finally, but most importantly, it's about those tumultuous early years of adulthood--the years when hope and fear and rage broil together and the promise of youth still holds the capacity to inspire awe. This is a story of those struggles--to find your true voice in your work and in your life. And the best part? You pretty much know it has a happy ending.(5)p? 1 What's beside it on the shelf? Something with a sexy vampire? If you're looking for sexy, I do full-frontal nudity in Chapter 11. 3 And then later makes you write your own back cover copy even though you clearly do not know what you're doing. 4 Although I'll dodge a bullet there because I totally left that story out of the book. 5 Except for what happens to the puppy at the fertilizer plant. I admit, that part is kind of a downer.

The Last Duel Aug 30 2019 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • "A taut page-turner with all the hallmarks of a good historical thriller."--Orlando Sentinel The gripping true story of the duel to end all duels in medieval France as a resolute knight defends his wife's honor against the man she accuses of a heinous crime In the midst of the

devastating Hundred Years' War between France and England, Jean de Carrouges, a Norman knight fresh from combat in Scotland, returns home to yet another deadly threat. His wife, Marguerite, has accused squire Jacques Le Gris of rape. A deadlocked court decrees a trial by combat between the two men that will also leave Marguerite's fate in the balance. For if her husband loses the duel, she will be put to death as a false accuser. While enemy troops pillage the land, and rebellion and plague threaten the lives of all, Carrouges and Le Gris meet in full armor on a walled field in Paris. What follows is the final duel ever authorized by the Parlement of Paris, a fierce fight with lance, sword, and dagger before a massive crowd that includes the teenage King Charles VI, during which both combatants are wounded—but only one fatally. Based on extensive research in Normandy and Paris, *The Last Duel* brings to life a colorful, turbulent age and three unforgettable characters caught in a fatal triangle of crime, scandal, and revenge. *The Last Duel* is at once a moving human drama, a captivating true crime story, and an engrossing work of historical intrigue with themes that echo powerfully centuries later.

The Tiger Jan 28 2022 In December 1997, a man-eating tiger is on the prowl outside a remote village in Russia's Far East. As the trackers sift through the gruesome remains of the victims, they discover that these attacks aren't random: the tiger is apparently engaged in a vendetta.

Ponzi's Scheme Jun 28 2019 It was a time when anything seemed possible—instant wealth, glittering fame, fabulous luxury—and for a run of magical weeks in the spring and summer of 1920, Charles Ponzi made it all come true. Promising to double investors' money in three months, the dapper, charming Ponzi raised the “rob Peter to pay Paul” scam to an art form. At the peak of his success, Ponzi was raking in more than \$2 million a week at his office in downtown Boston. Then his house of cards came crashing down—thanks in large part to the relentless investigative reporting of Richard Grozier's *Boston Post*. A classic American tale of immigrant life and the dream of success, *Ponzi's Scheme* is the amazing story of the magnetic scoundrel who launched the most successful scheme of financial alchemy in modern history.

The Bounty Nov 01 2019 The bestselling author of *The Endurance* reveals the startling truth behind the legend of the Mutiny on the Bounty -- the most famous sea story of all time. More than two centuries have passed since Fletcher Christian mutinied against Lt. Bligh on a small armed transport vessel called *Bounty*. Why the details of this obscure adventure at the end of the world remain vivid and enthralling is as intriguing as the truth behind the legend. Caroline Alexander focusses on the court martial of the ten mutineers captured in Tahiti and brought to justice in Portsmouth. Each figure emerges as a richly drawn character caught up in a drama that may well end on the gallows. With enormous scholarship and exquisitely drawn characters, *The Bounty* is a tour de force.

Say Nothing Sep 11 2020 NEW YORK TIMES BESTSELLER • From the author of *Empire of Pain*—a stunning, intricate narrative about a notorious killing in Northern Ireland and its devastating repercussions “Masked intruders dragged Jean McConville, a 38-year-old widow and mother of 10, from her Belfast home in 1972. In this meticulously reported book—as finely paced as a novel—Keefe uses McConville's murder as a prism to tell the history of the Troubles in Northern Ireland. Interviewing people on both sides of the conflict, he transforms the tragic damage and waste of the era into a searing, utterly gripping saga.” —*New York Times* Book Review Jean McConville's abduction was one of the most notorious episodes of the vicious conflict known as *The Troubles*. Everyone in the neighborhood knew the I.R.A. was responsible. But in a climate of fear and paranoia, no one would speak of it. In 2003, five years after an accord brought an uneasy peace to Northern Ireland, a set of human bones was discovered on a beach. McConville's children knew it was their mother when they were told a blue safety pin was attached to the dress—with so many kids, she had always kept it handy for diapers or ripped clothes. Patrick Radden Keefe's mesmerizing book on the bitter conflict in Northern Ireland and its aftermath uses the McConville case as a starting point for the tale of a society wracked by a violent guerrilla war, a war whose consequences have never been reckoned with. The brutal violence seared not only people like the McConville children, but also I.R.A. members embittered by a peace that fell far short of the goal of a united Ireland, and left them wondering whether the killings they committed were not justified acts of war, but simple murders. From radical and impetuous I.R.A. terrorists such as Dolours Price, who, when she was barely out of her teens, was already planting bombs in London and targeting informers for execution, to the ferocious I.R.A. mastermind known as *The Dark*, to the spy games and dirty schemes of the British Army, to Gerry Adams, who negotiated the peace but betrayed his hardcore comrades by denying his I.R.A. past—*Say Nothing* conjures

a world of passion, betrayal, vengeance, and anguish. Look for Patrick Radden Keefe's latest bestseller, *Empire of Pain*

Ghettoside Dec 03 2019 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE, USA TODAY, AND CHICAGO TRIBUNE • A masterly work of literary journalism about a senseless murder, a relentless detective, and the great plague of homicide in America NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • The Boston Globe • The Economist • The Globe and Mail • BookPage • Kirkus Reviews On a warm spring evening in South Los Angeles, a young man is shot and killed on a sidewalk minutes away from his home, one of the thousands of black Americans murdered that year. His assailant runs down the street, jumps into an SUV, and vanishes, hoping to join the scores of killers in American cities who are never arrested for their crimes. But as soon as the case is assigned to Detective John Skaggs, the odds shift. Here is the kaleidoscopic story of the quintessential, but mostly ignored, American murder—a “ghettoside” killing, one young black man slaying another—and a brilliant and driven cadre of detectives whose creed is to pursue justice for forgotten victims at all costs. *Ghettoside* is a fast-paced narrative of a devastating crime, an intimate portrait of detectives and a community bonded in tragedy, and a surprising new lens into the great subject of why murder happens in our cities—and how the epidemic of killings might yet be stopped. Praise for *Ghettoside* “A serious and kaleidoscopic achievement . . . [Jill Leovy is] a crisp writer with a crisp mind and the ability to boil entire skies of information into hard journalistic rain.”—Dwight Garner, *The New York Times* “Masterful . . . gritty reporting that matches the police work behind it.”—*Los Angeles Times* “Moving and engrossing.”—*San Francisco Chronicle* “Penetrating and heartbreaking . . . *Ghettoside* points out how relatively little America has cared even as recently as the last decade about the value of young black men’s lives.”—*USA Today* “Functions both as a snappy police procedural and—more significantly—as a searing indictment of legal neglect . . . Leovy’s powerful testimony demands respectful attention.”—*The Boston Globe*

Indecent Exposure Aug 11 2020 When the head of Columbia Pictures, David Begelman, got caught forging Cliff Robertson's name on a \$10,000 check, it seemed, at first, like a simple case of embezzlement. It wasn't. The incident was the tip of the iceberg, the first hint of a scandal that shook Hollywood and rattled Wall Street. Soon powerful studio executives were engulfed in controversy; careers derailed; reputations died; and a ruthless, take-no-prisoners corporate power struggle for the world-famous Hollywood dream factory began. First published in 1982, this now classic story of greed and lies in Tinseltown appears here with a stunning final chapter on Begelman's post-Columbia career as he continued to dazzle and defraud . . . until his last hours in a Hollywood hotel room, where his story dramatically and poignantly would end.

The Mostly True Story of Jack Oct 05 2022 Newbery Medal-winner Kelly Barnhill's debut novel is an eerie tale of magic, friendship, and sacrifice. Enter a world where magic bubbles just below the surface. . . . When Jack is sent to Hazelwood, Iowa, to live with his strange aunt and uncle, he expects a summer of boredom. Little does he know that the people of Hazelwood have been waiting for him for quite a long time. When he arrives, he begins to make actual friends for the first time in his life—but the town bully beats him up and the richest man in town begins to plot Jack's imminent, and hopefully painful, demise. It's up to Jack to figure out why suddenly everyone cares so much about him. Back home he was practically... invisible. *The Mostly True Story of Jack* is a stunning debut novel about things broken, things put back together, and finding a place to belong. "There's a dry wit and playfulness to Barnhill's writing that recalls Lemony Snicket and Blue Balliett...a delightfully unusual gem." --*Los Angeles Times*

Ghosts of War Oct 25 2021 Ryan Smithson joined the Army Reserve when he was seventeen. Two years later, he was deployed to Iraq as an Army engineer. In this extraordinary and harrowing memoir, readers march along one GI's tour of duty. It will change the way you feel about what it means to be an American.

Stubby the War Dog Dec 27 2021 Documents the heroic wartime achievements of a World War I mascot who was adopted by a soldier as an orphaned pup and who gained military honors and a display in the Smithsonian Institution for his brave service behind enemy lines. By the award-winning author of *Muckrakers*.

True Story Nov 06 2022 “A gripping, ripped-from-headlines tale.” —People “Spellbinding.” —Megan Abbott, *The New York Times Book Review* Tracing the fifteen-year fallout of a toxic high school rumor, a riveting, astonishingly original debut novel about the power of stories—and who gets to tell them 2015. A gifted and reclusive ghostwriter, Alice Lovett

makes a living helping other people tell their stories. But she is haunted by the one story she can't tell: the story of, as she puts it, "the things that happened while I was asleep." 1999. Nick Brothers and his lacrosse teammates return for their senior year at their wealthy Maryland high school as the reigning state champions. They're on top of the world—until two of his friends drive a passed-out girl home from one of the team's "legendary" parties, and a rumor about what happened in the backseat spreads through the town like wildfire. The boys deny the allegations, and, eventually, the town moves on. But not everyone can. Nick descends into alcoholism, and Alice builds a life in fits and starts, underestimating herself and placing her trust in the wrong people. When she finally gets the opportunity to confront the past she can't remember—but which has nevertheless shaped her life—will she take it? An inventive and breathtaking exploration of a woman finding her voice in the wake of trauma, *True Story* is part psychological thriller, part fever dream, and part timely comment on sexual assault, power, and the very nature of truth. Ingeniously constructed and full of twists and turns that will keep you guessing until the final pages, it marks the debut of a singular and daring new voice in fiction.

The True Story of Hansel and Gretel Jun 20 2021 A retelling of the classic fairy tale, set in Nazi-occupied Poland, follows two Jewish children, left by their father and stepmother to seek refuge in a dense forest, as they wander the woods until being taken in by Magda, an eccentric old woman called a witch by local villagers, who is determined to save them despite the arrival of a German officer. Original.

Based on a True Story Jul 10 2020 A delectable satirical novel about celebrity culture, journalism, truth, lies, consequences – about the fictions we tell ourselves and the fictions we tell others. Augusta Price (not her real name) is famous in England for playing a slatternly barmaid on a nighttime soap opera and for falling down drunk in public. Now, she has no job, no relationship with her long-lost son, and a sad shortage of tranquilizers – but she has had an improbable hit with her memoir (which is based on a true story, but only very loosely). But when Frances Bleeker – an insecure and not very successful American tabloid journalist – tells Augusta that a man she once loved has written a book, Augusta becomes terrified that her life story will be revealed as the web of lies it really is. She sets out on a trans-Atlantic journey from London to California to seek revenge on her former lover – a journey that will require the reluctant help of Frances.

Money Feb 26 2022 The co-host of the popular NPR podcast *Planet Money* provides a well-researched, entertaining, somewhat irreverent look at how money is a made-up thing that has evolved over time to suit humanity's changing needs. Money only works because we all agree to believe in it. In *Money*, Jacob Goldstein shows how money is a useful fiction that has shaped societies for thousands of years, from the rise of coins in ancient Greece to the first stock market in Amsterdam to the emergence of shadow banking in the 21st century. At the heart of the story are the fringe thinkers and world leaders who reimagined money. Kublai Khan, the Mongol emperor, created paper money backed by nothing, centuries before it appeared in the west. John Law, a professional gambler and convicted murderer, brought modern money to France (and destroyed the country's economy). The cypherpunks, a group of radical libertarian computer programmers, paved the way for bitcoin. One thing they all realized: what counts as money (and what doesn't) is the result of choices we make, and those choices have a profound effect on who gets more stuff and who gets less, who gets to take risks when times are good, and who gets screwed when things go bad. Lively, accessible, and full of interesting details (like the 43-pound copper coins that 17th-century Swedes carried strapped to their backs), *Money* is the story of the choices that gave us money as we know it today.

The Circus Fire Apr 06 2020 The acclaimed author of *Emily, Alone* and *Henry, Himself* brings all his narrative gifts to bear on this gripping account of tragedy and heroism—the great Hartford circus fire of 1944. It was a midsummer afternoon, halfway through a Ringling Brothers Barnum and Bailey Circus performance, when the big top caught fire. The tent had been waterproofed with a mixture of paraffin and gasoline; in seconds it was burning out of control. More than 8,000 people were trapped inside, and the ensuing disaster would eventually take 167 lives. Steward O'Nan brings all his narrative gifts to bear on this gripping account of the great Hartford circus fire of 1944. Drawing on interviews with hundreds of survivors, O'Nan skillfully re-creates the horrific events and illuminates the psychological oddities of human behavior under stress: the mad scramble for the exits; the perilous effort to maneuver animals out of danger; the hero who tossed dozens of children to safety before being trampled to death. Brilliantly constructed and exceptionally moving, *The Circus Fire* is history at its most compelling.

[Charlie's Secret](#) May 08 2020 *INSPIRED BY A TRUE STORY OF ABUSE - Charlie's Secret* has

recently been added to several college curriculums across the United States- Samantha Mallon has gotten used to the bruises from her brother, Charlie. The black-and-blue pigments are becoming harder to camouflage, and all the good hiding spots in her house are now non-existent. Most days, she keeps to herself, safely locked behind the door of her bedroom, praying Charlie won't break it down if he gets angry--again. There are so many secrets to keep, that Sam is running out of lies to cover the abuse. Perhaps, one day, a teacher will ask enough questions that Sam will not be able to keep up the charade. Finding reprieve from a battered childhood, Sam is determined to make the best of her high school years. With Charlie away at college, she develops some new friendships, and even catches the attention of a super-hot, bad-boy, Jake. Yet, her happiness is always tainted by the family life she's trying to keep under wraps, and it's slowly destroying her hopes of real love. After a heart-wrenching betrayal, Sam leans on a stranger's shoulder for support. Fortunately, that stranger turns into the best-friend she never knew she needed. Able to get back on her feet, a familiar face re-enters her life--clutching Charlie's arm-- in a way that leaves Sam completely uneasy. Just when Sam thought Charlie had changed, his abusive past comes back to haunt them both. The hospital, the cops, and the courthouse are calling Sam's name as she has to relive one horrible night, over and over again to find the truth. The only problem ... the truth will send the one person she loves the most to jail. Will she find the strength to break the circle and free herself from abuse? Or, will she hold onto the family secret forever?

Secrets of a Marine's Wife Oct 13 2020 In *Secrets of a Marine's Wife*, award-winning journalist and New York Times bestselling author Shanna Hogan tells the true story of a young Marine wife whose illicit affair ended in tragedy. In June 2014, 19-year-old Erin Corwin was living a quiet life in Twentynine Palms, California, expecting her first child with her husband, U.S. Marine Corporal Jon Corwin--until the day she drove off into the desert and never returned. As temperatures climbed into the hundreds, friends and family teamed up with local law enforcement in a grueling search of Joshua Tree National Park. Nearly two months after her disappearance, Corwin's body was found at the bottom of an abandoned mine shaft, a homemade garrote wrapped around her throat. Suspicions mounted within the tight-knit Marine community as residents questioned if the killer was one of their own. Fellow Marine Christopher Lee and his wife lived next door to the Corwins, and the two young couples had leaned on each other for support. But detectives soon discovered that Chris and Erin's relationship had developed into a whirlwind romance that consumed them both and called the paternity of Corwin's baby into question. Lee told investigators he'd been out hunting the day of Corwin's disappearance, but his claims of innocence soon began to crumble. And while Erin was researching baby names, Lee was reportedly searching the internet for ways to dispose of a human body. Through interviews, court records, and extensive research, bestselling true-crime author Shanna Hogan constructs a chilling story of betrayal, deception, and tragedy.

If You Tell Jan 04 2020 An Amazon Charts, Wall Street Journal, and Washington Post bestseller. #1 New York Times bestselling author Gregg Olsen's shocking and empowering true-crime story of three sisters determined to survive their mother's house of horrors. After more than a decade, when sisters Nikki, Sami, and Tori Knotek hear the word mom, it claws like an eagle's talons, triggering memories that have been their secret since childhood. Until now. For years, behind the closed doors of their farmhouse in Raymond, Washington, their sadistic mother, Shelly, subjected her girls to unimaginable abuse, degradation, torture, and psychic terrors. Through it all, Nikki, Sami, and Tori developed a defiant bond that made them far less vulnerable than Shelly imagined. Even as others were drawn into their mother's dark and perverse web, the sisters found the strength and courage to escape an escalating nightmare that culminated in multiple murders. Harrowing and heartrending, *If You Tell* is a survivor's story of absolute evil--and the freedom and justice that Nikki, Sami, and Tori risked their lives to fight for. Sisters forever, victims no more, they found a light in the darkness that made them the resilient women they are today--loving, loved, and moving on.

Based on a True Story Apr 18 2021 NEW YORK TIMES BESTSELLER • "Driving, wild and hilarious" (The Washington Post), here is the incredible "memoir" of the legendary actor, gambler, raconteur, and Saturday Night Live veteran. When Norm Macdonald, one of the greatest stand-up comics of all time, was approached to write a celebrity memoir, he flatly refused, calling the genre "one step below instruction manuals." Norm then promptly took a two-year hiatus from stand-up comedy to live on a farm in northern Canada. When he emerged he had under his arm a manuscript, a genre-smashing book about comedy, tragedy, love, loss, war, and redemption. When asked if this was the celebrity memoir, Norm replied, "Call it anything you damn like."

True Story May 20 2021 Named a Best Nonfiction Book of 2022 by Esquire A sociological study of reality TV that explores its rise as a culture-dominating medium—and what the genre reveals about our attitudes toward race, gender, class, and sexuality What do we see when we watch reality television? In True Story: What Reality TV Says About Us, the sociologist and TV-lover Danielle J. Lindemann takes a long, hard look in the "funhouse mirror" of this genre. From the first episodes of The Real World to countless rose ceremonies to the White House, reality TV has not just remade our entertainment and cultural landscape (which it undeniably has). Reality TV, Lindemann argues, uniquely reflects our everyday experiences and social topography back to us. Applying scholarly research—including studies of inequality, culture, and deviance—to specific shows, Lindemann layers sharp insights with social theory, humor, pop cultural references, and anecdotes from her own life to show us who we really are. By taking reality TV seriously, True Story argues, we can better understand key institutions (like families, schools, and prisons) and broad social constructs (such as gender, race, class, and sexuality). From The Bachelor to Real Housewives to COPS and more (so much more!), reality programming unveils the major circuits of power that organize our lives—and the extent to which our own realities are, in fact, socially constructed. Whether we're watching conniving Survivor contestants or three-year-old beauty queens, these "guilty pleasures" underscore how conservative our society remains, and how steadfastly we cling to our notions about who or what counts as legitimate or "real." At once an entertaining chronicle of reality TV obsession and a pioneering work of sociology, True Story holds up a mirror to our society: the reflection may not always be pretty—but we can't look away.

On his final journey to the afterlife, he went to Heaven and met Jesus, who gave Tom the message he wants him to share with the world. The Book of Tom is a True story of life after death and a message of hope.

The Bridgebusters Oct 01 2019 "He had decided to live forever, or die in the attempt." - Catch-22 The men of the 57th Bomb Wing flew out of Corsica during World War II and bombed

vital bridges throughout Italy to sabotage German supply routes. Their missions were dangerous and never-ending. One bombardier in the wing was a young New Yorker named Joseph Heller, who would later turn his experience into the classic 1961 war novel *Catch-22*. Now aviation historian Thomas McKelvey Cleaver takes a closer look at the real-life men of the 57th, whose camaraderie in the face of death inspired the raucous cast of heroes and antiheroes in *Catch-22*.
